THREE CENTS

HIGH SCHOOL WINS EASILY.

Lincoln Boys Shut Out the Normal Team University Scrubs Lose to Doane Other Football Contests.

Lincoln High School defeated the Peru Normal team, Saturday by a score of 35 to 0. The game was an uninteresting affair from start to finish excepting about the last ten minutes of play when the Normal braced up and threw the high school back for 13 and 3 yards forcing them to kick. Peru then began to play aggressive ball sending Rader around right end for 3 yards and Beck through the center for 7 and 1. Hurst, the Normal captain, was unable to play in the first half on account of a bad ankle. The offensive playing of the high school was above the average, the work of Follmer, Kimmel, Barwick and Lesh being especially fine.

The Normal kicked off 35 yards and the high school returned 25. On the next play Mason was sent through the line for 25 yards, then Hawley went around Tynor for forty and a touchdown. Heagey kicked goal. Score 6 to 0. Time one minute. Peru kicked off. Follmer, Heagey, Lesh and Kimmel made 60 yards and Hawley went around the end for 40 yards and the second touchdown. Heagey kicked goal, score, 12 to 0. On the next kick off Follmer returned the ball 40 yards, then made forty more around Murphy. Here the high school met with its first set back and lost 3 yards on a fumble, but made it up at once through the center. Peru was held for downs on their thirty yard line. The high school then made 20 yards around left end and sent Hall through the line for the third touchdown. Score, 18 to 0. Beck stopped the high school's famous "pig" play which they always count on for a long gain. The Normals then held the high school boys for downs on the Normal's 10 yard line and punted 25 yards on the line.

After a few small gains Heagey was sent around the end for a touchdown. Heagey kicked goal. Score 24 to 0. Follmer returned eight yards on the kick off and the high school was held and forced to kick. The ball was fumbled by the Normal and time was called with the score 24 to 0.

The story of the second half is a mere repetition of the first, long runs and brilliant playing by the high school and poor defense on the part of the Normal. The high school did some very fine punting in this half and the phenomenal runs of Follmer and Heagey netted two more touchdowns. Heagey only failed on one goal out of six trials and the final score stood 35 to 0. In this half the Normal team did some fine work in holding the high school and even throwing them back for losses of 13 and 3 yards. They also did some nice offensive work but were clearly outclassed by the high school boys.

The teams lined up as follows:

SECOND TEAM LOSES TO DOANE.

By a score of 6 to 0 the second University team was defeated by the Doane college eleven Saturday at Croft. The game was a close contest throughout, neither team proving itself very much the superior of the other. The touchdown was made by Doane during the first half and it was during that part of the game that Doane did the best work. During the second half the University boys braced up and prevented further scoring.

KNOX SCORES AGAINST WISCONSIN.

The Knox-Wisconsin game Saturday was a ragged exhibition of football. Wisconsin ran up a score of 22 points against her opponents and then slumped and let them carry the ball across her goal. The Chicago Tribune says:

Instead of the clean, hard, aggressive play of last Saturday today's work was slow, ragged, and uncertain, and fumbling was of such frequent occurrence as to become monotonous. To cap the climax, Knox crossed the varsity goal for a touchdown, the first time in recent years that a minor team has scored on a Wisconsin eleven. During all this time Coach Williams of Minnesota and Knowlton, Page, Doble and Rogers of the Gopher eleven stood on the side lines and watched their rivals' discomfiture.

In strong contrast with the work of the badgers was the fast plucky game put up by Knox. Sullivan, the big left guard of the visitors, was in every play, and repeatedly broke up the varsity formations. The Knox ends also put up a splendid game, being much more successful in stopping end plays than were the Beloit ends. Knox also surpassed Wisconsin when it came to kicking, and succeeded in gaining considerable ground in this way.

MAY EXCLUDE WOMEN

Debating Association Votes to limit Membership to Male Students The Board Plan Reported Favorably.

Women students may no longer become members of the debating association if the action taken at its meeting Saturday is affirmed by the association next Saturday. By a good majority it was decided to insert the word "male" in the membership clause, thereby restricting the membership to men students. This action is not final but is only preliminary to the adoption of the constitution which will be done after the document voted on Saturday has been posted a week.

There was something of a fight on the hands of those who urged the action. The committee to whom the constitution was referred for revision refused to take the action and the membership clause as reported by them contained no restrictive clause. After the report was adopted, however, a motion to insert the word "male" in the clause was carried. There was considerable opposition to this action by those who look at the principle involved. They argue that the University is a co-educational institution and that men and women ought to be treated alike.

Those who favor the restriction do so on the ground that the best interests of the association would be furthered by it. There seems to be a feeling among many that fair play is not shown to the male contestants when there is a woman contestant.

Another important change which was reported by the committee Saturday was the adoption of the board system of controlling the debates. It was voted to put the matter in the hands of a debating board of nine members, consisting of four faculty members, the instructor in charge of debating and four student members two of whom shall be the president and secretary of the debating association. This will place the control of debates on the same footing as that of athletics.

If the new constitution is adopted the annual dues will be raised to \$1.25 instead of 25 cents as they are now. This will entitle each member to enter the debating contests without further charge. A provision was introduced putting the keeping of the funds in the hands of the librarian of the historical society.

The new constitution as accepted from the committee of the association will be posted on the bulletin board for one week. It will be voted on finally next Saturday. It was decided to leave the question of a contest with Iowa until after the new board is organized.

An action of great importance to debating interests was taken at the meeting of the University Senate Friday. It was practically decided to allow credit for work on the interstate debates. The amount of credit allowed and the details were placed in the hands of the committee on courses of

study. It is probable that a class consisting of the nine interstate debaters, the substitutes and enough men to compose a second team, will be organized the second semester. By means of this class the men who are to debate with sister institutions will be thoroughly drilled and coached for the contest.

HEAVY MEN FOR BASKET BALL.

Captain Koehler of the basket ball team is on the look out for men who are both heavy and fast. He believes that players having those qualities will make up the strongest team. Regarding the team he said: "The team will be the best the school has ever produced. We have a pick of men of last year's team, experienced players from high schools and some new men who have the qualities that make strong players."

"I will try to get all big men who are fast for I believe this style of a player is most effective in a match game."

Captain Koehler spoke of all the teams at the tournament in Chicago last year having big men and how the little men, although good players, were no match for their big opponents. Men who have announced their intention of playing are: Gaines, Raymond, Rhodes, Pillsbury and Clinton. Cor-telyou will also be back.

Manager Morill will not play but is now arranging a series of games.

Phi Kappa Psi entertained for their new members Friday night at their chapter home at Sixteenth and K streets. The house was elaborately decorated with the colors of the fraternity. Those present were: Misses B. Hargreaves, Wirt, Trigg, Dumont, L. Hargreaves, Locke, Holbrook, Funke, Hunt, Lansing, Tricke, Hays, G. Bennett, Shedd, Harris, Harley, Comstock, Robison, Honeywell, J. Outcalt, Bryan, Stone, Loomis, G. Macomber, M. Bennett, E. Outcalt, Post, M. Macomber, Deweese; Messrs. Cuscaden, Engle, Manchester, Lehmer, A. Cuscaden, Douglas, Powell, Jaynes, Crandall, Sedgwick, Allen, Dumont, Fricke, Harris, Morrison, Southwick, Johnson, States, Ramsey, Smith, Shedd, Deweese, Baird, Buckley, Cook, Ringer, Bross, Ledwith, Hays, McCullough.

Fred J. Kelly, J. Giddings Senter and William Speiser were three initiates who were conducted into the mysteries of Delta Tau Delta fraternity Saturday night. After the initiatory rites were completed the active members of the chapter indulged in an informal feed and smoker.
