A Tasteful Display.

The beautiful display of pennants in the west window of the Armstrong Clothing company's store is attracting much attention among University students. The ingenious arrangement of the numerous and varied colors representing other institutions as well as our own and a large number of fraternities, blend in a display of exquisite taste and attractiveness. The Scarlet and Cream predominating is a welcome sight to University people and all who have taken the opportunity to view the display are most outspoken in complimenting it.
