G. A. LOVELAND,
Section Director.

The Mandolin and Glee club of Minnesota gave a very successful entertainment on Friday evening. The program was varied and the audience was a representative crowd which supported the organization.

During the recent heavy snow storms the clock in the tower of College hall of the University of Pennsylvania stopped for the first time in twenty-eight years. The rain and sleet which froze upon the hands caused the clock to break its brilliant record.

The seniors of Wisconsin are now busily discussing the memorial they shall leave at the university on their departure this summer. The prevalent opinion is for a fountain.

ON

"Tumble Weeds."

"Tumble Weeds" is a collection of original poems by Will Reed Dunroy, the author of "Corn Tassels." While some of these poems have special reference to western life, most of them are upon themes as broad as humanity, and they give evidence of an unusual degree of poetic talent in the author. —W. J. BRYAN, in the Commoner.

At all good bookstores or of the University Publishing Co., Lincoln, Nebraska, \$1.00, postage prepaid.
