Editor Hill Resigns.

At a meeting of the Board of Directors of the Hesperian Publishing Co., held on January 26, 1903, Directors Ward, McCaw and Wyer present, the resignation of Mr. R. T. Hill as Managing Editor was presented, and on motion was accepted with regret. The Board further expressed its appreciation of the zeal and faithfulness which Mr. Hill has shown in his management of the paper during this semester, and ordered that a copy of these resolutions be printed in the next issue of The Daily Nebraskan.

By the foregoing it will be seen that a reorganization of The Nebraskan staff has been rather hastily compelled during the confusion of examination week. The new management will endeavor to maintain the standard set by Mr. Hill, and hopes also to soon add numerous daily features which will increase the student interest in the paper still more than at present.

Two items in the new plans perhaps need immediate announcement. The first is, that a special rate of 50c for the semester will be made, to apply to both renewals and new subscriptions. It is hoped this will enable many who have heretofore not subscribed to do so now. Any member of the staff will be glad to receive your subscription and report it to the office. The second new departure is the substitution of an eight-page Saturday issue in the place of the former Monday one. We will allow the new issue to speak for itself next Saturday, and mention it here only in order that our readers may not miss it when it appears. It

will be distributed in the usual manner and place by 12 o'clock noon Saturday.

For the endeavors of the new management is asked a few days' charity, until matters shall have gotten to running smoothly, and thereafter such measure of support as student appreciation and staff effort shall succeed in producing.

One of the most valuable services a college or university publication may render is the working out into prominence of the real journalistic ability of the school it represents. Our own university papers and class books have frequently done this in the past, and The Nebraskan is glad to observe from the article on another page of this issue, noting Mr. Severin's progress as a cartoonist, that they are still continuing their contributions along this line. The Journal and Star staffs are both largely composed of men who did their first work on university publications, and the quality of their work speaks well not only for their personal abilities, but also for the "training school" through which they acquired the rudiments of their profession.

The student who comes from a smaller school to the university misses something familiar at the beginning of the second semester. He has been used to a week's vacation between "terms," and the suddenness with which the second semester of University work succeeds that of the first semester rather dazes him. In fact, it is quite a question whether both faculty and student would not be benefitted by a few days' rest between the crush and cram of examination week and the long, steady pull of the second semester.

Governor Mickey spoke Sunday afternoon at the Y. M. C. A. meeting to a large number of men, many of whom were from the city. His subject was "Character Building," and in his talk he showed by appropriate illustrations how a character was made stronger by temptations, provided these temptations were overcome. Special music was furnished by Mrs. Phil. R. Easterday, whose contralto voice pleased all those who heard her.

AN ATHLETIC WEEK

Seven Basket Ball Games Within
Just One Week

UNI WINS THREE OUT OF FIVE

Seven basket-ball games, in which University supporters have been more or less interested have been played since the routine of class work was discontinued a week ago last Saturday. The boys' first team lost to the Lincoln Y. M. C. A. on the 24th, in the city gymnasium, by a score of 35 to 24. On the same night and at the same place the second 'varsity was defeated by the second Y. M. C. A. by a score of 18 to 16. The girls' first team maintained their former standard of "still undefeated" by vanquishing their old time rivals, the Omaha Y. W. C. A., at the latter's home on Friday night, to the tune of 18 to 9. On Saturday night the boys' first team retrieved itself by winning from Kansas by the fair margin of 25 to 18. Two minor games, in the way of society contests, have also taken place. Both were very one sided, and the Delians, who have held the inter-society championship for four years, were defeated by the Palladians and Unions by scores of 38 to 8 and 28 to 2, respectively. Below are given brief accounts of the games in the order of their occurrence:

Palladians vs Delians.

While hotly contested by the Delians, this game was a walkaway for their opponents. The Palladians were in possession of the ball three-fourths of the time and the result of the game was never in doubt. The Delians made four points in each half. The first half ended 17 to 4. Gilbert and Beers were the strongest players for the Delians, while every one of the Palladians put up a superb game. For the former, Gilbert threw one goal and one foul, Sampson one goal and Beers three fouls. For the latter Myers threw nine goals, Elliot five goals and two fouls, Ludden two goals and Lightner two. Newton excelled at center. Melick and Noyes acted as officials.

University vs Y. M. C. A.

Here the 'varsity lost in one of the fastest games of the season. Every man was in the game throughout. Our team was handicapped by the small size of the city gymnasium and lack of practice for the week previous. The first half ended with a tie score of 13 to 13. In the second half Newton was substituted for Ferguson at forward, and Hoar succeeded Hiltner at guard. For the Y. M. C. A., Hancock succeeded Fields at center, the latter being shifted to guard, and Granger went out of the game. Here Hagensick put up a wonderful game, scoring 16 out of the 22 points. Ten goals were thrown on each side; Hewitt threw three goals and fouls, Ferguson three, Elliot two, Hiltner and Hoar one each. For the Y. M. C. A., Hagensick threw seven goals and fifteen fouls, Benedict held Captain Hammell, the famous goal thrower, down to two goals, and Fields threw one goal. Hagensick threw fifteen out of eighteen fouls and made twenty-nine out of the thirty-five points for his team.

Second Team vs Second Y. M. C. A.

The second team was likewise put at a disadvantage by the smallness of the field. Besides, Gilbert, Beers and Myers had played a hard game at the University the night before. Noyes was the star for the University boys, making ten out of the sixteen points, and Walsh played the game for the Y. M. C. A., making fourteen out of eighteen points. The first half ended eleven to eight in favor of the University. In the second the University was weakened by the loss of Newton, who was taken out for the second half of the first team game. For the second team Noyes threw four goals and two fouls, Gilbert two goals, and Myers one. For the Y. M. C. A., Walsh threw five goals, and four fouls, making all the points for his team in the second half. Wilhelmson threw one goal and Whitman one.

Uni Girls vs Omaha Y. W. C. A.

The Friday evening game at Omaha between the girls' first Uni team and the Omaha Y. W. C. A. was attended by an enthusiastic crowd that filled all the available space. The University

girls maintained their reputation by a score of 2 to 1 against their Omaha opponents. The feature of the game was the excellent guarding done by Misses Sly and Shields of the Uni team. Only once was Omaha ahead, and this was early in the second half. But the University succeeded in bracing up. Miss Archibald threw a brilliant goal from the side lines, Misses Jansa and Scott each added another, and the game ended 18 to 9 in favor of the University. Miss Archibald threw three goals, Miss Jansa three goals and four fouls, and Miss Scott one goal. Especially to be commended in the University team's work was the guarding of Misses Sly and Shields. Miss Barr refereed, and Miss Patterson of Brownell Hall and Miss Macomber of the Omaha High School umpired. The members of the team were the guests of the Y. W. C. A. during their stay in Omaha, and report a most enjoyable trip. Those going to Omaha were the following: Centers, Pearl Archibald, Alice Towne; guards, Elva Sly, Zora Shields; forwards, Cora Scott, Minnie Jansa, Edith Craig.

Delians vs Unions.

This was the most one sided game played in the armory this year. The Delians failed to throw a single goal, and Beers threw two fouls, which were the only points scored by his team. The Union men were more experienced players, Ferguson being a member of the first team and Noyes captain of the second. These two men made all the points but four. Ferguson threw five goals and five fouls, Noyes three goals and three fouls, and Brown two goals.

The second team won handily from a Wesleyan team composed of three second and two first team men. Lowell, center, was the strongest man for Wesleyan and succeeded in batting the ball from center three-fourths of the time. Day at forward was their next strongest player, throwing the greatest number of goals for his side. The first half ended 26 to 4 in favor of the University. Owing to the delay in the arrival of the Kansas team, a long intermission was taken, during which Mr. Coats, physical director of the city Y. M. C. A., entertained the crowd by an exhibition of Indian club exercises, which was received with great favor. In the second half, Wesleyan took a brace and held their opponents down to fourteen points, while they made
