Late Society Notes.

The freshman party was given in the armory Saturday night. About twenty-five couples were present. Dancing was the order of the evening, but games were provided for those who did not dance. The ever-present sophomores succeeded in "swiping" the gallons of ice, but the committee met the emergency and ordered three more gallons. An attempt to capture the president was unsuccessful.

The young ladies of Pi Beta Phi sorority gave their annual banquet in the ordinary of the Lincoln hotel Saturday night. The table was profusely decorated with candelabra and smilax and roses, besides many floral gifts from friends. The Pi Phi colors, wine and blue, were used in decorating. About thirty active and alumnae members were present. Miss Anne Stuart of this city presided as toastmistress and called for the following toasts:

1. Our Freshmen... Elizabeth Heacock
 2. The Ideal Fraternity Woman... Inis Everett
 3. Our Musical Pi Phi's... Kate Heacock
 4. Pi Phi's as Seen from the Moon Twenty Years Hence... Edna Holland
 5. Our Boys... Mabel Miles
 6. The Golden Arrow... Pearl Archibald
- Those present from out of town were Misses Belle Reynolds, York, and Grace Montgomery, Plattsmouth; Mrs. Vance, Wymore, and Mrs. White, Franklin, Ind.

Miss Goldena Denny, assisted by Miss Annette Shotwell, entertained a number of friends at her home last Saturday evening. The following short and spicy program was enjoyed by those present, after which all joined in singing college songs:

- Reading—The Whistler... Miss Burr
Solo—The Song of the Chimney... Miss Sargent
Sea Sickness... Mr. R. Woods
A U. S. Soldier's Experience... Mr. Tellesen
Fourth of July Among the Indians... Mr. O. W. Meier
Reading—A Medley... Mr. I. C. Baldwin
Reading—Marriage of the Flowers... Miss Denny
- During the evening ices and homemade candies were served. Those present: Mr. and Mrs. Denny, Misses Brown, Denny, Corral Denny, Gladys Denny, Finlay, Meier, Elizabeth Meier, Sargent, Grace Sargent, Shotwell, Annette Shotwell; Messrs. Cameron, Meier, H. A. Meier, Wilek, Tellesen, Sargent, Waltman, Woods, R. Woods.

Fifty engineering students and professors gathered at the Lindell hotel Saturday evening to attend the first engineering society banquet. A. A. Steel, Bruce Benedict, and Wm. Grant were the alumni present. The following is a list of toasts given, although Professor Morse was the only one that adhered strictly to his subject:

- Early Engineering in U. of N.... Professor Stout
The Engineer of the Future... Professor Richards
Success... Professor Morse
Highways and Byways... Professor Chatburn
The Young Engineer... Mr. C. L. Dean
The Engineering Society... Mr. Arthur Brown
Some Prime Movers... Professor Evans
The Radical Minus One... Mr. O. J. Ferguson
Student Days... Mr. Verne Hedge
- Notes of greeting were received from the following alumni: F. L. Meyer, Trenton, N. J.; H. E. Regan, Western Electric company, Philadelphia; H. W. Donbraba, Wagner company, New York city; H. J. Podlesak, Chicago. Dan Gutlebem sends a message from St. Louis, Mich.: "Your letter just arrived. To the boys prosit, let the good work go on."

The ladies of St. Paul's M. E. church will serve a May morning breakfast in the dining room of the church, next Friday morning, from 6:30 to 9:00 o'clock. Everything pertaining to a good breakfast including Westerfield's Little Gem Hot Waffles, all for 26c.

The Steiner-Woempener Drug Co.'s soda fountain, Twelfth and O, has a reputation for cool refreshing drinks. Those delicious ice cream sodas with fruits in season are a delight to students.

The University of Chicago Professional Schools

Medicine Theology
Law and Education

Each has a special Circular of Information which will be sent on application. Each will be in session during the Summer Quarter (June 17—September 3). The courses in Medicine are given in connection with the work of Rush Medical College.

The University of Chicago, Chicago, Illinois

Academy Summer School.

Neat circulars containing the Lincoln Academy's Summer School announcements are now ready for distribution. In addition to the many educational advantages found in Lincoln, as a result of co-operation, many country superintendents have consented to credit for work done in the University and Academy and will, on request, permit substitution of their course for required institute work. The Academy's teachers will, in most cases, be regular University instructors. Courses will be given in English, review arithmetic, beginning algebra, advanced algebra, beginning geometry, solid geometry, and beginning physics, German, chemistry, and Latin.

The Academy is growing and growing. Geo. H. Morse to be professor of electricity this year by every college in Nebraska. The number of regular students has increased 100 per cent.

Athletics are not left out of consideration. For the men, there is football, with accommodations of shower bath and coaching; for women, there is basket-ball, also with shower bath and expert coaching. In the social line, there are several clubs—the Women's Social Hour club, the men's debating club, and the Latin club. It is worthy of note that no scandal and no case of discipline has arisen. The cutting of classes has been successfully fought. The faculty includes nine teachers of experience, college graduates, many holding higher degrees. With such a creditable record and such bright prospects, the Lincoln Academy will certainly accomplish a great deal in the future, and especially will the summer course be made a profitable one.

The City Improvement society has completed the work of improving the grounds at the college settlement, Twentieth and N streets. The work consisted of paving, curbing along the street, grading, and the planting of trees, shrubs, and vines. The grounds now present a much better appearance. With a few other improvements, such as a new porch on the building, the house will be a model college settlement house. Professor Barbour will give a lecture Wednesday night at the college settlement on "Ancient Inhabitants of the Plains." The lecture will be illustrated by a large number of lantern slides.

Monogram Frat Pennants

Our frat pennant maker has designed a new series of frat pennants with the Greek letters in monogram form. Everyone who has seen the pennants has pronounced them "swell."

We cordially invite you to come and look over the samples
