THREE CENTS

JUNIOR ELECTION.

S. E. Black Chosen President After a Spirited Contest—Urges Unity in All Class Enterprises.

S. E. Black was elected president of the junior class yesterday after a short but somewhat exciting contest.

The work was done almost entirely before the class came together. Three candidates were in the field but one withdrew before the meeting was called leaving the contest to S. E. Black and J. D. Barry.

The first ballot was sufficient to decide the election. Mr. Black receiving 49 votes to Mr. Barry's 39.

The ballot for first vice president resulted in the choice of A. W. Gilbert.

George Shidler was chosen second vice president by a unanimous vote.

For secretary there were three candidates. The first ballot resulted as follows: Miss Grimison, 32; Miss Maxwell, 25; Miss Bednar, 23.

Before the second ballot was taken Miss Maxwell withdrew in favor of Miss Grimison. The second ballot resulted in the choice of Miss Grimison by a vote of 44 to 30.

For treasurer Miss Maguire was unanimously chosen. H. G. Strayer was elected sergeant-at-arms.

Mr. Black in his inaugural address urged upon the class the necessity of unity in all class enterprises and promised to conduct his official duties without regard to any faction or clique.

SENIOR LAWS ELECT.

After a spirited contest well interspersed with parliamentary wrangles and noise particularly characteristic of the law classes, the senior laws succeeded in electing F. A. Sutter President. As usual there was no dearth of candidates for the exalted position of chief mogul of the senior barristers. The average law student believes in putting into practice while in school those principles which he must use when he enters the legal arena. Therefore no one gets a place without showing good reason for his aspiration and then putting up a fight for it.

Thus in yesterday's contest the candidates for the presidency composed a large part of the voting class. Some fell by the wayside early in the day but the following were especially strong: Messrs. Sutter, DeKalb, Starr, and Fuller. After eight ballots had been taken Mr. Sutter was declared elected. At the closing class time the further election was interrupted.

SENIOR-SOPHOMORE GAME.

A great deal of interest is being shown in the coming game between the senior and sophomore basket ball teams which is to take place on Friday afternoon at 4 o'clock. Both

teams are in excellent condition and promise to put up a stubborn fight for the honor. The following will play on the senior team either as regulars or substitutes: Messrs. Tobie, Dudley, Thomas (captain), Swallow, Kellogg, Nielson, Morrill, Teach and Rose.

The following will play on the sophomore team: Messrs. Myers, Anderson, McCutcheon, Newton, Manning and Elliot.

While it is probable that these men will be permitted to play yet it is thought that an attempt will be made to disqualify men on both teams.

THE BAND AT CONVOCATION.

The regular convocation period yesterday morning was taken up with a special musical program consisting of two productions by the university cadet band and a vocal solo by Miss Robinson. The music was of strictly high grade and was enthusiastically received by the students. To many of them the appearance of the band in a special program yesterday was the first opportunity they have had of judging its strength. That it made a very favorable impression was evidenced by the hearty applause which it received. Owing to the lack of time, however, it was unable to respond to these encores.

Y.M.C.A. SECOND TEAM WINS FROM FRESHMEN.

A spirited game of basket ball was played in the armory last night between the freshmen and the city Y.M.C.A. second team. In the first half of the game the freshmen had things their own way and it seemed as though they were going to show the visitors how the game was played, the score standing 13 to 4 in favor of them at the close of the first half.

With the beginning of the second half three new men were substituted on the freshman team which seemed to weaken it considerably. At any rate the Y. M. C. A. boys succeeded in raising their final score to 23 while the freshmen could only add 20 points to their credit.

The following men played on the freshman team: Lehmer (captain), Beers, Hoard, Hankins and McDonald. The Y.M.C.A. team was composed of Burgess, Bentley, Beebe, (captain) Armstrong and Wilhelms.

As delegates for the Y.W.C.A. to the quadrennial convention to be held at Toronto at the close of this month, the following young ladies will go: Misses Emma Shinbur, Jessie Moore, May Thomas and Jessie Holly. The delegates from the Y.M.C.A. are: A. W. Billing, Russell Moore, Elmer Turner, C. C. North, and Sam Anderson.

AN EXPLANATION FROM PENN

Manager Engel has received an explanation from Manager Evans of Pennsylvania, of the story recently published in eastern papers that Nebraska has asked for games with several eastern teams, among them Pennsylvania.

Mr. Evans says: "Your letter of the 2nd inst. in regard to an article which appeared some time ago in one of the Philadelphia papers, has just been received. The story was made up out of the whole cloth, as a good many such stories are in our papers, but I think I can explain its origin.

Some time ago I received a letter from Mr. Booth, your director of athletics, in regard to the awarding of our Varsity letter. Some college newspaper reporter, probably seeing the letter lying in the box, with "Director of Athletics, University of Nebraska" on the envelope, made up from this slight foundation the story to which you refer.

I am sorry if a rumor that you wished to play Pennsylvania has caused you any annoyance, but we cannot be responsible for the news which our papers see fit to print. I assure you that the story had no other source than that which I have mentioned."

JOINT SOCIETY PARTY.

The Delian, Union and Padian literary societies will give their annual "Joint Party" at Walsh hall, Friday evening, February 21. Each of the societies have appointed a committee of three members to arrange the event. The joint committee has organized with C. E. Teach as chairman. The other members of the committee are: Messrs. Stull, Morrill and James, and Misses Youngers, Shinbur, Candit, Maguire and Holly. Mr. Fred Morrill will act as master of ceremonies.

Entertainment will be provided suitable for all who may come. Dancing, music and games of various kinds have been arranged for. An orchestra will furnish music during the evening.

The party will be chaperoned by several of the prominent resident alumni of the three societies. It is intended to make this the social event of the year in literary society circles.

At yesterday's session of the senior law class it was expected that the instructor in charge would take some steps to ascertain the identity of the student who recently sent him an anonymous note offering some free advice as to the best method of conducting a class. However nothing was done and it is probable that it will be ignored entirely. The note referred to was delivered to the instructor by a messenger boy who, it is said, received it from a law student. It contained such advice as would naturally be expected to come from one who had failed to keep up with the work of the class and was desirous of getting an opportunity to catch up.
