VOL. III. NO. 46

UNIVERSITY OF NEBRASKA, LINCOLN, TUESDAY, NOVEMBER 24, 1903.

PRICE 3 CENTS

NEBRASKA

Words by Will M. Maupin, music by William O'Shea.

Nebraska! We stand while we sing to thee!
Thy star on the flag we cheer.
No star on the blue shines brighter than you,
None other to heart so dear.
Whatever betide, our hearts swell with pride,
At mention of your great name;
And joyfully sing, till the echoes ring,
Of our Nebraska's fame!

Refrain:
We're singing thy praise through the sunlit days;
Undimmed shall thy glory stand.
Nebraska! Nebraska! The Queen of the West!
Our own Nebraska land!

We hail with acclaim thy glorious name;
We love ev'ry inch of thy sod.
We shout in our glee when agleam we see
The sheen of thy bright goldenrod.
We sing in our pride of your rivers wide,
Thy boundless resources proclaim;
And cheer when we hear the echoes clear
Of our Nebraska's fame.

Refrain—
The storehouse of earth in thy bounds we build,
And point all the world to thee.
The nations we've filled from thy fields well tilled
And ranges so broad and free.
From valley and plain pours the golden grain,
In fullness that men acclaim;
And loudly we sing till the echoes ring
Of our Nebraska's fame.

FINAL MEETING

Mass-Meeting for Illinois Today. How Bellevue Was Swamped.

This morning at chapel time there occurs the last great students' rally of the year. This rally is in connection with the great game on our schedule—the contest with Illinois. It is designed to rouse into fiery ebullition the languid spirits of the student body, so that on Thanksgiving day Nebraska's team will be cheered to victory with all the ardor that a large and united force of rooters can arouse.

Coach Booth will address the meeting. He has some interesting facts to disclose, and his opinions will certainly arouse interest. Others will also speak and all will strive to make this meeting the most successful of the year. The band will operate on the spirits of those present in an effort to increase their vitality. They will render the new Nebraska song, which is printed elsewhere on this page.

Bellevue was here. She's not here now, but she was last Saturday.

The Bellevue team and about 150 rooters arrived in Lincoln at about 2 o'clock Saturday afternoon on a special train.

The game was called at 3:10 p. m. The day was a good one and the crowd fair-sized. The Bellevue contingent occupied reserved seats in the grandstand, and hung a large banner between two of the posts in front of the stand.

Each student was supplied with a pennant, their colors being blue and gold, and the effect was very pleasing. They cheered loyally for their team clear through to the bitter end and their spirit was to be commended.

THANKSGIVING GAME

NEBRASKA vs. ILLINOIS

The spirit throughout the game was of the best. Both sides cheered for each other and their opposing teams. The game itself was a very clean one. The Nebraska line was a mixture—a good many of the Varsity men were kept out and saved for the Illinois game, so that the full strength of the team was not used against Bellevue.

The visitors were rather light but very speedy and sure. The game on both sides was remarkably free from fumbling.

Bender kicked off for Nebraska at 10 minutes past 3 o'clock, the Bellevue man returning only a short distance.

For a few brief, sensational minutes, Bellevue played a hard, snappy game and "did things" to the Nebraska team in the way of end runs.

The visitors had some very clever plays which for a while they sprung on the Nebraska team with telling effect.

Twice Moore of Bellevue circled our left end and got clear of all the players except Bender. But Bender was there and got him sure, and hard both times.

The new men soon steadied down and Bellevue's brief spurge was past. During the first few minutes of play Bellevue rushed the ball down to our yard line, and there tried a drop kick, but failed. This was the nearest the scoring the visitors came.

As soon as Nebraska got the ball she marched steadily down the field for a touchdown. Graves going over for the score.

Before the half closed Marsh was sent over for a second touchdown, this ending the scoring in the first half.

In the second half the team pulled itself together and the new men played like veterans. Standeven at left end played a good game. He is credited with a sensational run of sixty yards, during the course of which he was tackled three times, before he was finally downed. Wilson and Mason were also strong and consistent ground gainers.

Every little while Bender would take the ball under his arm and amble down the field for twenty-five, thirty or forty yards. The Bellevue men found it no easy proposition to tackle him. In one of his runs he hurdled clear over Moore and went on down the field.

The visitors were unable to do anything against the Nebraska attack and we gained almost at will both through the line and around the ends.

Touchdown after touchdown was made until it became almost a constant race up and down the field.

Bellevue played a very gritty game till the last whistle blew, but were simply out-classed at every point.

When the final score was counted and the books balanced Nebraska had 52 points and Bellevue 0.

Moore, for Bellevue, played a star game and deserves great praise. Bender played his usual brilliant game and

time after time played horse with the Bellevue men.

During the last half Marsh is credited with two touchdowns, Belle two, Bender one, Lantz one, Mason one.

NO GRAFT ALLOWED

Freshmen Will Conduct Hop on Fair Principles.

President Scott, of '07, has finally appointed a committee to have charge of the Freshman Hop, which is to be held December 18th, at Fraternity hall. This committee and its work will form the center of social opinion for some time to come, for it represents the first real step ever taken in the University toward the elimination of graft in social functions. This is not a committee of one or two men, or for one or two men, but a committee of the class of '07, and for the class of '07. There will be no rake-off to line some individual's pocket, but the income from sale of tickets will be expended where it should be, in making the Hop more complete and more enjoyable, and any funds left over will revert to the class treasury. There are some who contend that a hop is made up of three component elements—a partner, music and floor. This conclusion has doubtless been reached by the method of elimination and all the pretty enjoyable features have been cut out, leaving only the essentials. This is the theory of the grafters, and they proceed to put it into practice by announcing a hop, providing a hall and music, too often not of the best, and charging a price which would warrant three times the outlay, and so far has this spirit of graft been tolerated and so immune have the grafters been from censure, that at a recent hop the price of admission was raised by half at the last minute. Every fellow had invited someone, and of course had to dig up. The grafters took advantage of the situation beautifully and nearly made expenses by this strategic coup, but they failed to reckon with public opinion, which didn't pass with the hop and which, though perhaps not spoken openly, severely condemns the act. And this is not entirely the fault of the individuals at point. It is the fault of custom, and of us in tolerating such things.

The class of 1907 is to be congratulated upon its action, taken where it should be, at the very beginning, looking toward the cutting out of the mercenary grafting of one college man upon his school mates, and toward making the Freshman Hop an affair distinctly one of the whole class and for the whole class.

THE SENIORS MEET

Play Arranged For and Prom Committee Appointed.

The Seniors met yesterday morning in U. 106 and a number of business items of an important nature were carried out. It was voted that both the boys and girls have their pictures for the Senior Annual taken in caps and gowns. This is a decidedly new venture in the University, but it is a step in the right direction which should be credited to the present Senior class. The class play also is to be conducted in a businesslike manner. The committee reported that the outlay will be about \$300, which amount is to be raised at once by an assessment levied on each member of the class. By this means the committee will know where they are at and can proceed to get up a good play without fear of running behind financially. Receipts will be issued which entitle the holder to tickets to the play. N. J. Elliott was unanimously chosen chairman of the play committee. The pin committee reported that sample pins will be left in the executive office and Seniors are requested to express their preference so that a vote may be taken at some future class meeting. It was decided that a monogram made from "U. of N., '04," be worn on the boys hats. The committee reported that orders for hats and canes may be left at the Co-Op. Mr. Harrison, manager of the class football team, spoke of the Senior-Freshman football game and urged every Senior to be out and help hold up the honor of the class by cheering the team on to victory. The Senior Prom committee was announced by President Elliott, and is as follows: Mr. L. P. Hewitt, chairman; Mr. Clarke Bell, master of ceremonies; P. J. Harrison, Miss Katherine Sterling, M. E. Townsend, E. F. Myers, Miss Mabel Stephens, Roy Beckford, Ernest Bridge, Miss May Edholm, Miss Elizabeth Heacock.

Y. M. C. A. Business Meeting

One of the important business meetings of the year will be held in the Y. M. C. A. rooms tonight at 7 o'clock. The subject of raising the association's pledge to the Temple Fund will be taken up. A full attendance is desired as the opinion of every member of the association is of importance in the matter. The meeting will be dismissed before 7:45 p. m., in order that everyone may attend Professor Jastrow's lecture.

Inter-class Athletic Board to Meet

The Inter-class Athletic board will meet this morning at 10 o'clock in U. 106. The purpose of the meeting is to consider the legality of the amendment to the inter-class rules—passed at a meeting in which the Freshmen were not represented. The Freshmen claim that the amendment will not stand, the Seniors hold the action was legal. At the meeting this morning the point will be decided.

Conservatory Notes.

Miss Bessie Snyder is able to attend classes again after a week's illness.

Quite a number of the girls will go home Wednesday to spend Thanksgiving.

The regular Saturday recital will not be held this week on account of vacation.
