PRICE THREE CENTS.

## SOPHOMORES' VICTORY

### Girls' Class Teams Contest Gallantly and Closely for Honors—Class '05 the Winner.

The sophomore girls are still the interclass basket-ball champions of the university. Their superiority was demonstrated by a series of closely contested and interesting games played in the annual tournament in the armory Friday night. The seniors proved a close second, there being but one point difference in the scores of the two teams.

Three games were played during the evening. The upper class teams first appeared on the floor, the seniors wearing the blue and white of the class of '03, the juniors being distinguished by cerise and pale blue.

The first half ended in a score of 4 to 2 in favor of the seniors. Miss Shinbur, forward on the junior team, threw the first goal. Minnie Gulle, captain and center of the seniors, soon followed with one for the seniors and Clara Ballard, second forward, soon repeated the work. A foul on the part of the juniors failed to net the seniors anything, and the first half ended.

During the intermission the lower class teams played their first half. The sophomore colors are green and white and the freshmen crimson. Miss Jansa proved to be the best scorer for the sophs, and won a point for her team in the first free throw. The freshmen made another foul, but their opponents failed to throw goal. Two fouls on the sophs followed, but they failed to win the freshmen anything. Beth Wallace threw a goal for the freshmen and Minnie Jansa one for the sophomores. The half ended with a score of 3 to 2 in favor of the sophs.

The seniors and juniors then appeared to play the final half of their game. Minnie Gulle scored the first goal. The seniors made two fouls and their opponents received two free throws, one of which resulted in a goal. Miss Shinbur scored for the juniors. Both teams were given a free throw, neither of which resulted in a score. The game soon ended, the seniors winning by a score of 6 to 5.

In the second half of the lower class game Miss Jansa threw two goals out of three chances on free throws. The sophomores fouled, but Miss Wallace missed goal. Inis Everett, center, and Margaret Pillsbury, forward, on the freshman team, threw a goal apiece. The game seemed to be in favor of the freshmen, but Pearl Archibald, captain and center of the sophs, threw another goal and won the game for her team. Score, 7 to 6.

The contest now lay between the seniors and sophomores. Both teams fouled and Miss Gulle and Miss Jansa both missed goal on free throws. A little later Miss Jansa scored a point on a free throw and Miss Gulle followed with a goal from field. Both

teams again fouled and both goals were missed. The half ended with the score 2 to 1 in favor of the seniors. In the last half Miss Jansa and Miss Gulle each scored a point on free throws. The game was close, but Miss Archibald again won the victory for her team by a goal from field. The seniors fouled twice, but Miss Jansa missed both goals. The game ended and the sophs were declared the champions by the close score of 4 to 3.

While the victorious team is undoubtedly the interclass champions, it is only fair to the other teams to say that in none of the three games was the score at all decisive, there being only one point difference between the winners and their opponents in each of the games. It is unnecessary to praise the work of the individual players. Every one did good work and the classes are to be congratulated upon the proficiency of their teams.

Time of halves—Ten minutes.  
Referee—Miss Helen Woodsmall.  
Umpires—Miss Barr, Miss Whiting.  
The sophomore team is partially the same as the one that as freshmen won the championship last year. It is captained by Miss Pearl Archibald, who, with Adele Koch, plays the central

retical and practical, will be announced later.

Captain Chase congratulated the cadets on the recognition by the university of their work in the military department.

### Westover Entertains Team.

Captain Westover entertained the coaches, manager, physicians and members of the football team with a "spread" last Friday night at his home, 920 N street. After an excellent dinner had been served, the guests related past experiences and indulged in a general good time.

Those present were: Coach Booth, Coach Drain, Manager Engel, Dr. Mayhew, Dr. Everett, Bell, Bender, Mickel, Ringer, Mason, Wilson, Folmer, Cortelyou, Benedict, Cotton, Hunter, Englehart and Borg.

### Medics Hear Clapp.

The Medical society met Friday night and listened to a very interesting talk by Dr. Clapp on some technical subjects.

The society made a final decision upon their pin. It is to be of plain gold, in the form of a Maltese cross.

## ARRANGE DEBATE RULES

### Presidents and Committees of Classes Decide to Exclude Interstaters and Alternates.

The four class presidents, committees on debate and Secretary Meier of the debating board, met in U 309 Saturday night to agree on questions relative to the coming interclass debates. Considerable discussion took place over the eligibility of the debaters, as to whether or not alternates should be allowed on the teams.

The juniors and seniors had arranged to debate before it was decided to have the three interclass debates. They agreed that alternates would be eligible and John Tobin, who was an alternate last year, was appointed on the junior team. Since the move was placed on foot Mr. Hunter, also an alternate of last year, had been placed on the sophomore team. The juniors and sophomores finally consented to withdraw the alternates in question.

The following agreement was entered into: No interstate debaters nor alternates are to be appointed on a class team. The debate will last one hour. Class standing will be determined by the registrar in all cases. The four presidents, together with Secretary Meier, are to decide on the time of holding the debates and all other details. A phase of one of the interstate questions will be debated by the juniors and seniors and a phase of the other interstate question by the sophs and freshmen. An entirely different question will be debated at the championship debate. One set of judges will act for both the junior-senior and sophomore-freshmen debates.

It was suggested that the debate be held on Friday night, that the societies adjourn and give the inter-society program along with the debates, and that the doors be thrown open after the debate. A committee was appointed to confer with the societies in regard to the matter.

### An Accepted Painting.

A portrait in oil of Miss Herron, instructor in political economy, has been painted by Miss Clara Walsh of Lincoln. Word has recently been received from St. Louis, where the painting was sent, that it has safely arrived and had been well placed in the art exposition which is now in session in that city. The picture will go the rounds of the principal western cities with the other pictures which are now on exhibition at St. Louis. These cities comprise a circuit which will be completed some time during the spring. The painting can be seen in Lincoln some time during the early summer. The fact that it is now hung among the other well accepted paintings, speaks well for it as a work of art.

## PERSHING RIFLES' HOP

### Friday Night - Lincoln Hotel

#### FORMAL

### Uniforms Shall Be Worn

positions. Alice Towne and Ruth Bryan play guards and Minnie Jansa and Edna Ring, forwards.

The armory was comfortably filled with ardent supporters of the four teams and class spirit was occasionally manifested by various yells ranging from the classical

"Sumus, sumus, populi,  
We's the class of 1903,"

to the plain "Tear 'em up, freshmen." The tournament was a great success and those who failed to attend missed a good entertainment.

### Net Cadet Regulations.

The commandant announced to the battalion Friday night that commencing with next semester the course prescribed by the war department on August 9, 1902, will be put into effect. The course will cover three semesters, except in case of those who fail to register for drill when they enter the university, when four semesters will be required. One and one half hours credit will be given for each semester's work.

He also announced that those who have completed the course in drill, will receive credit for the next four semesters if they desire to continue drilling. The program of instruction, both theo-

with little projections at the corners, and will display the letters C. M. U. of N. An open meeting was planned for the first week after the holidays. Dr. Milroy of Omaha will be invited to address the society at that meeting.

### Unions Elect.

The Union Literary society held its election of officers Friday evening, December 12. The following were the chosen individuals:

President, Miss Elizabeth Meir.  
Vice-president, Von Forell.  
Secretary, M. J. Brown.  
Treasurer, F. W. Fox.  
Fourteen new members were initiated.

The following program was given at convocation Friday:
