A GOOSE EGG.

High School Fails to Score Against University.

The University baseball team yesterday gave the Lincoln high school a goose-egg game and themselves completed the circuit seventeen times. There was a crowd of about 250 present. This was the second practice game of the year. The 'varsity was never in danger of being scored against except once, when Captain Fields succeeded in making third. But Reubinsky proved equal to the occasion and fanned the man at the bat, throwing the side out. The high school lads were able to reach second only a few times. Their team contains some good material and will develop into a good strong nine. Sigwin behind the bat, Fields and Blake on second and in the box and Burrell all showed up in nice form. The Lincoln boys did some good batting, but it availed them little, as the 'varsity battery was given good support.

The Uni men played their usual ball. Wilson did his usual sticking, but had to die three times on third. Townsend did some good work in double plays at second. Longaeknecker and Reubinsky showed up well in the box. Each fanned four men and threw a goose egg. Shiemer showed up in his best form yet. He made some good catches at center field and heads the list with four scores. Gore, Shiemer, Hood, Spurk and Reubinsky fanned twice each.

The game was called at 3:30 with the high school at the bat. The high school lads found the ball three times in succession, but through a double play on the part of Townsend did not reach second base. Blake of the high school let Wilson, Townsend and Hood walk, which netted the 'varsity three runs before the first inning ended. When Longaeknecker returned to the box he appeared displeased with the way the lads hit him before and did not permit them to attempt to make first. In the second half of the second inning Shiemer walked, Gore fanned, the former came home on a two-bagger by Longaeknecker, who soon crossed the plate assisted by a two-base hit by Hood. Hood and Benedict were put on third and second, and the score stood 5 to 0. Two flies caught and a well handled grounder and the 'varsity was at the bat again, only to fall this time to reach third base. In the first half of the fourth Lincoln was not permitted to cross second. At this stage of the game the best ball was played. Lincoln got even by not allowing their opponents to reach first. In the next half inning a high school man made third, but through cool-headed work on the part of Longaeknecker was caught between home and third and run down by Hood. The Uni began running scores and before the close of the fifth inning had crossed home plate five times and the score was 11 to 0.

In the first of the sixth the Uni lineup was changed. Reubinsky succeeded

Longaeknecker in the box, and Johnson took Steen's place at short. Lincoln accomplished nothing at the bat in the first half of the sixth and Fields succeeded Blake in the box. The Uni was put out in one-two-three fashion. In the first half of the seventh Reubinsky threw a goose egg and the collegians came to the bat. Right here Fields did some very commendable work. With three men on bases, Hood picked up the stick. Everyone expected at least two scores, but "Bonnet" fanned the air three times and dropped the bat. To facilitate matters, Shiemer, Bender, Spurk, Townsend and Gore followed each other in quick succession over home plate. In the eighth inning Lincoln did not reach first base and Shiemer made the last score for Nebraska. The first half of the ninth was a repetition of that of the eighth and the second half of the ninth was not played.

THE OMAHA CONCERT.

Good Audience in Prospect for the Glee Club.

The Glee club will sing at Omaha Saturday night, April 11th, in the First Methodist church, under the auspices of the Epworth League of that church, backed up by the alumni of the University residing at Omaha. Already one of the largest crowds of the season is predicted for this date.

This will be the first appearance of the club out of Lincoln, and will be made as great a success as possible. The club has this date at this time so as to give University people who live in Omaha a chance to see the club in their home town. It is urged that all who have friends and relatives in Omaha put them next to this date and advise them to go.

The success of the trip will make

"The Scarlet and Cream" Nebraska's Present Song

Sing to the colors that float in the light,

Hurrah for the Scarlet and Cream!
Scarlet the hue of the roses so bright,
And pale is the lily's fair gleam.
Scarlet the east at the breaking of dawn,

And scarlet the west when the sun is gone,
Hall! hall! to the colors that float in the light,
Hurrah for the Scarlet and Cream!

Scarlet the ruby, the jewel so rare,
With colors so brilliant and true,
Pale as the pearl, so bright and so fair,
And clear as the drop of dew.
Bright are our colors, as fair as a dream.

First Dress Parade.

The battalion attracted considerable attention last night by its appearance on the first dress parade of the season. The four companies, led by the cadet band, went through the usual movements, and finally passed before Commandant Chase and his officers in splendid order. While the first occurrence of these military movements are especially noticed by both the students and visitors, it is dress parade that always calls out a crowd. The sight is the most pleasing of all manouvers, and if properly done, cannot fail to impress even those who have come to witness military formalities because of long service in one of the companies. The battalion is already very efficient, in spite of the fact that it has been necessary to conduct drilling largely in the armory for the past three months, and by the close of the semester the contests for the cup will be a scene well worth while. From now on to the first of June the companies can drill out on the campus, which will give them better opportunities than they have had indoors, or marching up and down Eleventh street.

Hurrah for Nebraska, and Scarlet and Cream!

Hall! hall! to the colors that shine in the light,
Hurrah for the Scarlet and Cream!

Here's to the college whose colors we wear;

Here's to the hearts that are true,
Hall, Alma Mater, Nebraska so fair!
Hall to our colors too.

Garlands of Scarlet and Cream intertwine,
And hearts that are true and voices combine,

Hall! hall! to the college whose colors we wear,
Hurrah for the Scarlet and Cream!

the club a firm footing for all future movements. The Omaha people are all very much interested in it, and are putting forth their best efforts to make the date a complete success financially and otherwise. The city is well posted now with striking advertising cards of the club.
