Mr. Pipal was out of school yesterday on account of illness.

Prof. C. E. Persinger made a business trip to Central City yesterday.

The Glee club will meet in Memorial hall Wednesday evening at 7 o'clock.

Professor Fessler and Dr. Lees have returned after enforced absence, due to illness.

Mrs. Lott, of South Omaha, visited in the city yesterday with her son, Charles Lott.

Mrs. Miller, of South Omaha, visited in the city yesterday with her son, Charles Miller.

Professor Barber lectures in chapel this morning on "The Coliseum and Triumphal Arches."

Miss Howell goes to Fullerton Friday to give readings, under the auspices of the high school of that place.

Professor F. W. Smith left today for Rees, Neb., where he will address the students of the high school this evening.

The Union and Palladian literary societies will hold a joint party next Friday evening in Union hall. A good time is expected.

Dr. Hansen visited at the Sigma Chi house the first of the week. He has discontinued his studies at Purdue and is now traveling.

Mr. S. H. Thompson, who is a graduate of the University, and at present principal of the Nelson schools, reports a successful school year.

All students expecting to graduate this year and desiring high school positions should leave their name at the University Teachers' Bureau.

Mr. R. S. Mockett, a prominent member of the Lincoln bar, addressed the Senior law students yesterday on various commercial phases of Nebraska laws.

The botanical staff, under direction of Professor Bessey is now engaged in making revisions of the courses in botany for the next calendar. A number of important changes will be made.

Professor Luckey received a card from Miss Clara M. Glover, at Shelton, Neb., and an announcement of the high school program given February 26. Miss Glover is an instructor in this institution.

Owing to the fact that some of the members have been inconvenienced by school work and outside matters, the Dramatic club has been obliged to postpone the two plays that were to be given this week to a later date.

Prof. F. D. Heald, of the zoological department of the University, has received an invitation from the University of Colorado to give work in the botany and zoological departments of that institution during the summer school session. He has not answered yet, and is still debating the advisability of the proposition.

The Engineering society will hold its regular meeting Wednesday evening in M 211. There is some very important business to be taken up, including next year's annual board. After the business meeting there will be a "gang talk" upon the Panama and Nicaragua inter-oceanic canal routes. A large attendance is desired.

Telephone reports received in Lincoln, say a defective wire at the state normal at Peru caused a dangerous fire which threatened to become disastrous. The fire was extinguished by the efforts of the students and amateur firemen. The loss will amount to \$500, chiefly caused by water.

There was no panic. In a systematic, orderly manner the students, members of the faculty and citizens fought the flames.
