Campus Gleanings

Sarah Davies has quit school on account of ill-health.

Roy Carpenter is not able to attend classes on account of illness.

The first year class in domestic science is working with cereals this week.

The class in qualitative chemistry will have its examination next Monday.

Miss R. Hamilton will leave today for Atlanta, Ga., where she will spend her Christmas vacation.

Professor Caldwell's class in "Current Events" discussed the labor question yesterday.

J. B. Clark has been absent from his classes this week on account of sickness.

There will be a meeting of the alumni of the Browning club Monday at 10 o'clock in room 204 U.

The choir of St. Luke's Episcopal church gave an informal party at Walsh hall yesterday, which drew a good attendance.

Miss Helen Streeter has withdrawn from the University on account of illness. She will be back in school again after the holidays.

Lucius M. Stores, a former resident of Lincoln and a former Academy student now of Denver, was calling on University people yesterday.

A bulletin has been posted announcing that the Xmas holidays will begin at 6 p. m. Friday, December 18th, and end Monday, January 1, 1904.

Edith Robins has been out of school for several days as a result of injuries sustained in a fall while skating Monday.

Roy Carpenter has obtained an indefinite leave of absence and gone south on account of ill-health. It is not expected that Mr. Carpenter will be back in school again this semester.

The Nebraska section of the American Chemical society will meet December 17 in the chemical laboratory. Dr. F. J. Alway will read a paper on the "Preparation and Properties of Nitroso Compounds."

Nellie Rhea has obtained a leave of absence from the registrar's office. Miss Rhea's eyes are in such condition that a rest is necessary, and she probably will be out of school the rest of the semester.

Miss Rosa Bouton will leave tomorrow for Friend, Neb., where she will give a lecture on "Chemistry in the Kitchen," and "Household Sanitation," before the farmers' institution of that city.

The Christmas service of the Y. W. C. A. will be the last Sunday service of the year. Every girl is invited Sunday afternoon in U. 160. The first meeting after the Christmas holidays will be on Sunday, January 3.

The two papers embodying the investigations of Mr. Bates, former fellow in physics in the University of Nebraska, have just appeared in No. 12 of the Annalen der Physik and Chemie, a standard German publication.

Chancellor Andrews will preach at the United Presbyterian church, corner 16th and W, next Sunday morning in place of the pastor, who is absent in the east. All students who can should avail themselves of this chance to hear the chancellor.

The physics department is in receipt of a Fabry-Perot interferometer, an instrument used for resolving finer spectral lines than the spectroscopy can resolve, and also for comparing units of length directly with length waves, which is the most absolute system of measurement in use.
