MEDICS MEET DEFEAT

Second Team Gives Omaha Doctors Something to Do—A Good Exhibition Game—Other Notes.

SECOND TEAM, 17. - MEDICS, 0.

The scrubs, following the example set by the 'varsity, defeated the Omaha Medics Saturday by a score of 17 to 0. Although the score was one-sided, the game was by no means an easy one, especially in the second half when the second team was unable to score against the doctors. Line bucking failed to win the scrubs any large gains and most of the work was done by end runs. Victor Engelhart and Johnson made large gains, seldom failing to make five or ten yards. Engelhart, who was lately given the signals of the 'varsity, played a star game and gave remarkable evidence of his ability to play football. He is quick and sure, and well adapted to an end position. Eager and Marsh were good ground gainers, Eager being credited with two of the three touchdowns. Marsh had his collar-bone fractured in the last scrimmage of the first half as the result of an ugly tackle, and his place was taken by Meyers.

It was the scrubs' game throughout the first half. The doctors had the ball in their possession only twice, and then lost it on downs. In the second half they found the scrubs line weak, and went through for large gains, nearly scoring a touchdown.

THE GAME.

The Medics choose the north goal and kicked off to Hutchins, who returned five yards. Marsh and Eager made good gains, and Johnson skirted the end for twenty-five yards. Rapid plays advanced the ball fifty yards in nine downs, and Eager went around left end ten yards for a touchdown at the corner of the field. A free kick failed of any good result.

The doctors kicked off to Morris on the five-yard line, and he followed his interference for fifteen yards. Engelhart made a good gain around the end, followed by Marsh and Eager with three yards apiece. Engelhart failed to gain and Newton punted for the first time. The Medics lost on downs. Eager made seven yards, Engelhart fifteen, Johnson ten, Hutchins three and Marsh one. Eager went around the end fifteen yards for a touchdown. Goal was kicked. Walton returned ten yards from the kickoff, and by long end runs the ball was quickly advanced to the four-yard line. Hutchins went through right tackle for the third and last touchdown. Time was called before much more work could be done. Marsh ended the playing by making ten yards around right end, but was unfortunate enough to break his collar bone.

SECOND HALF.

The scrubs kicked off, and the doctors made ten yards, but lost the ball. The scrubs lost on downs and the ball was advanced far enough by the Medics for a place kick, which was blocked, the Medics regaining the ball. Not at all discouraged, they soon tried the same thing and again failed.

The doctors secured the ball on the twenty-five yard line as a penalty for offside playing, and again were unsuccessful in a try for goal. They were forced to punt and Johnson secured the ball. The scrubs punted in their turn. Time was called with the ball in the scrubs' possession.

THE LINE-UP.

Second Team. Omaha Medics.
Johnson.....left end.....Neal
Newton, Capt.....left tackle.....Jackson
Scott.....left guard.....Platt
Frazier.....center.....Norton
Hickle.....right guard.....Johnson
Walton.....right tackle.....Bartlett
V. Engelhart.....right end.....Hart
Morris.....quarterback.....Dickenson
Eager.....left half.....Morrison
Marsh and Mac and
Meyers.....right half.....Sam
Hutchins.....fullback.....Jungbloth
Halves—Twenty-five and twenty minutes.
Referee—Bender.
Umpire—Cortelyou.

FOOTBALL NOTES.

The squad met for practice Friday and Saturday as usual. Friday's practice was taken up principally with punting, and neither side scored. V. Engelhart was worked out at end. Under the direct care of Painer he is showing up well, and will make a good sub for the position.

Only three more days of practice remain before the final game of the season, and everyone interested in athletics should make it a point to come out and watch practice for a while every evening. Friday night a few spectators got up a little enthusiasm and gave the yell once or twice before the scrimmage game. That is a step in the right direction and the spirit should be encouraged. Many people in the university do not even know that there is a game played on the field every night. Moreover, it is a good game, and one that those interested in the team cannot fail to appreciate.

The team of '02 needs your support for only four days more, but it needs it bad during that time. Come out and show the men that you are interested in the way they play ball.

Northwestern is playing better ball every day and the chances for a good game continue to improve. Saturday's game resulted in a score of 17 to 0 in favor of Illinois, but the first half was played without a score and Illinois was forced to fight for every yard gained.

The results of last year's football games in the east were somewhat different from those of last Saturday. Harvard made 22 against Yale and held her opponents down to 0; Northwestern made 17 scores against Illinois, while the latter gained only 11; Dartmouth shut Brown out entirely and made 22 scores, while this year she made only 12 points to Brown's 6.

BOOK STORES ROBBED

Front Doors Broken In by Forcing Locks—Uni. Store Loses Candy and the Co-Op Loses Cash.

Both book stores were broken into Friday night between 11 and 1 o'clock. Both doors were found wide open at 1 o'clock. They had been forced as both locks were torn loose from the casings.

At the Uni book store the burglars were unable to open the drawer which contained \$30, and had to satisfy themselves with about two dollars worth of candy. At the Co-op the thieves succeeded in getting into the money drawer, but obtained only about \$1.50 in change and postage stamps. Four other stores were broken into the same night, and another Saturday night. In all, the thieves have stolen goods in Lincoln amounting to about \$625. While the police are on their trail the culprits have not yet been located.

Other Saturday Games.

Yale 23, Harvard 0.
Illinois 17, Northwestern 0.
Michigan 63, Oberlin 0.
Dartmouth 12, Brown 6.
Hyde Park 57, Englewood 0.
Leigh 6, Lafayette 0.
Virginia 6, Carlisle 5.
Iowa Reserves 18, Lenox 6.
St. Johns 18, Western Maryland 11.
Lincoln Medics 21, Doane 0.
Peru Normal 6, Lincoln H. S. 0.
Notre Dame, 22; De Pauw, 0.
Minnesota 11, Minnesota Scrubs 5.

Juniors vs. Sophomores.

The Juniors and Sophomores will again contest for championship football honors tomorrow afternoon at 2:30. This will be the most interesting class football game of the season. These teams played last Tuesday and neither side scored. The championship much be decided to morrow, as the season is nearly up.

Indications point to a large crowd, as class rivalry between '04 and '05 is running high.

A Football Celebration.

The Chicago Press club will celebrate the close of the football season Friday night by a dinner at the Chicago Beach hotel. The dinner will come immediately after the meeting of the collegiate association and it is expected that the coaches, trainers, and managers of the "Big Nine" teams will be present. The "Big Nine," as it now stands, includes Michigan, Minnesota, Wisconsin, Iowa, Illinois, Indiana, Purdue, Northwestern and Chicago.

Girls' Basket Ball.

The Freshmen girls' basket ball team organized last week. Those playing in it are Ethel Ames, Inis Everett, Margaret Pillsbury, Ina Gittings, Mary Wallace, Ena Brach, Edith Robbins, Nellie

Miller. Miss Ames was elected captain and Miss Everett manager. Of the players, Miss Wallace is from the Omaha high school, and the Omaha Y. M. C. A. teams; Miss Gittings from the Superior high school team, last year's inter-scholastic champions; Miss Brach from the Hastings College team; Misses Ames, Everett, Pillsbury and Miller from the Lincoln high school team, and Miss Robbins from one of the class teams at Wellesley. This team expects to put up a strong fight for the penant, in the coming inter-class tournament.

The Crawford Musicales.

The Crawford musicale given at the Baptist church Friday night under the auspices of the Y. M. C. A. was not as much of a success as it was hoped it would be. There were only about two hundred in attendance, and but a small amount above expenses was realized. Those who attended speak very highly of the concert.

English 11 a Debate.

Debating in English 11a started off on Friday at a rapid pace. The discussion was on the army canteen, E. R. Buckner and E. F. Myers supporting the affirmative, and J. F. McReynolds and J. L. Clark, the negative. As Professor Taylor did at the English 13 debate last Friday, Professor Fogg complimented the squad as a whole on the knowledge of the question it exhibited as a result of the limited amount of time it could be expected to put on the work in five weeks.

The Art Exhibit.

The Nebraska Art association has entered into a business arrangement with the Nebraska Teachers' association whereby all those holding membership tickets in the latter organization will be admitted free to the coming art exhibit. As has been the custom, the exhibit will begin during the holidays and will probably continue for three or four weeks. Efforts are being made to interest the surrounding towns to a greater extent than heretofore and to increase the attendance to the exhibition.

Henry Mayer, of the firm of Mayer Bros., and Professor Hodgman, as committee on advertising, have plans in view to advertise the exhibit throughout the southeast part of the state by means of posters.

Some special excursions may be run from near-by towns and cities. The exhibit is now being selected by Miss Cora Parker, of New York city, formerly the art director at the university. The management guarantees that the high standard of former exhibits will be maintained and hopes that this year's attendance will be greatly increased.

Manager Bell, of the baseball team, is making arrangements for a northwestern trip, including Highland Park, Iowa City, Chicago or Illinois, Lake Forest, Wisconsin, Minnesota and Decorah, Iowa.
