The class in irrigation went to Crete Friday to gain some practical experience in the field. They gauged the Blue river at that point and returned Friday afternoon without having suffered any serious mishap. One of the members of the class went swimming.

Three of the four men who returned as members of the cadet battalion on the arrival of Captain Smoke were given promotions Friday evening from the ranks to the positions of sergeants. Privates E. P. Walton and Robt. Hill were assigned to company D, and Amos Thomas was placed in company B. Private Pollard had his military record made clear of the charge of conduct unbecoming an officer, entered against him by the previous commandant. These promotions were made following a line of action which the new commandant has been contemplating in regard to the filling of vacancies among the officers by the older drilled men.

MISSOURI DEFEATS KANSAS.

The annual debate between Missouri and Kansas, which took place at Lawrence, Kan., Friday night, was won by Missouri. The question was the same general question which Nebraska and Missouri debate May 9—municipal ownership. Missouri furthermore had the affirmative—the same side she has against Nebraska.

TEAM TO LEAVE FOR MINNEAPOLIS.

The baseball team will leave for Minneapolis tomorrow at 1:30. On the way northward they will take time to play games at Cedar Rapids Wednesday and Decorah Thursday. Two games will be played at Minneapolis on Friday and Saturday.

THE WEATHER.

Yesterday was an unusually hot day. The thermometer on Nebraska hall started the day at 6 a. m. at 55 degrees above zero. At that time the mercury began to rise until at 5:30 in the afternoon it stood at the high water mark and registered 95 degrees. This is 22 degrees above the normal.

NEBRASKA-MISSOURI DEBATE.

For the Nebraska-Missouri debate at Columbia, May 8, arrangements are fast being concluded, and Craft, Meier, North and Lee are getting into shape. The debate has been changed from Friday, May 9, to Thursday night, at Missouri's request.

Word comes from Columbia that the Missourians, flushed with victory over Kansas on the municipal ownership question, confidently expect to overwhelm Nebraska again.

Chancellor Andrews has, according to the rules, submitted to Missouri a list of four judges who he thinks would be capable judges of a discussion on the municipalization question and who would be satisfactory to Missouri. Missouri is to choose two of the four. Missouri's list from which Nebraska is to choose the third has not yet arrived.

Say Croker Will Return.

It has been declared over and over that Richard Croker has expatriated himself for good, but officials of the New York Democratic Club say that the ex-Tammany boss will return in September and will take a hand in the fall campaign as usual.

"The Girls' Letter Guild" is the name of a unique reform movement in England. Women of culture pledge themselves to write letters of friendly tone to the girls of the lower classes, to aid in their mental and moral uplifting. The object is to win the girls' friendship, encourage them and disabuse them of false notions and class prejudices. Good results are said to be already noticeable and it is suggested that successful men be asked to do the same thing for boys.
