It is high time the check-room was started. Several overcoats have been lost or stolen and complaints are heard daily of overcoats being taken by mistake. The check-room would assist greatly in doing away with this annoyance.

Students at the University of Chicago have started a move against the custom of having a football games on Thanksgiving. The junior college has passed a resolution to this effect and have asked the seniors to indorse it. The majority of those outside of college are opposed to this plan, as it is impossible for many of them to witness a game except on legal holiday.

If you intend to teach next year, don't forget that you have an opportunity to get in touch with school people at the State Teacher's association which meets during the holidays. It may mean many dollars to you next year. It will certainly make you a better teacher, if you get a position. A little acquaintance with superintendents and principals will add greatly to your chances.

Academy to Debate

A debating association was organized at the Lincoln Academy Thursday night. Seventeen of the prep boys were in attendance and manifested considerable interest in debate. Professor Hodgman acted as temporary chairman and officers were elected and officers were elected and committees appointed. Professor Fogg addressed the meeting in a very entertaining and instructive manner on the subject of debates and its benefits and assisted the boys in choosing a question and getting the work under headway. C. Craft will assist and guide the association in its work.

The following officers were elected and will compose the program committee: M. W. Ryan, president; Albert Manning, vice president, and P. L. Vance, secretary and treasurer. The committee on by-laws and constitution is Jenkins, Mather and Bullta.

The next meeting will be held on Friday, January 9, at which time Bullta, Warner, Mather and Jenkins will discuss the following question: Resolved, That the states should pass compulsory voting laws. On January 23 Myers, Grinnell, Rossiter and Mitter will discuss the question: Resolved, That the fifteenth amendment has been justified.

The association will meet every two weeks on Friday night at 7:30 p. m.

Notwithstanding the many other attractions and the inclemency of weather a large audience assembled in the old chapel Friday night to listen to Judge Grosscup's address.

Beta Theta Pi gave a very pleasant informal dancing party at the chapter house, 1630 G street, Friday night. The decorations were in the fraternity colors, pink and light blue. Mr. and Mrs. F. D. Cornell, Dr. and Mrs. H. H. Everett and Mr. and Mrs. L. A. Ricketts chaperoned eighteen couples of dancers. Ices were served all evening.

Misses Bess and Kate Heacock, Mabelle Miles, Carrie Slocum and Edna Holland returned last evening from Falls City, where they attended the wedding of Miss Margaret Custer, a former student of the university and a member of Pi Beta Phi sorority. Miss Custer was married on Thursday to Mr. Robert White of Denver, and the ladies from the local chapter of Pi Beta Phi acted as bridesmaids.
