An article appeared in yesterday's  
State Journal, written by J. F. Boomer,  
'99, on board the transport McCul-  
lough, en route to the Philippines, con-  
veying a large party of American  
teachers for the schools of those is-  
lands. Mr. Boomer writes at some  
length and in a very interesting way  
of the Gibraltar fortress and of the  
surroundings about the rock. He  
makes some very interesting compar-  
isons of the Spanish and English towns  
and speaks at length of the sociologi-  
cal features of the Spanish life as he  
saw it on the border line of Spain it-  
self.

The last of the intersociety basket-  
ball games was played last Friday  
evening between the Unions and the  
Palladians. The final score stood 16 to  
10 in favor of the Unions, who may  
now lay claim to the second place in  
the championship contest. The Delian  
society has for the two past seasons  
held the championship. The contest  
last Friday evening was spirited from  
beginning to end. At the close of the  
first half the score stood 3 to 0 in favor  
of the Unions. In the second half the  
Pals took a firm stand and succeeded  
in scoring 10 against their rival, yet  
not enough to win the game.

MONEY TO STUDENTS

Students desiring good, profitable work for  
the summer, or, as their time permits, during  
the college year, should write us at once for a  
Good Housekeeping agency proposition. The  
magazine is of the highest quality (though only  
\$1.00 a year) and, as we are determined to dou-  
ble our list (now 85,000) in the next nine months,  
we are giving good men and women an exceed-  
ingly liberal commission. Our only requirement  
is satisfactory references as to the applicant's  
legitimacy.

**\$30 A WEEK** is a fair sum for an en-  
ergetic man or woman  
to make. We will send full particulars to all in-  
terested. If when applying The Daily Nebraskan  
is mentioned. There is no limit to the number  
of men and women we can employ, as we cover  
the whole country, particularly in cities of from  
10,000 to 50,000. There is a further chance of fu-  
ture permanent salaried position to those who  
show special merit in this line of our work.
