VOL. I NO. 35

LINCOLN, NEB., MONDAY, NOVEMBER 4, 1901.

THREE CENTS

WISCONSIN TOO FAST.

Nebraska Defeated by the Unusual Speed of the Badgers—Varsity Puts Up a Game to be Proud of.

The game is over. Wisconsin won. The score was 18 to 0. These figures suggest a larger difference in the two teams than really did exist. Three times Nebraska had the ball on Wisconsin's five yard line and three times the Badgers held the Cornhuskers. It was a grand game in which Nebraska was beaten but not vanquished. Wisconsin was scared oh, how she was scared! Her interference, thus far invincible proved nothing enigmatical to the visitors. Their famous punting was more than equalled by big Pill. From a spectator's standpoint the game it is said was by far the prettiest ever seen in Milwaukee. In short it was a mighty close call for Phil King's youngsters and he admits the fact himself. During the first half Nebraska outplayed the Badgers at every point. It looked blue for Wisconsin the first twenty minutes of play. It was all in her territory and Nebraska outplaying on every hand. When the ball had been worked down to her 5 yard line Wisconsin took a brace. She had to. Drain tried a goal from field but the wind drew the ball aside. So it may be said and is conceded that Nebraska won new laurels even in her defeat.

It is believed that the Badgers will schedule with us again next year. Minnesota will—and thus our entrance into the big nine will be assured.

WHAT THE COACHES SAY.

After the game Coach Booth said: "It was a good game and the best team won. Nebraska played an admirable game—played at least 100 per cent better than she did against Minnesota three weeks ago. Had our fellows played and punted at Minneapolis as they did here this afternoon the gophers never would have scored. Today's contest was an excellent exhibition of football. Wisconsin certainly plays a much better game than Minnesota did when we met her, and I do not think any one will dispute my assertion when I say that Nebraska put up a plucky game."

Phil King, coach for the Wisconsin team, said:

"We expected that Nebraska would make it interesting for us, and I guess everyone who saw the game thinks they did so. Booth's men put up a good article of football and are as plucky a lot of players as anyone could wish to see. They were not quitters at any stage of the game. Even after Wisconsin had scored they continued to give us a hard fight for every yard we gained. It was no off day for Wisconsin, though our fellows might have played a different game in some points. They were careless at times, but that was not because they felt over confident as to the outcome. It was a rattling good game."

Everett Wrenn of Harvard, one of the officials of the game, said:

"It was one of the prettiest contests I ever have seen in the west.

It was good foot-ball. Wisconsin plays much better and faster ball than Minnesota did three weeks ago; in fact, I think, the best game that is being played anywhere in the west today. Nebraska put up a plucky fight, as is evidenced by the fact that the ball was in Wisconsin's territory most of the time in the first half. I think that first half was as good foot-ball as I have ever seen in the west. And Nebraska did not lose her nerve even after she had been scored upon, but made the badgers fight for every gain they made."

DETAILS OF THE GAME.

Wisconsin won the toss, chose the east goal with the wind at her back and with this disadvantage staring her in the face Nebraska started a punting contest. Tobin kicked off the ball falling into the arms of Driver who got off a good return punt. Drain caught it but was held before he could advance it. Wisconsin held Nebraska for downs and Pillsbury punted to the Badgers 25 yard line. Kings men now seeing they were making little on the punting tried a series of line plays which netted nothing. Then they tried an end run but lost the ball on a fumble. Shortly afterwards Nebraska juggled a signal and lost the ball. The Badgers tried end plays again but were forced to kick. Driver kicked out of bounds on Nebraska forty-five yard line. Then Nebraska began a march which brought fear to Wisconsin hearts. Kingsbury was sent over twice for five yard gains. Westover went through for four more. Finding they were in easy kicking distance of Wisconsin's goal Drain tried a place kick. The wind dislocated the aim and it failed.

Shortly after the Cochengs the star running back of Wisconsin made the first and one of the longest runs of the game, skirting Nebraska's left end for twenty yards. Then old "Cort" got on a tantrum and when Nebraska got the ball, on a double pass he got into the clear and ran thirty yards to Wisconsin's ten yard line before he was downed by Cochengs. Then Kingsbury went through for five yards. It was one of Nebraska's chances but Wisconsin held for downs. The fight seemed to have done Wisconsin good for she played steadier ball from this on.

At no stage did Nebraska lose her nerve. Her men played like heroes and stubbornly contested every yard which the opponent made. Four minutes before the end of the first half Wisconsin pushed Larson over for a touch down. Juneau kicked goal.

The two touchdowns of the second half were made in the same manner and were just as stubbornly fought as the first one. The game was a whole was the most enjoyable exhibitions of foot-ball ever seen in Milwaukee. There was the usual amount of fumbling, and there was also some penalizing for offside play. However, Wisconsin suffered most of this.

THE LINE-UP.

NEBRASKA.	WISCONSIN.
C. Sheed, l. e.	Juneau, r. e.
Kingsbury, l. t.	Curtis, r. t.
Tobin, l. g.	Schreiber, r. g.
Koehler, c.	Show, c.
Brew, r. g.	Lerum, l. g.

LINCOLN BEATS OMAHA

High School Game Played in Driving Rain—Lincoln Team Shows Superior Work—Rain Spoils the Play

Omaha high school sent 200 rooters to Lincoln Saturday to see their team defeated by a score of 17 to 0.

In spite of the rain which began falling about one o'clock and lasted all through the game the play was fast and vigorous throughout.

Before the first half was over the field was covered with mud and water was nearly ankle deep and the players were wet to the skin.

Lesh kicked out of bounds for Lincoln on the first trial to Nearson on the second who returned three yards. After holding Omaha for downs the High School took the ball and by line bucks and snappy end runs, pushed the ball over for the first touchdown in about two minutes. Haegir failed a very difficult goal. Score 5 to 0.

In the latter part of the first half Omaha worked the ball to Lincoln's two yard line where they were held for downs. The Lincoln boys then worked the ball back about fifteen yards and were held for downs. Omaha again pushed the pig skin dangerously close to Lincoln's goal but on account of Lincoln's excellent defense they were unable to score.

Time was called with the Ball in Lincoln's possession on their three yard line. Lincoln had the stormy north wind at their backs in the second half and by steady line bucking and a brilliant end run by Hawley she was enabled to score two more touch downs. The playing of both teams was exceptionally fine both on offensive and defensive. The defense work of Robertson, Standeven and Fairbrother for Omaha was something seldom seen on a High School team and the offensive of E. Follmer, Lesh, Haegy and Hawley was equally good for Lincoln. The teams lined up as follows:

OMAHA.	LINCOLN.
Fairbrother, R. E.	R. Follmer
Griffith, R. T.	Kimmel
Thompson, R. G.	Hall
Robertson, C.	Johnson
Sterrick, L. G.	Lesh
Mullen, L. T.	Fields
Standeven, L. E.	Mason
Shields, Q.	Barwich
Montgomery, R. H.	E. Follmer
Coryell, L. H.	Hawley
Englehardt, F. B.	Haegy

Officials—Elliott, referee; Pearse, umpire; Phillipott, Lehmer, timekeeper.

LINCOLN SCRUBS BEATEN.

Before the High School game the Lincoln High School Scrubs lined up against the University Sopomores. The University boys were too much for the high school players and went through them for a touch down in one short half. The little boys were out weighed by the University men but played a plucky defensive game all through.

DAILY NEBRASKAN STOCK READY.

Subscribers to the stock in the Hesperian Publishing Co., may get the same at the office at 134 North Eleventh street.

THE MISSOURI GAME SATURDAY.

Prospects are good for a record breaking crowd from Lincoln to attend the Omaha game Saturday. Favorable rates are assured by the Burlington provided a sufficient number of tickets can be promised in advance. Missouri will probably send a large delegation of rooters from Columbia.

The showing the Nebraska team made Saturday insures an especially strong game against the Tigers. An excursion train will undoubtedly be run. In order to insure good accommodations and rates every one who expects to go should leave his name at the executive office or with Professor Weyer at the library at once.

THE FOOT-BALL TEAM RETURNS.

The foot-ball contingent returned yesterday evening at six o'clock over the Northwestern. They express themselves as well pleased over the showing made at Milwaukee Saturday. Pillsbury's punting was especially the subject of much enthusiastic comment. At one time he sent the ball whirling down the field from Nebraska's ten yard line to within ten yards of Wisconsin's goal. His work throughout the game was of a very high order. The play put up by Wisconsin was exceptionally fast. The ball was in play almost before the Nebraska players could regain their feet. It is the unanimous opinion that Nebraska put up by far the best game of the season.

As a result of the game a contest with Wisconsin for next year is already assured and Minnesota has given a verbal promise to schedule a game next season. The Wisconsin game will be played some time after the third week in October. There is also talk of games with Michigan and Iowa but nothing definite has been done regarding them yet.

MEDICAL COLLEGE WANTS THE GRIDIRON.

Local schools say that the control of the University foot-ball campus is unfair. The management of the Lincoln Medical College is especially wrought up over it. This college has taken great interest in athletics recently and claim that they could secure several big games if they had access to a field.

Last night Dr. Carr announced his intention of petitioning the regents for permission to use the field.

"The local schools," he said "draw their patronage almost exclusively from this state and we, as taxpayers supporting as we do, the state institution, should have some privileges to the field."

NEBRASKA TEAM AT DAVIDSON.

The Nebraska foot-ball team has accepted the invitation of Mr. Sherman Brown of the Davidson Theatre, to occupy boxes and loges on Saturday evening to witness the production "Are You a Mason?" and have a good time. The courtesies of the theatre have also been extended to the Wisconsin team for that evening but the invitation of Mr. Bart Ruddle of the Academy was previously accepted and the team will witness "Beauty and the Beast" at that place.—Wisconsin Cardinal.
