THREE CENTS

NOW FOR THE BADGERS

Football Squad Will Leave To-day for Milwaukee--Men Hopeful But Silent. Team in Good Conkition.

This afternoon at 1:45 the Nebraska football squad, fifteen strong will leave for Milwaukee where they will meet the defenders of the cardinal Saturday. The party will be made up as follows: Cortelyou, Captain Westover, Brew, Koehler, Tobin, Stringer, C. Shedd, Drain, Bender, Pillsbury, Crandall, Kingsbury, G. Shedd, Bell and Eager. Coach Booth, Manager Cowgill, Librarian Wver and Dr. Beachley will accompany the team.

While the members of the squad are confident of putting up a good fight against the Badgers they are making no boasts. Coach Booth is very reticent as to the outcome of the game. The game with Kansas Saturday showed that the Badgers are strong on offensive work. Kansas was weak on the defensive and in this fact the large score run up against her may be accounted for.

The work on the gridiron during the past week has developed Nebraska's defense wonderfully. The scrubs instead of scoring as they did last week have been held for downs repeatedly. Work on the offensive has also been gratifying to the Nebraska rooters. Everything considered Nebraska goes to Wisconsin in much better condition than she went to Minneapolis.

Practice at Wisconsin has been secret for the past week or so. Their time has been devoted mainly to the stopping of mass plays so much used by the Minnesota team. Punting will undoubtedly be a feature of Saturday's game on both sides.

WISCONSIN TRIES MASS PLAY.

Dispatches to the Chicago Record-Herald give the following account of practice at Wisconsin:

The Wisconsin football team was given another drill in stopping mass plays in the practice this afternoon and succeeded only indifferently. After about half an hour of punting and signal practice the varsity kicked off to the scrubs and the latter using the mass plays, which are expected from Minnesota, pushed the ball across the field to within five yards of the varsity goal. There they were stopped, and, although given eight or nine trials, were unable to get it over. Then the ball went to the varsity and the latter carried it back until Juneau made a long run around the end for a touchdown. After the next kick-off the scrubs again tried the mass plays, but this time the varsity held them, and they were unable to make material gains. Fogg is still laid up with an injured knee, and Marshall played quarter back. Moffatt was at full back in Driver's place and Abercrombie at left half in place of Cochems.

Offers of any amount of even money are coming from Minnesota for the badger-gopher game, Nov. 16, but the Wisconsin backers want odds.

MINNESOTA.

The Minnesota eleven was sent through an hour's hard practice this

afternoon by Dr. Williams. The excessive heat affected the men and the play was lacking in snap, but the offense worked smoothly and the varsity had a comparatively easy time with the scrubs.

Schacht and Mueller, each of whom sustained an injury to a shoulder Saturday, will probably not be in the game for several days, and neither is likely to play Saturday against the Haskell Indians. Thorpe will probably be played in Schacht's place at right tackle, while Ricker or Jensen may be selected to take Mueller's place at right guard. Boeckman, whose injured knee has been bothering him since Saturday's game, went through the signals with the varsity.

KANSAS AND BELOIT.

The game between Beloit and Kansas University played on Beloit grounds ended without a score by either team.

Twice the Kansans advanced the ball to the Beloit ten yard line and both times lost it on downs. The Beloit players succeeded twice in reaching their opponents ten yard line but there they were held for downs. They also tried for a goal from the field but the play was blocked and the ball was given to Kansas.

The "guards half-back" formation, which was expected to sweep the Beloit players down the field before it, had its greatest success in the first ten minutes of the play. After that the Beloit men solved it, and frequently dropped the runner in his tracks. The teams were about evenly matched. But had Beloit's offense been equal to her perfect defense she would have scored several times.

Line bucks were tried through the heavy Kansas line by Captain Bunge, Merrill, Smith and Slater but the gains were short. McRae and Crane broke through the Kansas ends twice for fifteen-yard runs, but other attempts resulted in no gain and several times with loss.

IOWA'S CAPTAIN BARRED.

Iowa's board of athletic control has unanimously endorsed the action of the eligibility committee in ruling Quarter Back Williams out of the recent Iowa-Minnesota football game.

It was decided, however, to call a meeting of the conference colleges in Chicago for Saturday, Nov. 2, to make a final ruling on Williams' case. Charles Benham of Lorimer, N. D., with whom Williams was employed as a drug clerk, has made affidavit that Williams received no compensation for playing on the Lorimer baseball team and further investigation may yet reveal the fact that the disqualification of the captain is unjustified.

Until the Conference Colleges report, Williams will be kept out of the game. It is feared that the retirement of Williams will permanently cripple the Iowa team as he was the field general and star player for the team. Williams is severely censured by the student body at Iowa City for doing anything that would raise the question of his eligibility after taking the place as captain of the team.

WILL PLAY KANSAS.

Peters and Shaw Go To Lawrence To-day for the Tennis Match. The Local Tournament Arouses Interest.

Peters and Shaw winners of the local tennis tournament are scheduled to leave this morning for Lawrence, Kansas, where they will contest with a team from Kansas University. The games will be played Friday and Saturday.

The local contest was continued yesterday. In the morning Gaines and Huse played two closely contested sets. Gaines won by a dence set and played Hamilton to see who should enter the finals. Gains won.

In the finals Peters was pitted against Spelser and Shaw against Roth. Peters won from Spelser and afterwards from Gaines. Shaw won from Roth. This left Shaw and Peters the winners of the tournament.

More than usual interest has been taken in the games. Yesterday a large crowd filled the space around the courts. The prospects of a trip to Kansas brought out practically all the good tennis players in school. There were twenty-two entries in all. Several players who are comparatively new have been developed.

The meet with Kansas was made certain by the receipt yesterday morning of a telegram from there saying that they would pay the expenses of the team. The games will be played under the auspices of the University Association on club grounds. The Kansas team is composed of Sharrard and Higgins, the latter being an instructor in the University. Sharrard will be remembered as one of the men who played in the Kansas-Nebraska meet last spring.

SENIOR ANNUAL BOARD MEETS.

Fred J. Kelley, Editor in Chief and Fred Morrell, Business Manager of the Senior class book have appointed the following associate editors: Misses Ella Harper, Grace Montgomery, Anetta Sprung, Jennie McGuffy, Bertha McCall, Messrs Carrol Powers S. D. Clinton, Evan Sage.

The board met for the first time Tuesday morning and discussed matters pertaining to the book. The board will meet regularly once a week, probably Tuesday morning. Anyone having material which might be used are requested to hand it to the board at that time.

FRESHMEN ELECT A PRESIDENT.

The freshman class got together yesterday and elected a Mr. Lewis president. The class then proceeded to the election of a vice president. The first ballot resulted in no choice and before a second could be taken the time for adjournment had come.

The progress of the registration scheme suffered a set back yesterday by the forcible purloining of the poll lists by some members of the Sophomore class. The lists were entrusted to a Freshman named Lewis who was overpowered and the lists taken. Where they are now no one but a few Sophomores know. The Freshmen were forced to carry on their meeting without the poll books. They suffered no inconvenience at their meeting yesterday from the upper classmen.

PENNSYLVANIA TO DEBATE WITH CORNELL AND MICHIGAN.

More interest is being taken each year among the eastern colleges and universities in inter-collegiate and inter-university debates. This fall Pennsylvania will again meet Columbia, and the students of Michigan next spring.

The inter-collegiate debates at Pennsylvania were inaugurated nine years ago when the first debate with Cornell University was held. The series consisted of six debates and the honors were divided equally between the two Universities. With the Michigan students Pennsylvania has not been so successful, but they hope to redeem themselves next March when they will again meet the Michigan boys in Philadelphia. Last year the first of the series with Columbia was won by Pennsylvania, which they confidently expect to repeat in New York next December.

The subject submitted by the Columbians and which has been accepted by Pennsylvania, is Resolved, "That any amendment to the Constitution of the United States providing for a change in the method of treaty-making is undesirable." The Michigan question has not yet been selected, but will be submitted by Pennsylvania in a few days.

The Students' Debating Committee expects that the new system of preliminary inter-society debates, inaugurated at Pennsylvania this fall, will bring out more men and produce better results than the methods employed in previous years.

PERMITS TO GO HOME TO VOTE.

Students who wish to go home to vote may secure leave of absence on application at the executive office. Classes will continue as usual in all departments on election day.

Princeton submits the following question for the Yale-Princeton debate on December 6, "Resolved, that the adoption of the fifteenth amendment to the Constitution of the United States has been justified."

The amendment: "The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any States on account of race, color or previous condition of servitude." Yale has the choice of sides.—Ex.
