TEAMWORK IMPROVING

Varsity Shows Unusual Strength in Practice—Score at Will—Governor Savage to Start The Game.

Foot-ball practice on Nebraska Field last night was short and snappy. The scrubs were powerless in the hands of the Varsity who scored at will. The scrubs were given the ball on the twenty-five yard line repeatedly but could never gain five yards with it.

The most noticeable feature of Nebraska's playing is the team work. Every man gets into things now. It is all together, when the player with the ball is about to fall he doesn't for some body is there to push him along several feet further. Shead and Corteyou at ends are especially noticeable at this trick. Drain kicked a goal from the field. He does this with telling regularity now so that the twenty-five yard line in a good position means a score now-a-days. It is always something to the backers of a team to know that on the third down and several yards to gain, something can be done when in the shadow of the goal posts.

Bell and Pillsbury gave a creditable exhibition of punting on the gridiron last night, kicking sixty yards repeatedly with a slight wind. Everything is in readiness for the game of the season tomorrow and if the Jayhawkers win they will have earned their spurs. Koehler will fill up center. Brew and Maloney guards, Westover and Kingsburg, tackles. Stringer and Corteyou ends, Drain quarter, Crandall and Cuff halves, Pillsbury full. Subs, Eager, Shedd, Hickey, Voss and Bell. The men are all in the best of shape, everyone is feeling fine.

Governor Savage will kick off for Nebraska, sending the ball into the territory of her sister commonwealth thus marking the beginning of the state struggle between Nebraska and Kansas. Colonel Bryan and his friends will occupy a section in the grand stand along with Governor Savage's staff. The semaphore will be placed at the north end of the field so that the newest enthusiasts tell how the game goes. The size of the score board is 8 by 15 feet. It has two rollers five feet long and several two feet long. It will register the downs, yards to gain, whose ball and score. It will be raised six feet from the ground where it can be plainly seen from any point of the field. The cost will be fifty dollars.

Kansas telegraphs that between one hundred and one hundred and fifty rooters will accompany the team. They arrived in Lincoln tonight. A one and a third rate has been secured by Manager Cowgill from all points within fifty miles of Lincoln including Fairbury which is somewhat over the limit. Tickets are 50 cents general admission, and 75 cents for grand stand seats. Seats may be reserved at Wilson & Hall's, The University Book store, Westermann's office and The Library. Sections will be reserved for the rooting divisions on the bleachers. Now is the time for Nebraska Spirit. Every-

Nebraskan should wear a cane, a pennant, a megaphone and a bunch of scarlet and cream.

THE MINNESOTA-WISCONSIN GAME.

Probably the hardest fought battle on a western gridiron this year will be the Minnesota-Wisconsin game at Madison next Saturday. Both teams are straining themselves to the utmost in order to put themselves in the best possible shape before the time comes. Last year Minnesota won by a score of 6 to 5. This year from all accounts the teams are as evenly matched as they were last year. The backers of both are confident of winning.

Some objection has been made to the method Dr. Williams has pursued recently in providing practice for his men. The North Dakota team played the Minnesota scrubs last Saturday and in order to give the Gophers a variety of practice they have been retained at Minneapolis presumably at Minnesota's expense. Dr. Williams took this action on the ground that a strange team could give his men better practice than the scrubs who were familiar with the first team's signals. Practice both at Minneapolis and Madison has been secret for some time. It is reported that every reserved seat has been sold already.

COLLEGE SETTLEMENT

Student Members of the Board Elected. Mass Meeting in Chapel. Mrs. Catt Speaks to Students.

The election held in chapel yesterday morning for the purpose of selecting four student members of the college settlement board resulted in the choice of T. A. Maxwell, Chas. M. Bracein, and Misses May Powell and Abba Bowen.

The election was held at the mass meeting which is called annually for that purpose. Professor Candy presided and explained briefly the object of the meeting. The board is composed of seven members, three from the faculty and four students. The former are chosen by the faculty for a term of three years, one being elected each year. The student members are chosen by the student body at a mass meeting held for the purpose. They hold their places on the board for one year. The election yesterday was accomplished without opposition.

MRS. CARRIE CHAPMAN CATT SPEAKS TO STUDENTS.

Mrs. Carrie Chapman Catt, President of the National Woman Suffrage Association, addressed the student

Mrs. Catt said she was especially interested in the University because it is working out the great problem of co-education. She related several incidents to show the superiority of women over men in educational lines. The number of young men, she said in universities have doubled while in the same time the number of young ladies increased six fold. She predicted the time when the number of young ladies would exceed that of young men. For every boy graduated from the public schools last year there was an average of one and a fourth girls. She said that she did not, like some people, believe in keeping the girls back. She favored pushing the boys forward so the girls would not excel them.

Mrs. Catt in closing urged young men when they go out into the world of politics to grant to their sisters the same privileges that they themselves enjoy.

THE DRAMATIC CLUB.

The Dramatic Club of the University is actively at work under the able directorship of Miss Alice Howell of the elocution department, upon the first of a series of plays which will be given at intervals of five weeks during the year.

The first play, "A Duel in Love," translated from the French by G. B. Coale, will be presented about December 12. The plot is set with humorous situations and is rich in high class comedy.

The cast of characters is as follows: T. J. Hewitt—Baron de Montrichard.

P. Andersen—Monsieur de Grignau. A. C. Bates—Servant of Countess de Autreval.

H. M. Garrett—Captain of Dragoons.

H. G. Strayer, J. D. Glinn—Dragoons.

Miss Ruth Bailey—Countess de Autreval.

Miss Mav Edholm—Leonie de la Villegonter.

D. D. Gibson—Stage manager.

The membership of the club at present is about 75 and is limited to the members of the various classes in elocution.

A new cast of characters will be arranged for each different play in order that all of the members may get some active practice and practical experience in dramatic interpretation.

The management of the plays will be directed by some advanced students, who will be assigned from the classes.

Later in the season a play will be given for the benefit of the college settlement work. The cast for this play will be especially selected from the best students in the club.

The following are the officers of the club for the present term.

President—Miss Alice Howell.

Vice President—E. K. Nielsen.

Secretary-Treasurer—Miss May Edholm.

Sergeant-at-Arms—D. D. Gibson.

SQUAD NO. 4.

Rooters of Squad No. 4, will occupy reserved seats at the north end of the east bleacher Saturday November 16. Every member is expected to be there and bring any others who will yell for Nebraska.

THE Kansas team is coming to Lincoln with the avowed intention of at least scoring on Nebraska. This must be prevented. It is the duty of every student to help defend Nebraska's goal line. The only way he can do it is by attending the game Saturday and rooting for the team.

NEBRASKA'S GOAL MUST NOT BE CROSSED TO-MORROW.

LAW BOYS WILL ATTEND IN A BODY.

The law boys intend to show the academics how genuine rooting should be carried on. At a meeting of the Junior law class yesterday it was decided to attend the football game in a body and to invite the seniors to do the same. A committee was appointed to consult with the seniors. A section has been reserved for them and they promise to do some rooting that will open the eyes of football enthusiasts.

FRESHMAN ORGANIZE.

In spite of the discouragements and prophecies of failure the Freshman class stands with the best organization that the Freshman class has had in years. The officers of the class are as follows: President, B. G. Gewis; Vice President, C. Lefler; Secretary, Ruth Bryan; Treasurer, T. K. Beers; Sergeant-at-arms, L. Turner.

The Freshman will give their "Hop" at Walsh hall, Friday evening, November 22. They are making big preparations and a good time is assured everyone that attends. The hop will be informal.

body yesterday at the convocation hour. She spoke in the main on the question of the rights and privileges of women and touched upon co-education in the course of her remarks. Mrs. Catt is a speaker of great fluency and has a bearing that is exceedingly pleasing to an audience. She was listened to with the closest attention. She has a subtle vein of humor that runs through her discourse and renders it unusually interesting.

Mrs. Catt expressed her appreciation of the honor of addressing the students. She paid a high compliment to the University and said that the reason it ranked so high was because of the men behind it. She also expressed pleasure at being at the University because it has on its faculty the man to whom she felt indebted for the most of her education. She referred to Dr. Bessey. She said he had done more for her education than any body else.

"I don't know whether Dr. Bessey is a woman suffragist or not," she said, "but if he isn't, he is not carrying out his ideas to a just and legal conclusion."
