HIGH HORN BASIN.

Are you interested in the Big Horn Basin of Wyoming?

It's a rich but undeveloped portion of northwestern Wyoming. It contains marvellous openings for small ranches along good streams in the valleys, with one million acres of government land open to settlement under the United States land laws.

The Burlington Route has just published a folder descriptive of the Big Horn Basin. It is illustrated and contains an accurate map. It tells about the lay of the land, character of the soil, products, yield, irrigation and opportunities.

If you're interested, better write for a copy. It's free. J. FRANCIS, General Passenger Agent, Omaha, Neb.

IF GOING ABROAD, WRITE WARD BROTHERS, General Steamship Agents. Long personal touring experience, 238 South Clark St. Chicago, Ill.
