**The County Fair.**

Saturday evening in the Armory, you can see for the small sum of ten cents the greatest celebrities and curiosities known to the modern world. Fatima, the fat lady, the living skeleton, the original Tom Thumb, and all the other curiosities common to the County Fairs of our youth. There will be animal, flower and fruit exhibits, colored minstrel singers, fortune tellers, and races of all kinds, sorts and descriptions. Our old friend Josiah Allen and Samantha Allen will be among the distinguished guests present. There will be several side shows of especial interest, among others an Oriental booth, a prize baby show, and Mrs. Jerry's wax works. A great deal of interest is centered around the baby show. Quite a number of entries have been made. Come and pick your favorite among the Uni. babies. There will be the indispensable pink lemonade and pop corn booths, which will bring delight to the hearts of the small boys of the University. You are invited to come and have the time of your life.
