## The Old Folks at Home

# Take them a Holiday Reminder..

The student who is not now anticipating the glad home welcome of the holidays is as rare as he is unfortunate. You are going home for the holidays and already your mind is full of it. Take some gift to father and mother and brother and sister. Something that will add to their comfort and be beautiful to the eye at the same time. This Big Clothing Store is filled with just such things and all its resources are at your command. Come in and we will help you select the proper things.

The gift need not be expensive. From 5 cent handkerchiefs up we have those things that will please the recipient.

Perhaps the greatest advantage in doing holiday shopping at this store lies in the fact that the same lower-price-than-elsewhere governs on all articles as it does at other seasons of the year.

Think twice on these suggestions and if you act at once you will thank us for them:

We are busy people, but before school closes for the holidays we want to have a heart-to-heart talk with the candy-buying students, lest they forget who we are, where we are, and what we do. We are still making chocolates, good chocolates—chocolates which we believe are equal of any on earth. We can make as good chocolate as Nebraska can grow corn, or "cornhuskers," and you know they are right at the top of the pile, even if some people do not like to admit it. If you find that our goods are not equal in appearance, in flavor and general goodness of anything beyond the Missouri, we will refund your money and ask no questions. Our goods on sale at your book stores.
