The students who are not in the habit of attending "The Student's Hour," would find it very interesting and spend those thirty minutes very pleasantly. The Chancellor has succeeded in changing the character of the exercises to a great extent and each student should find it a pleasure to attend.

We notice a growing tendency in the universities to do away with old time rushes and class fights. This seems a result of higher standard and a more perfect intellectual development. It is our obligation to exercise higher judgment and rise above the animal nature. Class contentions are perfectly legitimate but let them be of a more elevated sort than that exercised between brute forces.

From the general improvement of the campus students have evidently been taking advantage of the waste paper cans. Every student should take pains to see that he throws no paper upon the campus but be careful and put it in the boxes for this purpose. If everyone does his duty there will be much more improvement in a short time in the appearance of the grounds.

Columbia university is about to lose the man who has, as her president, done so much for her in the last twelve years. Dr. Seth Low resigns his position in order to devote his life to the work of cleansing New York politics. He enters into this battle from a non-partisan standpoint and if elected mayor his first act will be to remove the corrupt police commissioner and his assistant. This cause is a worthy one and Dr. Low is a man of broad mind, great knowledge of men and remarkably good judgment, who ought to be the one to succeed in it. Dr. Nicholas Murray Butler is named as his probable successor to the presidency of Columbia.

There is no branch of Christian work which is more practical and productive of good results than that carried on by the Young Women's

Christian Association. Religious organizations too often forget to look to the physical needs of those whose spiritual welfare they would insure. To provide a pleasant, homelike building bright with an atmosphere of cordiality and good will, where students and working girls can get meals at the lowest price, this is a work of Christ in itself. It is also a potent means of reaching the girls and interesting them in the helpful religious meetings of the society.

KAPPA ALPHA THETA INITIATION.

Kappa Alpha Theta initiated five young ladies into the mysteries of the sorority Friday night at the home of Miss Margery Loomis. After the rites, the young ladies were taken in carriages to the home of Miss Rose Carson where an eight course banquet was served. Miss Hallie Post presided as toast mistress and called upon the following young ladies for responses: Misses Barr, Weldy, Nelore Wilson, Margie Loomis, Jane Douglas, Katherine Agnew, Alice Towne and Jean Tuttle.

The initiates were: Miss Alice Towne, of Omaha; Miss Harriet Paul, of Henderson, Ia.; Miss Georgia Patterson of Omaha and Misses Sallie Agnew and Nelore Wilson of Lincoln.

PI PHI INITIATION.

The young ladies of Pi Beta Phi initiated seven new members Wednesday evening. The ceremony was held at the home of Miss Lois Burruss, Fourteenth and H streets where a breakfast was served to the initiates the following morning.

The initiates were: Misses Willa Allen, of Madison, Bess Burruss and Pearl Archibald, of Lincoln, Grace Conerd, of Atlanta, Iowa, Edna Holland, Falls City, Blanche Meeker, of Greenwood, and the Whitmore, of Valley.

PERSHING HOP COMMITTEE.

At a special meeting of the Rifles Thursday evening a committee for the annual Pershing Rifle Hop was chosen as follows:

Sergeant R. C. Pollard; chairman, Sergeant Lau; master of ceremonies, Sergeants Farney, Thomas and Phillips. The Hop will be held Friday evening December 6 at the Lincoln hotel. Every effort will be made to make it the best dance ever held at the Lincoln.

TWO STUDENTS EXPELLED.

It is reported that two students have been expelled from the university. The university authorities will give no details but admit that two young men have been forced to leave school. The names of the students are withheld. Rumor has it that one of them was found guilty of copying work from the note book of another student and persistently asserting that they were his own. The other is said to have fallen into evil habits as a result of bad associates.

COLLEGE NOTES.

Cornell baseball practice began October 21 on Percy field.

Cornell and Princeton have the only football teams that have not been scored against this year.

At a recent meeting of men from all classes at Cornell the custom of undergraduate "rushes" was done away with.

Fifty-five co-eds and seventy-six young men have or will be initiated into fraternities in Wisconsin this fall.

The seniors of Michigan this year will give a "smoker." They profess anti-coed sentiments and express their ideas this way.

FRESHMEN REGISTER.

Owing to the confusion in the freshman class meetings resulting from the impossibility of deciding who were freshmen and who were not, it was decided to have all freshmen register. The registration was made a condition to voting or taking part in the class meetings. All day Friday at a table in the lower hall of the main building one man was kept busy receiving the names of those who desired to vote in the class meetings. Registration will continue today from 10 am., until 2:30 pm.

TRACK MEE POSTPONED.

The track meet which was scheduled for 2 o'clock last Saturday, was postponed until 4 pm. to-day. It will be held on Nebraska field. Admission is free.

The State Historical Society have received a very fine collection of Pawnee relics from J. R. Coffin of Genoa Neb.

A few new cases are to be put into the Historical library in a short time.
