The Cornell basket-ball team defeated Harvard at Cambridge on Saturday by a score of 15 to 8.

The Chicago track team defeated the Wisconsin men Saturday night at Chicago by a score of 49 to 28.

Cornell defeated Syracuse and the Seventy-fourth regiment, A. A., in the triangular meet held in Buffalo on Saturday evening.

Iowa freshmen have just paid \$125 for the repair of damages to the hotel where their annual banquet was held. The sophomores assisted in the damaging of the hotel and joined with the freshmen in the payment for them.

Minnesota defeated Wisconsin in basket-ball Saturday night by the score of 38 to 11.

Cornell	.333
Harvard	.333
Princeton	.200

University of Michigan Daily: The baseball cage was hung in the gymnasium yesterday and the first try-out of the candidates for the 1903 baseball team was held. About forty men enrolled themselves and Captain Utley expects that this number will be swelled to 100 by tomorrow's practice, as new men are constantly reporting and being assigned to work in the "cage."

University of Michigan Daily: Over at Illinois University the students have organized a Hospital Association, a sort of an insurance company. Membership in it is placed at 50 cents per semester. The funds acquired are used to pay the expenses of such students as become so ill as to have to be cared for at the university hospital. The distribution of the fund is in the hands of a special committee of the faculty.

West Point and Columbia have asked Michigan for football games next season, but the requests have been declined, as Manager Baird says that Wisconsin, Minnesota and Chicago are all the big propositions that Michigan can handle in one season.

Last year Michigan tried to secure football games with Harvard and Cornell, but failed. Harvard's declination was a compliment to Michigan. She said that Princeton and Yale were the only big teams she could train for in one season. As she plays West Point, the compliment can be easily seen.

It is not probable that Michigan will ever go East to play football. The trip is a hard one and very expensive. Certainly the trip would not be made unless there is an agreement on the part of the eastern university to play a return game before the following season.

Yale, Harvard and Princeton have expressed a desire to play baseball with Michigan this year. But the Michigan baseball schedule has been made up without an eastern trip.

The Elite Studio is one of the landmarks to the alumni and many are found ordering from group or individual negatives made when in school.

Postmaster Brown of Station A informs The Nebraskan that there is no solution of the "Sunday mail" question for University students short of a Sunday distribution and Sunday hours at Station A itself. The University mail is not "worked," or sorted, at the federal office, but sent in bulk to the University, and so cannot be obtained from the carriers Sunday at the postoffice. As for Sunday distribution at Station A, there is no general demand for such an innovation, and it is not likely Postmaster Sizer would respond to such a demand unless it were an overwhelming one—which it is not apt to be.
