BASEBALL MEN PRACTICE

Benefit by the Fine Weather and
Work Out.

The baseball men took advantage of the weather yesterday and turned out to the number of about forty. If this weather only keeps up for a couple of weeks longer the men will be in good condition to settle down to good hard work when spring at last comes. A number of last year's team are back and will be prepared to hold their jobs against any new comers. Beltzer, Townsend and Morse, of the pitching staff, are out. Bender is in school but has decided to do track work instead of holding the backstop position for another season. Steen is showing up in fine form and will doubtless have no trouble in winning his place at third.

Manager Bell received a telegram from the Notre Dame manager on last Monday, which set the date of the game with that institution for May 3d. On the 1st we play Chicago, the 2d is open, Knox and Lombard cross bats with us on the 4th and 5th. The schedule has been considerably strengthened by the addition of Notre Dame, as the Catholics specialize in baseball and have beaten us with considerable regularity heretofore.

The baseball team has gotten down to work, and they intend to give Wisconsin a warm reception next week. The northern trip disclosed the fact that while our team work was up to the requirements, there was a sad inability to shoot goals accurately. Hagensick is the only man on the team who can make his basket within any place near the proper number of times, and to remedy this defect, Dr. Clapp has arranged for certain hours when every member on the team shall do nothing but put the ball in the elusive basket.

A game with the Omaha Y. M. C. A. for Friday night was considered, but it was finally decided not to play it, but save the men for the big contest with Wisconsin a week from that night.

The championship contest between the Freshmen and Sophomore basketball teams is arousing a great deal of enthusiasm, and all indications point to a big crowd out for the game. The Freshmen seem to have considerably the better chance to win, but many think that the Sophs will give them a hard rub, as they won the championship from the present Senior team last year. Three of the last year Freshman team are back, and Winchester and Kimmell, two Lincoln high school men, take the other places. The game can not be played this week on account of the girls' tournament, and unless played next Monday will have to be postponed until sometime in March.

Dr. Clapp has divided the track men into several divisions in order to facilitate coaching. The sprinters and broad jumpers will meet him on Mondays from 4 to 4:30, the high jumpers and distance runners are to come out on Monday from 4:30 to 5, and on Wednesday from 4 to 4:30; the hurdlers train from 4:30 to 5 on Wednesday, the heavyweight men from 2:30 to 3 on Saturday, and the pole vaulters from 3 to 3:30 on the same day.

Conservatory Girl Seriously Hurt

Word comes from Hebron, Neb., of the serious injury suffered by Miss Ruth Johnson, a student at the Conservatory of Music, who was home on a visit. While out rabbit hunting Saturday she was accidentally shot in the side by a friend in whose company she was. The doctors have been unable to find the bullet, and while holding out hopes for recovery regard her condition as very serious. Miss Johnson has many friends in the University who will be deeply concerned to hear of her serious condition and will unite in the earnest hope that her life may be spared.
