The University of Kansas is to have an alumni magazine, which is to be out some time this month. This is a vast undertaking, but once firmly established it will supply a want that is felt in every college and university.

Michigan has introduced an innovation in the way of special courses of study. They offer a course in the theory of annuities and insurance which will present a detailed account of the mathematical side of insurance.

Dr. John Gerig, who holds the position of professor of romance languages in the University of Nebraska, was visiting in Columbia last week. He has been spending the summer traveling in Europe, and assisting a noted professor in the preparation of a Spanish dictionary.—The M. S. U. Independent.

Edward Soderholm, of Omaha, arrived Tuesday to resume his work in the civil engineering department. He spent the summer in Howland county as a member of a Union Pacific surveying party.

Professor Bessey has been asked to formulate his ideas as to the best policy to be adopted by the trustees of the Carnegie Institute in order to promote science most effectively. Scientific men in different parts of the country have been asked to present their views for the benefit of the trustees, who are to make a decision sometime in November.

L. J. O'Gara, '02, of the department of botany, goes to Omaha on Thursday to read a paper on "Poisonous Plants" before the State Veterinary association. He has been at work during the summer on the poisonous plants of the state, and his results have attracted so much attention that the veterinarians wish to hear him speak on the subject.

The following notice appears in the Minnesota Daily: "Know ye little freshmen, little fellows afraid of your betters, that we the great and mighty '5s, hereby challenge you to a formal cane rush, to take place on Northrop field between the halves of the Ames football game, October 4th."

The wedding of Miss Flora Roberts and Mr. Eugene Odell Pace was solemnized on Monday evening at the home of the bride's sister, Mrs. C. W. Toevs, 2601 N street. Dr. Long, of the Second Presbyterian church, officiated. The home of Mrs. Toevs was prettily decorated in greenery and the room where the ceremony took place was lighted with candles. Only relatives and particular friends of the contracting parties were present.

The bride was attended by her sister, Miss Edith Roberts, and the groomsmen was Mr. Harry Landis, of Seward. The following young ladies, friends of the bride, were present, besides other guests: Misses Greer, Edna Gund, Josephine Poynter, Eola Auld, Elma Marsland, Agnes McLaughlin, and Albina Hoppe.

The bride is a member of Delta Delta Delta and has been in the university for the last year. The groom was formerly a student at the university, having received the degrees of B. A., M. A. and B. L. He was also a member of the Third Nebraska. He is at present practicing law at Whitehall, Mont.

George F. Miles, of the senior class, has been appointed "undergraduate assistant" in botany.

John R. Bender was initiated into Sigma Alpha Epsilon fraternity Tuesday night.

Miss Ruth Bryan will entertain the Delta Gammas at her home Thursday afternoon.

Adolph Shane, '01, is instructor in electrical engineering in Oklahoma college, Oklahoma.

Geo. P. Griffith, of Pawnee City, and M. S. Brown, of York, are taking post-graduate work in the university.

The roof of the greenhouse is being glazed preparatory to moving the more tender plants indoors.

Thus far there are forty-four post-graduates registered, eight of whom are candidates for doctor's degree.

The Young Ladies' club of the St. Paul's church will give a reception to the students of the university Friday evening in their club rooms.

A collection of fine calcite crystals has just been received at the museum from Mr. Kane, a mineralogist of Kansas City.

Professor Grumann has transferred his home from East Lincoln to South Lincoln. He is now residing at 1562 South Twentieth street.

On Friday evening, October 3, Professor Fossler will address the members of the College Settlement at their house, Twentieth and N streets.

The College Settlement board feels quite elated over the fact that they have secured Miss Stone, the returned missionary, to lecture at some future date.

Miss Winifred Hyde left Tuesday evening for Bryn Mawr, Pa., where she will attend school. She has accepted a fellowship in that institution.

Miss Ella Harper, '02, advanced student in domestic science, will teach that subject in the grades in Lincoln while continuing her work in the university.

Prof. O. V. P. Stout returned Tuesday from California, where he was engaged by the irrigation bureau of the United States geological survey. He was given a hearty welcome in his classes Wednesday.

The Morrill geological fund, now in the hands of the university treasurer, received an addition of \$40 last week from the sale of specimens prepared by Miss Webster of the department of geology.

When last heard from Ernest Bessey, '96, was at the city of Tashkent, in Turkestan. By this time he is probably about ready to begin his return journey to Europe, where he intends to enter the University of Halle for a couple of years of botanical study.

The new class in the "Study of Woods" was organized on Tuesday at 10:30 a. m., at which hour the lectures will be given during the semester. Four students have registered for the work, which is quite encouraging when it is remembered that this is a senior study in the new forestry group.
