Dwight Pierce of the entomology department left for his home at Omaha last week. He will be gone until after the spring vacation.

Mr. Ellis of Panama spent Wednesday with his son, O. A. Ellis. While here Mr. Ellis visited several departments of the university.

A new case for the charts and maps belonging to the department of botany has been put into the botanical lecture room in Nebraska hall.

Two packets of dried plants for the herbarium were received by the botany department recently. They include specimens of mosses and fungi.

Mr. Cushman of the engineering department is experimenting on a direct current dynamo without a commutator. The machine has been built entirely in the shops.

The physics department has employed Mr. Beebe as a permanent storekeeper. He will be on duty all day and will have charge of supplies and care of apparatus. Heretofore the position was filled by student assistants.

P. J. O'Gara of the senior class has built a modification of the "whirling psychrometer" as devised by John Fossler, which is pronounced to be a great improvement over the original machine. It is to be used in the department of botany.

Wirrick sells suit cases; 1036 O St.

Subjects for semester papers have been assigned to the students of American history 18.

Ernst A. Bessey, '96, has sent a packet of seeds of a rare Florida plant to be planted in the greenhouse.

Mr. Tuckermann, who was called to Ohio a short time ago by the death of his father, will return this week.

J. C. McReynolds, superintendent of the Arapahoe city schools, was visiting at the university last Saturday.

Young men are bound to think of style, and in such an event their minds should turn to Paine's Clothing Store.

Sigma Chi initiated Cliff Le Roy of Fairbury, Raymond Gould of Omaha and Francis Ryan of Lincoln Saturday night.

The classes in American history 4 are at present studying the condition of the national bank during Jackson's administration.

The classes under Professors Randolph and Kirkpatrick will give a recital next Wednesday evening. The program will consist entirely of musical compositions.

The University of Michigan defeated Cornell Saturday night in a dual track meet, held at Ann Arbor. The score was 42½ to 29½. Michigan won five of the eight events.

From now on it is expected that recitals will be given every week by the graduates and postgraduates of the school of music. It is probable that one will be given every Wednesday evening.

W. J. Bryan has placed, temporarily, in the university art rooms two portraits of himself and wife. They are a large water color and an oil painting by Mr. Clarkson of Chicago and are a valuable addition to the art rooms.

Thursday evening Mrs. Dean of the Latin department talked to the members of the Latin club on the "Life and Customs of the Romans." An unusual amount of interest is being shown by the members of this club. The next meeting will be held at the house of Dr. and Mrs. Bessey.
