LAST NIGHT'S PRACTICE

Scrubs Chased Around the Field by the Varsity Squad Which Scores at Will—West-over on the Field.

Practice was even better than ever last night. The scrubs were absolutely unable to advance against the line of the varsity and only in the stopping of trick plays were they at all successful.

After the usual signal practice Follmer, Cortelyou, Wilson, Mason, Ringer, Hunter, Benedict, Bender, Bell and Mickel took their places against the scrubs and the scrimmage began.

On the kick off Newton returned fifteen yards, but was downed outside the lines. Forced to punt on the third down with no gain, Newton sent the pigskin down the field twenty yards. The ball went outside. Cortelyou being slightly injured was replaced by Thorpe. On the second play Bell got through the line for fifty yards and a touchdown. The scrubs kicked to Benedict, who made a fifteen yard return. On a double pass Thorpe failed to gain, and Bender also lost ground, but Bell went through the line for twenty yards. Mickel made ten yards, the scrubs securing the ball on a fumble. The scrubs were forced to punt again and Benedict made a long return, but ground was lost on a fumble. Benedict attempted a place kick from the thirty-five yards line, but the ball struck the bar and failed to go over. The scrubs kicked off and Benedict made a fifteen yard return. Bender went through a quick opening on the first play and scored a touchdown from the seventy-five yards line. The scrubs kicked off, Mickel returning ten yards. Bender made another touchdown. W. Englehart, Tobin, Briggs and V. Englehart went in to succeed Mickel, Hunter, Bender and Tobin. The scrubs were given the ball on the ten yard line, and were soon forced to punt. Benedict lost ground on a trick play, but Briggs went through the line for another score. On the next play Benedict scored from the kick off and Thorpe nearly repeated the process but ran outside.

Westover appeared on the field, but as he is still limping badly did not work out. Simodymus is unable to play because of an injury to his shoulder. Bender is suffering from a bad cold, but stays in the game. Westover will in all probability play Thursday.

More Seating Room.

The athletic board is making ample preparation for the large crowd expected Thursday. The roofs on the new grand stand were completed last night, and tomorrow a force of twenty men will begin work on the new bleachers in the middle of the east side. These bleachers will have a 160-foot frontage, and will be of the same height as the grandstand, but with fifteen rows of

seats. They are to be joined together with rods and so constructed that they can be taken down at the end of the season and placed under shelter in the grandstand. Last night the old bleachers were moved to the south end of the field to make room for the new ones. With such accommodation there will be room for an immense crowd Thursday, and nothing but a bad day will prevent such a crowd from gathering on the field. The grand stand will now hold 2,600 people, the new bleachers 1,800 and the old ones 1,100 making a total of 5,500 seats. Seats in the grand stand are going rapidly, only 500 being left, and none have been sold out of town except to the Omaha delegation, which will order more in addition to those already purchased.

A special train of the Burlington will start from Falls City, and no doubt there will be other excursions from all parts of the state. The crowd will be the largest in the history of the university.

The Class Championship.

Nebraska field today will be the scene of the fiercest minor game of football game of the season, if not in the history of the institution. One week ago the Sophs and Juniors battled in vain for championship honors, neither team being able to reach the goal line. One team must assert its supremacy today, as the season is nearly ended, and it would be almost impossible to have a post-season game. If neither side has scored at the end of the game today, play will likely be resumed, and continued until a score is made.

Both teams went through a swift signal practice yesterday at chapel time and will practice again this morning at the same hour. The Juniors expected an easy game before, but the supporters of both teams are frank to admit that this is anybody's game, and no one can foretell the outcome. Every inch of ground will be disputed with all the strength and energy which the twenty-two class warriors possess. It will be a tug-of-war from start to finish in which the slightest advantage will be of great value.

The game was well attended before, but great enthusiasm has been aroused among the student body and class rivalry is running higher than ever before, and indications point to the largest crowd which has attended a class football game for some time. The elevens will be well supported by their classmates.

The line-up of both teams will probably be different from that of a week ago, as some of the men are still laid up for repairs, as a result of the last game. Captain Lundin, Enright and Lehmer of the Sophomores, and Bell, Johnson and Pritchard of the Juniors, may not be able to go into the game.

Ten cents will be charged and the gate receipts will be expended in improving the college settlement.

The game will be called at 2:30.

Professor Bruner has returned from St. Louis, where he lectured to the national apple growers' association.

During the evening a grand annual rag-chew will take place in which some of the alumni members will take an active part.

All alumni members and former members who will be in the city Wednesday night are cordially invited to be present.

Greeks Have a Smoke.

The Sigma Alphas opened up their chapter house to the members of all the college fraternities on Saturday afternoon from 2:30 to 5 o'clock. Between fifty and seventy-five guests dropped in informally during the afternoon and spent a few minutes in chatting, smoking, card playing or music, according to fancy. Smoking ma-

terials of all kinds were on hand and were used gratefully.

This is the first attempt at gathering all the fraternities together in this way and is considered by those present Saturday as a very delightful innovation. It allows the Greeks in the different frats to get acquainted, especially the younger men in school.

It is understood that the fair Helens in school are considering a like attempt to bring the young ladies into closer acquaintance, and all to the mutual advantage of individuals, chapters, and the university at large.

Mesdames A. Ross Hill and E. H. Burnett entertained at an informal reception Saturday afternoon at the home of the former. About 125 guests enjoyed the hospitality of the hostesses during the afternoon. The rooms were prettily decorated with white chrysanthemums and ferns. The hostesses were assisted in receiving by lady friends. The Misses Edith Henry, Eleanor Miller, Helen Streeter, Martha Woods, Hattie McClay and Miss Daster assisted in serving refreshments.

H. W. Roberts left for New Orleans Friday. He will represent the local chapter of Kappa Sigma fraternity at their annual national conclave. Mr. Roberts will be absent from the city about one week.

Miss Adeline Ames and Miss Laura Woodford, both of the Senior class, have been appointed laboratory assistants in botany, to take the place made vacant by the resignation of Mr. O'Gara, who starts east in a day or so to accept the position offered him in the division of plant pathology at Washington.

The freshmen of Kappa Alpha Theta gave a railroad party Saturday afternoon at the chapter house. The freshmen of the four other sororities in the university were guests and they thoroughly enjoyed the hospitality of the Thetas. Chrysanthemums in the sorority colors, white and yellow, were used in decorating. Light refreshments were served.

The Kappa circle of Pi Beta Phi, embracing the chapter in Kansas, Missouri and Nebraska, will hold their annual reunion at Kansas City Thanksgiving. A number of Nebraska girls will attend. A banquet will be given in the morning and in the afternoon they will witness the game between Kansas and Missouri. Friday a Pi Phi "cookie-shine" will be given at the home of Mrs. King.

Delta Delta Delta will have their annual banquet at the Lincoln hotel Wednesday evening. Miss Winifred Chadwick will be the toastmistress and those who will have prepared toasts are Miss Margaret Grimason, Miss Claire Mackin, Miss Inez Crow, Miss Grace Salls. Among the out of town guests will be Miss Grimason, Schuyler; Miss Grace Losch, Miss Blanch Losch, Miss Koch, West Point; Miss Lausser, Fairbury; Miss Wilson, Ashland.
