 Branch Office, 606 F St., Washington, D. C.

Campus Gleanings

Mabel Ashley has returned for work in the University.

The medical faculty of the University had a meeting in U. 104 Wednesday.

About 150 geranium plants are in excellent condition for winter blooming.

Sigma Alpha Epsilon will entertain next Saturday evening at Walsh hall.

Mr. Swenk is out on the sick list. He is doing special work in Ornithology.

C. O. Beardslee, of the engineering department, is drafting for the B. & M. in this city.

Bollers numbers 1 and 2 have been removed from the boiler house to the state farm.

About 3,000 growing plants have been set out in the green house for garden beds next year.

Professor C. E. Persinger goes to his home in Central City for a short visit over Sunday.

Miss Franklin, last year's assistant in mathematics in the University, is teaching mathematics in the Lincoln Academy.

The New Testament Greek class, consisting of seven members, has been organized by Professor Dann. The class meets twice a week.

Mr. and Mrs. Hodgman give a reception Saturday evening to all the Academy students from 8 to 9 at 1414 North Twelfth street.

The new artificial stone roof of the boiler house is nearing completion and will, weather permitting, be finished in a week or ten days.

Mr. Congdon, the new assistant in mathematics, is a graduate of this University, and has taught mathematics both in the Omaha and Lincoln High Schools.

Workmen in the boiler room are busy removing one of the old 100 horse-power Sterling boilers. It will soon be replaced by a new 150 horse-power Heine boiler.

Miss Laura Pfeiffer, for several years at the head of the history department of the Omaha High School, has entered the European history department to take the place vacated by Dr. Kuhlmann.

The laboratory class in mechanical engineering 17 meets on Mondays and Wednesdays from 2 to 5 p. m. The laboratory class in mechanical engineering 15 meets on Tuesday and Thursdays from 2 to 5 p. m.

In the October number of American Historical Review will appear an article by Prof. Fling of the European history department on "Historical Synthesis," an account of the new logic in historical sciences.

The first open business meeting of the Y. W. C. A. was held Wednesday at 1 o'clock. The following officers were elected to fill vacancies: Vice-president, Miss Alene MacEachron, recording secretary, Miss Woodsmall.

Clyde Tellison, president of the Senior class last year, is in town visiting old acquaintances. He is now on the road in the interests of an Omaha book publishing company, with a large salary attached to the position. He intends to return to school next February for a semester of medical work, after which he intends to enter the medical department of Chicago University.
