TUMBLE WEEDS.

Sioux City, Iowa, Oct. 21, 1901.

Mr. Dunroy:—

Are these poems REAL poetry? Most certainly, for they have come out of the heart of the poet, and the thought is the thought of the people and of the race. All come as a message, sometimes almost divine, out of the heart only to find a lodgment in the heart. That indefinable something which characterizes all true poetry and all divinely gifted poets is clearly found in Tumble Weeds.

Kindly yours,
WILLIS MARSHALL.

THE ONLY DIRECT ROUTE BETWEEN California and the east is the Union Pacific. "The Overland Route." This was the first road to span the continent with bands of steel. It

made friends in those early days—it is making them now, on account of its superior service and superb equipment and quick trains.
