**Y. M. C. A. Meeting.**

An attraction of merit has been se-  
cured for the third in the series of  
big men's meetings, to be held at the  
Oliver theatre next Sunday afternoon  
at 4 o'clock. Dr. Hubert C. Herring,  
the successful and forceful pastor of  
the First Congregational church of  
Omaha will be the orator on this occa-  
sion. Dr. Herring has remarkable abil-  
ity in presenting his subject in such  
manner that his audience may carry  
away a clear and comprehensive idea  
of it. Professor Miller, superintendent  
of music in the city schools will furnish  
the music. As one of his selections,  
Professor Miller will sing the "Holy  
City."

A great many favorable comments  
have been heard concerning the high  
character of the meetings, which have  
been held thus far, both in regard to  
the speakers and the music which has  
been furnished. This high standard  
will be pushed still higher at next Sun-  
day's meeting. College men are given  
a specially cordial invitation.

**A Successful Lecture**

The University lecture bureau is  
meeting with decided success and the  
way our lecturers give satisfaction may  
be seen by the following clipping from  
the York Daily Times:

"A good sized crowd greeted Profes-  
sor Barbour at the Fraternal hall last  
evening to hear his lecture and a nice  
sum of money was put into the eight  
grade treasury. The lecture was one  
of the most instructive and interesting  
ever delivered in this city and people  
who were not present missed a rare  
treat."

**THE  
AMERICAN MONTHLY  
REVIEW OF REVIEWS**

**How Can I Keep Up with  
the Times?**

IT is pretty hard to keep well informed on the  
political news, the scientific news, the literary  
news, the educational movements, the great  
business developments, the hundreds of interesting  
and valuable articles in the hundreds of excellent  
magazines.—About the only way it can be done by  
the average busy man and woman is to read a  
magazine like "The Review of Reviews," and, as  
it is the only magazine of the sort, it is a good  
thing to send \$2.50 for a year's subscription.

PRESIDENT ROOSEVELT says:

"I know that through its columns views have been pre-  
sented to me that I could not otherwise have had access to;  
because all earnest and thoughtful men, no matter how widely  
their ideas diverge, are given free utterance in its columns."

EX-PRESIDENT GROVER CLEVELAND says:

"I consider it a very valuable addition to my library."
