There seems to be a large demand for science teachers throughout the state this year. Students who intend to teach in this line next year are requested to leave their names at the recorder's office.

John L. Sheldon is finishing a paper for the division of plant pathology in Washington on the subject of the rusts which affect some of the plants of this region. This was the subject of Mr. Sheldon's thesis last year.

A. T. Strahorn, '01, has just received an appointment as soil analyst in the U. S. department of agriculture. He left yesterday over the Rock Island for Washington. From there he expects to be sent to North Carolina.

That Coach Booth's fame is not confined to the city of Lincoln is well shown by the following from the West Point Republican: "The news that Walter C. Booth, the great coach of the state university and once famous Princeton football player, will visit the local high school in the course of a week will be received with joy by its athletically inclined members."

Of course you'll have to keep your room warm this winter
