MAKE IT TWO STRAIGHT.

Kansas Again Defeated, by Score of 6-2. Almost a Shutout.

Three hits off Beltzer in the ninth inning prevented "the colts" from shutting out the Jayhawkers in the second game, played Saturday afternoon. The game was a good one, if we consider a low score an indication, but was not without a few bad errors by Kansas, especially by Boyle, the sore-headed first baseman and captain, whose glove seemed too slick to hold the ball. Otherwise the men played good ball. Sexton, who occupied the territory in left field for the visitors, merited and won the applause of the grandstand by several good catches that killed Nebraska men before they could get to first. Beltzer pitched a star game, and the visitors were unable to get a hit until the last inning. Captain Townsend in right field rivaled Sexton in his playing, making one especially spectacular catch.

The game in detail:

Broadbent went to bat for Kansas and struck at the first ball that came his way, knocking a grounder to Steen on second, who tossed the ball to "Willie" on first and the umpire called "Out." Woodford struck out, but Bender failed to handle the third strike, and the batter reached first while Bender and a small boy were trying to recover the ball. Curry went out on a fly to short stop, who shut off Woodford before he could advance another base. This was the only time a Kansas man succeeded in reaching first until the unlucky ninth inning.

Hood came to bat for Nebraska and got his base on balls. An attempt to cut him off at second resulted in a wild throw and a score for "Bonnet." Fetz got hit and walked. Bell knocked a fly to left field. Townsend hit Trevett for a three-bagger, and brought in Fetz. Bender sacrificed to bring in Townsend, and Wilson fanned.

In the next inning the Kansas men went out so fast that there was nothing doing for them at all. Boyle knocked a grounder to "Weary Willie Wilson" on first, Chase fanned, and Ramsey butted the ball; but Jimmie in the box was too fast, and the men changed places. Steen went out on a ball to shortstop. Shelmer walked to first and stole second on Beltzer's strike, Boyle fumbled on first and Beltzer kept his base. Hood went out on a fly to shortstop. Fetz reached first and the bases were full on an error on second. Bell hit, and Townsend got bases on balls, but Bell died between second and third.

The Kansas men continued to go down in one-two-three order. The 'varsity failed to score again until the seventh inning, when Townsend knocked his second three-bagger and came in for another score.

At the beginning of the ninth inning Beltzer had fanned eight men, given only one base on balls, and had not allowed a single hit. Trevett came to bat and fanned and the crowd, think-

ing the game was over, began to disperse. Broadbent landed on the ball with sufficient force to send it over second and Shelmer failed to cover the ground quickly enough to connect with it. Broadbent went on to second. Woodford sent another through shortstop that was too hot for "Putty" to handle. Curry failed to reach second, but the next man up sent the third hit out to center field and two men scored. Chase made the third out.

Ivy Day Preparations.

The Ivy day committee is making great preparations for the celebration of Ivy, or Class, day. The date has been set for May 1st, and in all probability a half holiday will be granted by the faculty to the entire school. A new feature will be introduced this year, in the way of May day exercises, for which elaborate plans are being made. The ivy will also be planted with appropriate ceremonies. Special music will be one of the attractions.

A Winning Game.

Tear Up Toggery Sale—Students usually know a good thing—20 per cent off, \$1.00 shirts 80c, etc., and a hundred \$2.50 and \$3.50 hats at a dollar. The Toggery, 1141 O.

Sisler & Leming, ice cream and milk, 107 No. 13th.

The Steiner-Woempener Drug Co.'s soda fountain, Twelfth and O, has a reputation for cool refreshing drinks. Those delicious ice cream sodas with fruits in season are a delight to students.

Junior-Soph Debate.

Saturday morning the members of the junior and sophomore debating teams met and concluded that the question of proportional representation, as adopted was not debatable. Several others were proposed and finally the following one was agreed upon: "Resolved, That labor unions should be incorporated." The junior team, by the flip of a coin, was given the choice of sides, and took the affirmative. The question is up-to-date and a spirited contest upon the merits of incorporated unions will probably result. These two classes have manifested more of the spirit of class antagonism this year than any other of the classes, the basket ball trouble furnishing a good occasion for class spirit to assert itself. The debate is therefore looked forward to with expectations for unusual strife.

"An Evening in Bonnie Scotland."

Professor Nesbit, who is conducting a five-weeks' course in conversational French in the city, will give an entertainment Thursday night at the First Christian church, Fourteenth and M streets, for the benefit of the college settlement. The entertainment will take the form of "An Evening in Bonnie Scotland," and will consist of character sketches from Ian MacLaren's "Days of Auld Syne," and short dialect readings and anecdotes by Professor Nesbit. Admission will be 25 cents, one-half of the proceeds to go to the college settlement fund. A large audience is hoped for and a pleasant evening promised.

Y. M. C. A. Finances.

As the end of the school year approaches the finance committee is putting forth a special effort to collect delinquent dues and subscriptions. All members are requested to pay up not later than April 30th. Secretary Ross or Treasurer Robert Hill can be seen every day in the rooms, and will be only too glad to issue receipts. It is hoped that this year's finances can be closed up in good shape, in order that plans may be entered upon for next year's work.

CADETS TO TAKE PART.

Will Be in Line When President Roosevelt Comes to Town.

The cadet battalion will take part in the reception to President Roosevelt Monday, April 27. The artillery detachment will fire the President's salute of twenty-one guns, just as the presidential train arrives in the city. The plan of the committee on arrangements is to have the cadets form on either side of Fifteenth street, north of the capitol, thus allowing the presidential party to pass between the lines on its way to the speaker's stand.

Knox Meet At Last Assured.

Athletic enthusiasts will be pleased to learn that the track management has succeeded in scheduling a meet with the strong Knox College team, to be held in Lincoln May 16. The Galesburg institution has an enviable reputation in athletics. Her track athletes compete in the big meets of the conference and they will certainly make it very interesting for our men.

The athletic board voted at its meeting last night to pay the expenses of ten men. This will necessitate the expenditure of considerable money, but with such a drawing card as Knox for the only meet to be held on the home grounds a large crowd is expected.

Athletic Board Election May 13th.

Section 1. Nominations. Any University student in good standing may become a candidate, on petition signed by twenty students filed with the secretary of the board before May 1, together with a statement in writing from said student that he desires to be a candidate and expects to be in the University during the coming year. Petitions in duplicate are to be posted in the gymnasium and University hall for five days and in lack of protest accepted by the athletic board. All names of candidates are to be published at least once in each of the University weekly papers. (The "petitions in duplicate" are to be posted by the student candidate, and he is responsible for insertion of notices in papers.)

Freshman Party.

The freshman class met yesterday and made final arrangements for the class party, which occurs next Saturday night in the armory. The freshmen expect to make their party rival the recent senior party in point of entertainment. All the popular forms of amusement will be furnished by the committee, which consists of Messrs. Mathewson and Sidwell and Miss Kline.

Besides providing for the class function, the meeting considered the matter of a chapel program which the class will give now soon. The program is not yet definitely arranged.

No baseball practice was held yesterday, on account of the damp condition of the field. All the men took a lay off and the most of them attended the league game at M Street park between Omaha and St. Joseph.
