UNIVERSITY OF NEBRASKA, LINCOLN, THURSDAY, MARCH 19, 1903.

No. 109.

## A DECIDED SUCCESS.

### Dramatic Club Entertainment Pleases Good Audience.

Last evening the University Dramatic Club ran in opposition to the Oliver's "Sally in Our Alley," and managed to draw quite a fair crowd in spite of the counter attraction. Those who attended found themselves well repaid by the two plays most delightfully presented by the club, under the capable and efficient supervision of Miss Howell.

The two plays presented for the evening's entertainment were "The Obstinate Family" and "Lend Me Five Shillings." Both were cordially received, the second one especially so. The part of Mr. Golightly, the leading character of this play, was an exceedingly difficult one, but was presented by Mr. Ptak in an admirable manner, quite sustaining the reputation he won as a participant in "David Garrick" last fall. He appeared perfectly at home, and did not lose touch with his audience for a single moment.

Much credit, nevertheless, remains to be distributed among the other members of the cast, each one playing his part exceedingly well, and contributing much to the success of both the first play, in which all the characters were of practically equal importance, and the second one, in which Mr. Ptak "starred." The cast for the two plays was as follows:

#### For "The Obstinate Family":

Mr. Harwood..... Mr. Potts  
Mrs. Harwood..... Miss Woodsmall  
Henry Harwood..... Mr. Kleckner  
Jessy Harwood..... Miss Roper  
James Harwood..... Mr. Hewitt  
Lucy Harwood..... Miss Roberts

#### For "Lend Me Five Shillings":

Mr. Golightly..... Mr. Ptak  
Capt. Phobbs..... Mr. Ludden  
Mr. Moreland..... Mr. Beers  
Capt. Spruce..... Mr. Chessington  
Sam..... Mr. Elliott  
Mrs. Maj. Phobbs..... Mrs. Sherman  
Mrs. Capt. Phobbs..... Miss Edholm

The staging of the two plays was under the supervision of Miss Ruth Bally, who is to be greatly complimented for the tasteful use of the necessarily rather limited space and material at her disposal.

The Dramatic Club is certainly to be congratulated upon the successes which are accumulating to its credit, and the credit for which it willingly shares with its tireless and enthusiastic leader, Miss Howell. University people hope the club may next time run against less strenuous competition, in which case it can be assured of a packed house and an even more appreciative audience.

Go to Hallett's for Watches, Diamonds, Jewelry, Silverware, etc., 1143 O St.

All teachers and students who are interested in progressive methods of teaching languages should attend one of Prof. N. Hill Nesbitt's free opening lectures on the study of French. First Christian church, corner 14th and M, today and tomorrow at 10:30 a. m., 4:30 and 8 p. m. each day.

## Glee Club Goes to Omaha.

The University Glee club has decided not to allow the unappreciative reception it met with at the hands of University people deter it from catering to the musical desires of out-of-town people. Therefore it will make a trip to Omaha the 10th of next month, and will give an entertainment in the Congregational church of that place. The enterprise is backed by the University alumni resident in Omaha and all University people who appreciate the quality and quantity of the Glee club's work wish it the utmost success.

## Athletics Progress.

Nebraska athletes once more availed themselves of the opportunity to practice in the open air yesterday afternoon. Several track men tried their wind on the track and the hurdles, vaulters and shot putters took a good work out. Men are at work tearing down the east bleachers, which will

work. The men have been furnished with the "tools," and all that is necessary for them to do now is the work. The department has a large supply of balls and bats. Some pads have been purchased and the equipment, with the exception of suits, is now nearly complete. Quite a crowd of spectators occupied the bleachers during the afternoon.

The prospect for an excellent track team is a most gratifying one. Most of last year's team is back and a great quantity of new material has shown up, among it some very valuable additions from Lincoln high school's crack team of '02. The University has made the valuable acquisition this year of another member of the famous Benedict family, and Morris promises to even excel his brothers. He will try for the pole vault and middle distance run and is an all round man. Forty men have registered for track work, among them Captain Tobin, Lehmer, Mouck, Carr and Johnson of last year's

## A Good College Song.

Much better than the Stanford song we published two weeks ago is the following "Song of Old Nassau." Read it over, get the "college spirit" it breathes, and then try your hand at a good song for Nebraska. Only a little over a month remains before the competition ends, and responses to the call for a University song are not embarrassingly numerous. Tune up and make the endeavor to beat even "Old Nassau":

Tune ev'ry heart and ev'ry voice,  
Bid ev'ry care withdraw;  
Let all with one accord rejoice,  
In praise of old Nassau.

### CHORUS.

In praise of old Nassau, my boys,  
Hurrah! hurrah! hurrah!  
Her sons will give while yet they live  
Three cheers for old Nassau.

Let music rule the fleeting hours—  
Her mantle round us draw;  
And thrill each heart with all her  
power  
In praise of old Nassau.  
Chorus: In praise of old Nassau, etc.

No flow'ry chaplet would we twine,  
To wither and decay,  
The gems that sparkle in her crown  
Shall never pass away.  
Chorus: Shall never pass away, etc.  
And when these walls in dust are  
laid,  
In reverence and awe  
Another throng will breathe our song  
In praise of old Nassau.  
Chorus: In praise of old Nassau, etc.  
Till thee with joy our song we'll  
bring  
And while a breath we draw,  
We'll all unite to shout and sing  
Long life to old Nassau.  
Chorus: Long life to old Nassau, etc.

likely be stored under the grandstand. The fence will be removed as soon as possible. These fixtures are very annoying to the baseball men. Every time the ball is batted outside the field, the men have to climb the fence or crawl under the bleachers after it. The south part of the field was dragged yesterday and placed in fair condition. The field will be rolled at the earliest opportunity. Infield work will be begun today if the weather permits.

The baseball field was fairly covered with candidates. Nearly forty men reported. The practice was very similar to Tuesday's. Pitchers and catchers were tried out and the majority of the men were given a turn at the bat. The fielders were kept busy chasing balls. All the battery candidates showed up in good form, and Beltzer did especially well. A new acquisition was made in the way of a first baseman in the person of Moore, who played this position on the Grinnell team. As yet there are only two men trying out for this place. Yesterday's practice was unusually fast for the second day's

team. Other candidates who were out Tuesday—Martin, Leonard, Penbrook, Winchester and Vance. Martin will likely put the shot or throw the hammer, and the other men will try for the sprints. With Dr. Clapp as coach there is no reason why Nebraska's track team of '03 should not be a winner. Practice will be held every afternoon and men who expect to make the team will have to be punctual and regular in attendance and work hard, as competition will be strong in every event. Manager Walton has not yet completed the schedule, but the men may rest assured that there will be something in store for them well worth working for. Every man is urged to turn out and this year try and bring track athletics up to as high a standard as football.

Oliver Theater Pharmacy.

C. E. Brown, Dentist. Burr block.

Don Cameron's for a square meal.

Fliegenbaum's Pharmacy, 13th and O.

## Campus Cleanings.

### University Calendar.

Friday, March 20.—University Club dance, Fraternity Hall.

Saturday, March 21.—Band Informal, Armory.

April 17—Senior Prom.

Little Freshie in a stew,  
Doesn't know exactly what to do,  
For the "Chanc" has invited him  
To come in.

Little Freshie, pick up courage;  
'Tis not yet time for your dirge  
We know, for we have been—invited  
To come in.

John Davidson's father, of Springfield, is visiting him for a few days.

Miss Mulliken is kept from her duties in the library by an attack of the grip.

Miss Lillian Robinson is out of school on account of an attack of measles.

G. F. Ross, general secretary of the Y. M. C. A., has been laid up for a few days with the grip.

Professor Sweezy was called to Beloit, Wis., Tuesday by the death of the mother of Mrs. Sweezy.

Joseph Vavra has just been appointed to do some special work in agricultural chemistry at the state farm.

The class studying the chemistry of foods will visit the creamery today to investigate the process of butter making.

Miss Dot Druse, '02, who is teaching in the high school at Friend, visited over Sunday in Lincoln with her parents.

W. D. Pierce, assistant in the department of entomology, attended the wedding of an old friend at Plainview, Neb., yesterday.

Dr. White has returned from Baltimore, whither he was called some time since by the illness and subsequent death of his parents.

The medical society will meet in committee of the whole tonight in the medical library at 8:00 to consider a revision of the constitution.

Dr. Nicholson has an invitation to attend a meeting of the international committee for the determination of a standard analysis of sugar, to be held at Berlin, June 4, 1903.

Mr. Guy G. Frary, assistant in chemistry in Morning Side College, Iowa, has applied for a fellowship in chemistry here with a privilege of working up to his doctor's degree.

Misses Christine and Julia Bednar entertained the Schuyler students Tuesday evening at 435 North 13th street. Games, refreshments and social chat contributed to make the enjoyment of the evening.
