Prof. Fogg, who has been confined to his house since last Wednesday with an attack of the grip, is not yet able to meet his classes. It is expected that he will be at the university by Thursday.

W. S. Paine, a former student, is farming in the western part of the state.

Nothing is too good for you at The New Century, 1123 N street. We print for Students..

The engineering society will meet next Wednesday night for the purpose of electing officers.

Professor Robbins has returned to the city and is conducting his class in contracts again.

R. C. Pollard has returned to resume his studies, after a continued absence of two weeks.

Sam Anderson has been filling a vacancy in a pulpit at Germantown for the past two months.

Misses Edith Robbins and Laura Woodford visited Miss Jane Douglas at St. Joseph last week.

Professor Barbour has donated to the university greenhouse a number of cannas from his own collection.

Mrs. T. F. A. Williams, of the American history seminar, is president of the history department of the Woman's club.

J. C. Stevens of the civil engineering department has been doing hydrographical work in Iowa for the past week.

Professor Starr says he makes more enemies by choosing the best voices than by any other means he can now recall.

Laura Woodford and Edith Robbins were Theta representatives at the Nebraska-Missouri game at St. Joseph Saturday.

The Y. M. C. A. is endeavoring to increase its membership. The work is bringing good results, for new men are joining every day.

Lucian Marsh, '01, is attending the Y. M. C. A. international training school at Springfield, Mass. He was president of the association here during his senior year.

There is in the greenhouse a cactus, ordinarily of an earthy grayish-red color which changes to a very bright red when water is poured on it. It was presented by Mr. Yoder, a student, and brought from the Arizona desert. It is a rare curiosity.

Eight new arc lights have been received by the electrical engineering department.

Our line of stationery just in. The new effects in holiday lines. Harry Porter, 125 South Twelfth.

Miss Edith Locke will entertain a party of Omaha people who are coming down to the game Saturday.

The Freshmen girls of Kappa Gamma will give a Halloween party for the upper class girls at the chapter house Friday night.

Harry Oury, one of Nebraska's old time football players, and at one time a manager of the team, is now visiting the university. He is now a lieutenant in the regular army.

E. L. Thomas and Norton Ware have been engaged in making a topographical survey of a tract of land north of town for Prof. Barbour.

The last number of "Forestry and Irrigation," a journal devoted to forestry, speaks approvingly in regard to the course of study in forestry established by the university.

A recent letter from Jerry Rebmann, '98, now in the forest school at Yale, indicates that he is hard at work trying to master the details of those subjects connected with forestry with which he is not yet familiar. He is much gratified that the University of Nebraska has established a course of study in forestry.

**Coquelin Aids Brother Actors.**

M. Coquelin, the elder, is one of the few actors on the Paris stage who has made a fortune. Through his efforts a home of retreat for veterans of the French stage is being established. A fine property has been bought near Meaux, in the department of Seine-et-Marne, a few hours from Paris. Here a large house will be erected, giving quarters to sixty old comedians.
