THE KANSAS TENNIS MEET.

Peters and Shaw, the team sent to Kansas to contest with the University team there returned yesterday. Though defeated in both singles and doubles the team put up a very creditable game considering the circumstances. The Kansas team was composed of two of the best players in the University, one of them Higgins, being a professor in the law school and the other, Sharrard, the man who played here last spring against Farnsworth and Senger.

The singles were played on Friday. Shaw played Higgins, Higgins won. Score 6-0, 2-6, 6-0.

Higgins won the toss and chose the west side. This forced Shaw to play with a bright sun shining in his face. In the second set with the sun at his back Shaw won a comparatively easy set.

Sharrard won from Peters. Score, 4-6, 6-4, 6-2.

What in the world to give a friend?  
Yale men know and the New Haven Union says: "The question of what in the world to give a friend is solved by SONGS OF ALL THE COLLEGES which is alike suitable for the collegian of the past, for the student of the present, and for the boy (or girl) with hopes; also for the music-loving sister and a fellow 'best girl'."
