TEAM TRAVELS WEST

Varsity Squad Leaves for Boulder —Booth and Palmer Go Along—Cortelyou Returned.

The football team left at 6 o'clock last evening over the Burlington for Boulder. Transportation for the team was sent from Denver and did not arrive until 11 o'clock yesterday morning. Manager Engle was uncertain of what to expect. It was even feared that the transportation would arrive too late for the team to go at all.

All hopes for a rate at the eleventh hour were given up Wednesday and the team left unattended by supporters. A squad of fifteen men makes the trip under the guardianship of Manager Engle and Coaches Booth and Palmer. The train which carried the team is the Denver flier and makes only a few stops between here and Denver, arriving there at 7 o'clock this morning. After a rest of an hour and five minutes the remainder of the trip will be made on the Colorado & Southern. The team will arrive at Boulder at 9:30 this morning, and will have a day and a half to rest up and become accustomed to conditions. The game, which will be played Saturday, is the most important on Colorado's schedule, and excursions will be run from all the important points around Boulder.

Spencer Cortelyou arrived in the city yesterday morning and went into practice last night. "Cort" has been traveling since Monday and consequently was in no condition to accompany the team. Hewitt, who has been trying for half has gone out of practice and will not play any more this season.

Northwestern Has Trouble.

There is trouble in the football camp of Northwestern University, and a number of the strongest players threaten to leave. For several seasons football has not been paying expenses and it was decided to have the games with Purdue and Illinois at Westside Park instead of Sheppard field at the university. By this change they hoped to get a larger down town patronage and thereby avert the usual deficiency. Now many of the faculty and officers of the university are raising a howl against taking the games from the university grounds. The matter still remains unsettled.

Palladian Program.

The Palladian Literary society meets Friday evening in Palladian hall. The following program will be rendered:
Instrumental Solo—Miss Brenizer.
Paper—G. M. Hamilton.
Talk—Mr. Bruner.
Music—Miss Shinbur.
Reading—Selected, S. Anderson.
Reading—"Pikes Peak or Bust," Miss Phelps.

Pan-Hellenic Meeting.

A meeting of all the fraternities will be held at the Delta Upsilon house on Saturday evening at 8 o'clock. A permanent organization will be formed. The matter of arranging for a fraternity football team to go to the Minnesota football game will be taken up for consideration.

Assurances have been made that a rate could be obtained for such a crowd. It is estimated about 200 would go, not counting the sororities, who may become interested in the matter. Each fraternity is entitled to send two delegates to this called meeting.

Junior Class Election.

The Junior class met yesterday for the purpose of electing officers. It was an enthusiastic body of more than a hundred, almost half of them ladies, that met in the old chapel.

A. I. Myers was nominated for the presidency by John Tobin, and Ernest Allen placed in nomination Louis P. Hewitt. A ballot was prepared and the vote stood 78 to 41 in favor of Mr. Myers.

Mr. Myers was called on for a speech and he responded with stirring words. He expressed his appreciation of the honors of the office and his desire to be a competent executive. He announced himself an athletic enthusiast and said he was in favor of the adoption of a set of rules which should govern inter-class athletics and thus avoid disputes as to holding the championship. He would do everything possible to secure the adoption of such a set of rules. His words were greeted with a storm of applause.

The assembly then proceeded with the election. Miss Elsie Piper was unanimously elected vice-president. Miss Erford, Mr. Fleming, Miss McCutchen and Miss Livesay were nominated for secretary, but the vote was not taken as the half hour was past, and a motion to adjourn was carried. The class will meet today at 10 o'clock in Palladian hall.

Nebraska Man Recognized.

In a recent German periodical (Botanische Jahrbuecher) Professor Engler, the eminent German botanist, praises the collection of plants made by Dr. Clements in Colorado. He speaks of it as "extraordinarily instructive," and recommends it as a pattern for other botanists. "With these specimens," he says, "one is able to obtain an altogether excellent notion of the character of the vegetation of Colorado." Such praise from this source is very gratifying to Dr. Clements' friends, since it is well known that foreign scientific men are not much given to recognizing the work of Americans.

Clifton Carter, '02, is visiting friends in the city.

All the language classes are being pushed as fast as possible into conversational work, especially in German and French.

PERSHING'S ELECTION

University Crack Company Elects Officers for Coming Year —Much Excitement in Politics.

After one of the most exciting campaigns in the history of the university the Pershing Rifles elected their officers last night, both civil and military for the ensuing year. The meeting was called to order by President Crooks at 7:30 sharp, and business was immediately taken up.

As most of the interest rested in the military officers, the civil elections were hastened through rapidly. The following were elected: President, Chas. Bliss; vice-president, Robert Noyes; secretary, Linn Huntington; treasurer, E. Spafford.

With the nomination of military candidates the excitement began. Three men were in the field for captain, R. Pollard, C. Crooks and A. W. Hull. The latter was captain last year. The ballot resulted in the election of Hull and excitement ran high. Two complete tickets had been in the field and this gave an idea of how things would run.

For first lieutenant J. F. Farney and R. C. Pollard were nominated, the former gaining the election.

W. R. McGeachin was unanimously elected second lieutenant.

Two candidates were in the field for the 1st sergeancy, Messrs. Ritchie and Harris. The latter won. R. J. Mansfield was elected quartermaster sergeant.

The other sergeancies ran as follows: 2d, D. McCutcheon, 3d, Jacob Kanvler, 4th, W. G. B. Kimball, 5th, C. Phillips. The corporals will be appointed after the next few drills by the captain.

Vocal Solo—Selected, Miss Loucks.

Revised Tennis Dues.

The Tennis association met Thursday at 1 o'clock p. m., for the purpose of amending the constitution in regard to the admission of new members. As it now stands new members may be taken in either at the beginning of the fall or spring seasons. The dues were changed from \$1.50, payable in the spring to \$2, one-half payable each season. An additional fee of 50 cents will be charged new members. The tournament drawing will be held Friday at 1 o'clock on the campus courts, and played off as soon as possible.

Refuses Salary Increase.

The Board of Regents at their June session increased the salary of Chancellor Andrews from \$5,000 to \$6,000. The extra \$1,000 has been refused by the Chancellor, with the implied statement that with the financial condition of the university he feels it not for him to add another burden to the present ones.

It will be remembered that Chancellor Andrews was offered a like position at Wisconsin at a larger salary. However, he refused, stating he felt a larger field lay before him in Nebraska and that he was needed more here. At the time a mass meeting of students and faculty succeeded in making good an increase over the then existing salary. However, this was not pushed. The Regents then endeavored to increase the salary of the Chancellor to a figure more closely agreeing with those of other large institutions.

The following letter was sent to the Board of Regents by Chancellor Andrews at their last meeting, and is self-explanatory:

"To the Honorable Board of Regents of the State University—Gentlemen: While deeply sensible of your kindness in recently advancing my salary and believing that the new figure is not greater than a Chancellor of this university ought to earn and receive, I am unwilling, so long as the university is compelled to the rigid economy it now exercises, to accept for my services any higher remuneration than I have hitherto had, and therefore beg permission to continue for the present to be paid at the old rate. Very respectfully yours,

"E. BENJAMIN ANDREWS,
"Chancellor."

This is another one of the instances in the life time of Dr. Andrews that he has made some personal sacrifice for reasons higher than selfish motives. Chancellor Andrews displays to a greater degree than ever his effort to do what he believes to be right.

University People Wed.

The wedding of Miss May C. Whiting and Mr. Hans Theodore Westermann was solemnized Wednesday night at 8 o'clock at the First Baptist church. Dr. H. O. Rowlands, pastor and Chancellor Andrews officiated.

The church was delightfully decorated with greenery and was well filled with guests. It is said to have been one of the prettiest weddings in Lincoln for some time. The bride was attended by her sister, Miss Adelloyd Whiting, and the groom by Mr. Fred C. Williams, both being graduates of the university.

The dresses of the bride and maid were creations of beauty and the one of the bride was especially elaborate. Two rings were used in the ceremony. The sorority sisters of the bride were seated in a party near the front of the church.

The bride is a member of the Kappa Kappa Gamma sorority and is grand president of the national organization.
