LINCOLN, NEB., THURSDAY, NOVEMBER 14, 1901.

THREE CENTS

## PREPARE FOR KANSAS

**Team Getting Into Shape For the Game With the Jayhawkers. Sophomores Tie the High School.**

The practice last night was not quite up to the usual standard on all points. While it was a good steady work-out, it lacked the snap and vigor usually seen on Nebraska field. The scrubs put up a fine game, both on offensive and defensive. They went through the Varsity time and again for their distance.

Maloney filled Kingsbury's place at guard. Voss took Stringer's position at tackle and both sets of backs were played. The work was not steady but rather ragged. At times the Varsity would line up and put the ball in play with the old time vim and by steady line bucks and end runs push the pig skin down nearly to the goal line then lose it on a fumble or a misplay.

Pillsbury put up a fine game at fullback tearing up the scrubs' line for good gains and sending the pig skin whirling through the air by long punts. The new plays confused the men somewhat but nothing need be feared on this score next Saturday.

Early in the practice Drain made a very pretty place kick from the 25 yd line. The practice ended with a run around the field.

### SOPHOMORES TIE THE HIGH SCHOOL.

Previous to the practice the Sophomores played a game with the high school team in which neither side scored. It was a very pretty exhibition of football, however, and the teams are very evenly matched. The high school boys were a little better on the defensive play, they being quicker and sure of their plays.

The feature of the game was a 50 yd run by Condra, the high school center. He thought he had secured the ball on a fumble and rushed down the field for a touch down. The professor is a rather large man and not much used to running, therefore he was very much disappointed, as well as out of breath, when he found that his touchdown had been made with the ball with which the Varsity were practicing.

### THE KANSAS GAME.

The game Saturday promises to be a battle royal. Kansas is playing the fastest ball in the history of the game in that institution. From present appearances quite a crowd will come up from Lawrence to back the Jayhawkers. One fare round trip has been secured. Things are beginning to look like '97 when Nebraska surprised everybody by winning 11 to 6. That was when Melford played center and Shedd, full.

Nebraska will be in tip top shape, ready for the game of her life.

Cuff and Cranall will play halves, Pillsbury full and Stringer left end, otherwise the team will be the same as usual. William J. Bryan and Governor Savage with his staff will be the guests of the Athletic Board at the game. The tickets go on sale Friday morning down town and up

at the library. Grand stand seats \$1, general admission 50c.

The Kansas City Star has the following to say concerning the Kansas team: "Captain Avery of the victorious team of '99, has returned and may enter school. He donned a suit last night and showed the men some of the tricks by which he won so much of the fame in this football career from '97 to '99. If he enters school and can be persuaded to join the squad he will be a great addition and strength to the team.

"White intends to be out every night from now on and do all the can to coach the guards and tackles. Outland intends to put most of the week on practice in defense and may make some changes in the lineup.

"The players are all encouraged over their showing Saturday and by next Saturday the Jayhawkers will go north to give their old rivals, the Cornhuskers, one of the greatest games they ever played. Nebraska has one of the best teams in her history and has been scoring sweeping victories over every opponent. K. U. will again be placed against a team of old and experienced players, but the Jayhawker rooters are confident and the more enthusiastic are counting on taking the three remaining games. Nebraska, Texas and Missouri."

## CADET OFFICERS QUIT

**Recent Appointees Show Dissatisfaction By Absenting Themselves From Drill. Their Reasons.**

Fifteen sergeants and five lieutenants absented themselves from drill last night as a result of the dissatisfaction that is rampant among the recent appointees over the way the offices in the battalion were distributed.

Of the twenty sergeants in the battalion only five were in their places. But three lieutenants put in appearance. Drill went on, however, in the old way as though nothing out of the ordinary had happened. It is said that the absentees will stay away from drill until some satisfactory adjustment of the difficulty is made.

One of the cadets said last night that the dissatisfaction was general and extended to all except very few. He said that the men did not base their action on personal grounds but had taken it because they believed that an injustice had been done to a number of men. A number of men, he said, who are not well drilled and who have not taken much interest in the battalion have been promoted

committee to take charge of the Freshmen Hop, which will be given in the near future: Chairman, Ray E. Dumont. Misses Ruth Bryan and Alice Shedd. Messrs. F. J. McShane, C. A. Sawyer, A. W. Jaynes, Vern Havens

Mr. Ge Febre has been appointed master of ceremonies.

### SENIOR LAWS IN A FIGHT.

There is a factional fight on in the senior law class. It is over the choice of Business manager and associate editors for the senior class book. Two boards have been elected both claiming to be legal.

A start was made last Friday by the election of W. R. Heartt, business manager and Mr. Higgins editor-in-chief. Before the election was completed, however, the meeting adjourned. The anti-Higgins faction then claim to have presented a legal petition to the president for a meeting to be held Wednesday night. This, they say, he refused to do. They then took matters into their own hands and called a meeting over this head. A meeting was then called by the president for Wednesday afternoon.

The regulars got together yesterday afternoon and chose a board.

The other faction which is led by P. B. Weaver and M. J. Cronin held their meeting last night. W. H. O'Connell was chairman and M. J. Cronin secretary.

The first move was to declare the election of Higgins and Heartt void, on the ground that the motion to elect officers was interrupted by the adjournment at the last meeting and according to the ruling of the president the motion could not be divided. Then the meeting proceeded to elect the board. These officers were unanimously chosen editor-in-chief, A. H. Keeney.

Business manager, W. R. Heartt. Assistant editors, W. W. Graves, G. A. Johnson, F. A. Cuscaden, F. J. Duval.

### JUNIORS CHOOSE A CAP.

The Junior class assembled yesterday and chose an "official" cap. From among the numerous samples presented, a blue cap with a long visor and the figures 1903 just above it, was chosen.

Orders are now being taken for the cap by the committee. It is said that a large number of young ladies of the class will also wear them.

### NOTICE TO STUDENTS.

All students who wish to enquire about their credits may do so at the Registrar's office between November 13 and 30 during regular office hours.

### THE WEATHER.

Forecast, for Lincoln and vicinity: Thursday fair.

Weather report for 24 hours ending 7 pm. Wednesday.

Highest temperature 62 degrees, occurring at 2 pm.

Lowest temperature, 36 degrees, occurring at 8 pm.

Mean temperature, 49 degrees, which is 11 degrees above the normal. No Precipitation.

G. A. LOVELAND,  
Section Director.

## Football Mass Meeting Chapel Time, FRIDAY.

ROOTERS' CLUB AND CHORUS  
..... WILL PRACTICE .....

### A YELL FOR THE KANSAS GAME.

The approaching Kansas-Nebraska game calls to mind a song which the Missourians used to sing when Kansas went to Columbia to play ball.

Rock-chalk Johnny,  
Jayhawker, too.

Better get a rustle on you,  
P. D. Q.

This was the welcome the Jayhawkers got when they bearded the Tigers in their den.

A new yell especially adapted for the game Saturday is:

Hoo-rah-rah  
Hoo-rah-rah,  
Down with the Jayhawkers,  
Rah-rah-rah.

### PALLADIAN PROGRAM.

Palladian program for Friday evening, November 15, is as follows:

Talk—Indian Life, Manners and Customs—Miss Case.

Selected Recitation from Kipling—Mr. Hayes.

Paper—Indian Magic—Mr. Mc-Nown.

Selected Reading from Kipling—Miss Roper.

over the heads of men who have always stood high in military circles.

"As a result of the promotions" said the same authority. "A number of seniors who were privates at the beginning of the year are now lieutenants over seniors who were sergeants at the beginning of the year. Men are now drilling under men who drilled under them before the promotions were made."

At the bottom of the whole trouble seems to be the failure to appoint men to the rank they would be entitled to if promotions were made according to the usual method. The men seem determined not to drill unless appointments are readjusted. Another phase of the question comes from the executive office. It was said there yesterday that the only way in which students who have registered for drill can drop the work is by registering off. Unless a satisfactory excuse can be given this will can only be done by paying the penalty of three dollars provided for such cases.

**FRESHMAN HOP COMMITTEE.**  
The President of the Freshmen class has appointed the following
