Dr. Ketchum, oculist; glasses fitted.

Get an up-to-date university hair-cut at Westerfields.

For sheet music and supplies go to the Mathews Piano Co., 1120 O street.

Wanted a university student to solicit club members for Weber suitorium.

Gustaf A. Pearson has returned to the university to continue the work begun last year.

J. S. Smoyer was at the university this week greeting old friends before he sails for the Philippines.

Canfield's "The College Student and His Problems" at The Co-Op. Every student should read it.

You will find all second semester books and other supplies at Brown Drug and Book Co., 127 So. 11th st.

The constellations of the sky.  
May charm a poet's soul.  
But if you want a dazzling sight  
Burn Hutchins and Hyatt's coal.

Bertha Pinkerton, '96, who has been the assistant principal at Elmwood for two years, has been elected to the principalship to succeed W. R. Boose, resigned. Fred Nielsen, '01, has accepted the position of assistant principal.

## A CORRECTION.

Through an error, the name of Miss Katherine Thomas did not appear in the list of last year's initiates of Omega Psi published in yesterday's Nebraskan.

Dr. Woodward oculist, Richards blk.

## RATES TO TORONTO.

Word has been received from the travelling passenger agent of the Grand Trunk Line saying that this line will offer a round trip rate of \$12.-40 from Chicago to Toronto to those who desire to attend the convention to be held at the latter place from Feb. 26 to March 2. The rate is open on the 23, 24 and 25 with March 5 as the return limit. It is expected that one and one-third fare rates will be secured from Lincoln to Chicago.

## Friday Charter Day Exercises.

Dr. Woodward oculist, Richards blk.

## Y. W. C. A. NOTES.

Noonday services will be held daily at 12:20 in the Y. W. C. A. rooms.

Miss Wildy, the new Y. W. C. A. secretary, may be found at the association rooms every day from 3 to 4 o'clock.

Gospel services will be held in the Y. W. C. A. rooms Sunday at 4 pm. Miss Wildy will lead the meeting and an interesting service is looked for.

Miss Henderson, secretary of the association last year, but now doing similar work at Illinois University, has favored some of her Nebraska friends with a beautiful calendar gotten out by Y. W. C. A. of that institution.

The Y. W. C. A. held a cabinet meeting yesterday afternoon and decided to send delegates to the convention to be held at Toronto. Besides the regular delegates, it is expected that a number of others will attend the great convention.

## ENGINEERING NOTES.

F. T. Darrow, a former B & M engineer visited Messrs. Clinton and Kallach at the headquarters of the civil engineering department.

W. H. Wolfe, '99, has returned to take some special work in mechanical engineering. During the past season, Wolfe has been chemist in a beet-sugar factory at Lyons, N. Y.

There is some dissatisfaction among the engineering students with the new student directory. According to it all the members of the Engineering Society are "electrical engineers" thus apparently indicating that electricity is the only branch of engineering that receives any consideration here. By an analogous error in a department which the management of the directory has considered more worthy of representation, all the Delians and Unions might be rated as Palladians.

## GIRLS' CARNIVAL.

The girls' Athletic Carnival at the Auditorium tonight will be worthy of patronage. The club-women are helping it by their influence and presence. The following are patronesses: Mesdames Savage, Winnett, W. K. Fowler, Callen Thompson, H. H. Wilson, A. W. Field, F. J. Stevens, Gere, Bryan, Wharton, W. G. L. Taylor, Bushnell, Lucky and Miss Sara Harris. The classes are very enthusiastic in supporting their representatives, and the rivalry is intense. The Fitzgerald Dry Goods Co., furnishes a trophy for the winning basketball team, and the Herpoishelmer Co., gives the treat to the classes selling the most tickets. The high school alumni should come back and shout for their successors.

DU TEIL—Cigars "that's all."

Of course you'll have to keep your room warm this winter
