The final steps are being taken preliminary to issuing the summer school calendar.

It seems that mistakes creep in with great insistence concerning the date of the Senior Prom. It should be understood by all that April 8th is the date of this event, and that this is final.

Company E. May Go.

There is an unconfirmed rumor in circulation that Company E is to be dissolved in the near future. While no official regulation has been made in this respect, there is no reason why Company E should be continued as an organization as soon as the object for which it was founded is done away with. The rapid improvement which has been made under the captaincy of Captain Lewis has removed in large degree the necessity for further continuing it.

Band Informed March 26.

Saturday night another of the popular Band Informals will be held in the University Armory. General approval is being expressed at the revival of these much appreciated events, and a large number of couples will probably be in attendance at the next one. The men in charge of the affair are exerting themselves to make it unusually successful.
