Academy Items.

The crippled condition of the team prevented the basket-ball match last Saturday. All, especially the members of the team, are sorry.

Inquiries respecting summer school courses are beginning to arrive. What courses, if any, will be carried can only be decided after the University's courses are announced.

Mr. C. P. Craft terminated his work with the debating club last Friday evening. Henceforth the young men will go it alone. Mr. Craft has been a very valuable trainer in debate and parliamentary practice, and the boys will miss his wise counsel and tactful guidance.

Professor Bessey is engaged in writing a revision of one of the groups of the fungi known as the Phycomycetes, and characterized by their resemblance to many of the freshwater algae. It is to be published in the Transactions of the American Microscopical society.

The German department has ordered a set of Victor phonetic tables, which will be used in the teachers' course and for instruction in advanced work.

One of the students in the plant pathology class is making a study of the diseases of the potato, especially those which produce the potato rot.

We learn from Professor Fossler that Part II of Goethe's "Faust" will again be offered next year. It has been a number of years since this work was given in the University.

The Cardinal asks that Wisconsin girls remove their hats in the class room, and give the boys on the back seats a chance to see the professors once in a while.

California, under advice of President Wheeler, is discussing the advisability of changing from "inter-collegiate" to "association" football. So far the majority opinion seems to be quite decidedly against the change.

Bumstead is offering special inducements to students this season. You had better see him before ordering your suit. New location in the Burr block.

Don Cameron's for a square meal.

One-Way Rates.

To many points in the states of California, Oregon and Washington.

EVERY DAY

The Union Pacific will sell One-way Colonist Tickets at the following rates from Missouri river terminals:
