ATHLETIC BOARD ELECTION.

The athletic board election passed off very quietly last Wednesday, yet five good men were elected. Owing to the very inclement weather the "stay at home vote" was very large. But 192 votes, three of which were thrown out, were cast at the polls.

The election this year was characterized by far less activity than was manifested at and before last year's contest. This no doubt accounts in part for the decreased vote.

After the votes had been counted the following men were declared elected: Tobin, Ringer, Rhodes, Hewitt and Bender. All these men are competent to fill the positions to which they have been elected, with credit to themselves and the university. All of them have been very active in athletics. Three of them, Tobin, Ringer and Bender, are football players with enviable records, while Rhodes has won distinction in baseball. Bender too, is one of the strongest men on the baseball team. Hewitt, while not taking active part in either of these sports, has always been and active and enthusiastic worker in track athletics where he now ranks among the leaders. With such a representative athletic board there is every reason to feel that the athletic interests will be well cared for. The vote for the successful candidates was as follows:

Tobin	161
Ringer	127
Rhodes	125
Hewitt	119
Bender	117
