THREE CENTS

CHAMPIONS RETURN

Successful Tour of Illinois, Indiana, Missouri and Kansas.—Win Nine Out of the Twelve Games.

Captain J. Hayes Bell and his band of hardy warriors returned yesterday morning with their belts loaded with bloody scalps, after successfully maintaining the reputation of the scarlet and cream for over two weeks. Never before in the history of the University of Nebraska has a baseball team of like merit been sent out from the university, and the fans may well be proud of the work done by Bell, Hood, Rhodes, Gaines, Townsend, Letheby, De Putron, Bender, Doane, Cortelyou and Raymond.

Every man did his work well, as a look at the score card will testify. Iowa, Purdue, Missouri and Kansas have all forcibly realized that the cornhuskers can play ball.

Bender did the work behind the bat on every occasion, with the exception of the Highland Park game, where he arrived too late to get into all the game. The "flying Dutchman" is a terror, when rigged up in his paraphernalia and he certainly can hold on to the ball when it comes his way. Letheby and Gaines pitched most of the games, and showed some of the easterners a few things about twirling the ball that they never dreamed of. Townsend had hard luck in the Northwestern game and did not receive the support due him. His work at second and in right field was beyond reproach and a pretty four-bagger in the St. Marys game started the work for the bell-ringers, and scored four for Nebraska. Hood at third was up to his usual standard and gave a few surprise parties to many a man hitting out in his direction. "Bonnet" can play ball and his throw to first is a phenomenon.

In the field De Putron played his usual ball all through the trip, and caught everything coming his way. "Jimmie" Bell established a reputation as a batter, and his work in left field was beyond reproach. "Dusty" Rhodes' work at short is too well and favorably known to need other mention. Dusty is a wonder, and hangs on to everything. Doane was laid out in the first game with a cracked thumb and was barred from other work behind the bat. His work in right field was good. Cortelyou played good ball and got into the games with his usual spirit. Raymond played first as usual and with the exception of a wild throw in the Kansas game, played good ball. The following games were played during the trip:

Highland Park 1, Nebraska 6.
Iowa 2, Nebraska 7.
Knox 0, Nebraska 10.
Northwestern 11, Nebraska 3.

Purdue 5, Nebraska 8.
Notre Dame 2, Nebraska 0.
Missouri 1, Nebraska 5.
Kansas 5, Nebraska 3.
Kansas 0, Nebraska 6.
Washburn 3, Nebraska 12.
St. Marys 2, Nebraska 7.
Manhattan 6, Nebraska 15.

The next game on the home grounds will be played Wednesday afternoon with Highland Park.

MANHATTAN AND ST. MARYS DEFEATED.

The Kansas supper bells pealed very dolefully last Saturday night. Two of her favored college teams had fallen victims to the invincible cornhuskers and the sorrow in Manhattan and St. Marys is too deep for words to relate. Seven to two are the words which ring with such mournful tone at the latter place, while fifteen to six bespeak the agonies of the Manhattaners.

Letheby began after breakfast exercise by twirling the ball so fast that the men from St. Marys did not know whether they had had coffee or a somewhat developed product of Kansas corn for breakfast, so mysterious was the flight of the sphere in its passage from the box to Bender. The game was nevertheless an interesting one, though at no time was there anything to fear from the opponents. Letheby was given excellent support throughout the game, though one of the scores which St. Marys got was due to an error. Letheby, Bender and Gaines played star ball throughout, while McInnery for St. Marys did great work. The score by innings was:

	1	2	3	4	5	6	7	8	9	Total
Nebraska	0	2	0	0	1	1	0	3	—	7
St. Marys	0	0	0	0	0	1	1	0	—	2

Not at all wearied by the morning's game, the Bell men arrived at Manhattan, where the ball was at once set in motion. Townsend was a little unsteady in the beginning and no small amount of slugging was done. In the first two innings the score stood four to naught in favor of the Manhattaners, but Nebraska then began to play ball and brought in six scores in the third, which gave them a safe lead. Townsend then held the men to two scores in the following innings, while Nebraska scored nine more, making the final score fifteen to six.

Hess, who used to twirl the ball for Kansas university, acted in the same capacity in this game, but was not hard to find after the first two innings. The score by innings was:

	1	2	3	4	5	6	7	8	9	Total
Manhattan	3	1	0	0	0	1	0	1	—	6
Nebraska	0	0	6	0	1	0	6	1	—	15

Chicago university defeated the University of Michigan track team Saturday by a score of 65 to 61. The contest was very close throughout. Both colleges scored seven firsts and seven seconds. The result was decided by Chicago getting nine thirds to Michigan's five.

COMPANY D WINS

Annual Competitive Drill Draws Out an Unusually Large Crowd.—Davidson and Shorey Win Medals.

Over two thousand people witnessed the annual competitive drill between the companies of the cadet battalion Friday afternoon. The decision of the judges gave the Omaha cup and colors to company D, under command of Captain A. K. Barnes, for executing the prescribed movements in the most acceptable manner. The judges were Lieutenant Evans of the artillery service and Lieutenants Parrott and Goodale of the Twenty-second infantry. Company C was given second place and companies B and A third and fourth places, respectively.

The individual contest was won by Sergeant R. B. Davidson and Corporal C. E. Shorey was awarded the silver medal.

The interest of the afternoon centered in the company competitive. Long before the first company marched out on the field the grandstand was filled and the bleachers were uncomfortably crowded. The audience was very enthusiastic and repeatedly applauded movements of exceptional merit. The university band discoursed martial music before the drill began and between companies. A wagon prettily decorated with A colors and filled with feminine admirers of company A added to the attractiveness of the scene. The young ladies in the wagon were: Misses Whiting, Montgomery, Casebeer, Deweese, Walker, Pearl Archibald, Meyer, Garton, Shepherd, Funke, Wilson, Harper, States, Dumont, Shedd, Jennie Piper, Chadwick and Loomis. The young men of company A who were hosts on this occasion were: Messrs. Crooks, Davis, Pollard, Sheldon, Forsyth, Lundin, Wilson, Hall, Dierks, Raymond, Groff, Buckley, Morrison, Dumont, Southwick, McGeehin, Montgomery and Loomis. Mrs. Smoke and Mrs. Evans acted as chaperones.

After the decision of the judges was given the battalion formed in a hollow square and the winners received the prizes. They were presented by Misses Cady, Wolgamot, Honeywell, Wilson, Montgomery, Garten and Shepard. Captain Hall was the recipient of a sword, the gift of the men of company A.

The celebration which was held Friday night by the company was one of the most orderly affairs of its kind ever held. The company marched about the streets, but nothing was done to interfere in any way with the personal or property rights of any one. Saturday the walks of the city about the university were liberally decorated with large Ds in commemoration of the victory.

TRACK TEAM DEFEATS DOANE.

Doane and the university were the only institutions represented in the track meet held Saturday on the campus. The university athletes won the meet by a score of 68 to 40. Hastings college sent several men to Lincoln, but they did not formally enter the contest. They were allowed to contest in the hammer throw and the shot-put, but were not given places.

In three events the records were smashed. States did the 880 yard run in 2 minutes 61-5 seconds. In the high jump Fuhrer raised the record he made in the Doane meet to 5 feet 11 inches. Kellogg made the pole vault at 10 feet 7 inches, which is two inches better than his former record. The general work of the university team was good and deserves commendation. Gaines came in from the baseball trip in time to enter the contest, and although not in training, did some good work, especially in the jumps.

Five institutions are in the state association, but only three of these had representatives in Lincoln Saturday. York and Wesleyan did not enter.

The victory of the university prevents the trophy from going to Doane permanently. The Doane team won last year and a second victory this year would have made them owners of the trophy. Summaries:
