

SUCCESSFUL GAME

Comment on the Girls' Contest. To Meet Missouri Next Year.

The success of the basket ball meet with Minnesota is still the subject of a good deal of comment. So large a crowd was present that not only was the great expense of bringing the team to Lincoln covered, but a good amount was cleared over and above. The best culture of Lincoln and of the University was, as usual, at the girls' intercollegiate matches, represented among the spectators.

The girls of the Minnesota team were great favorites during their stay, and not a little regret was expressed when they departed. They seemed not at all to mind their defeat, but thoroughly enjoyed themselves, Saturday, at the various functions in their honor.

The scorer reported some changes from the account of the game published in the Saturday papers. Of the 18 points scored by Minnesota, Miss Van Bergen scored two goals from the field, and Miss Cox one, instead of the two with which she was credited. Nine points (out of twelve chances) were scored by Miss Cox from the foul line. The remaining 3 points were awarded as penalties. For Nebraska Miss Scott threw two goals from the field, instead of one, Miss Shinbur two on fouls, and something like a dozen or so were thrown from the field by Miss Jansa. The Minnesota girls found themselves unable to work the beautiful team play which was a feature of the other game, owing to the activity and energy of their opponents. On the other hand the swift high passing of the Nebraska team seemed more than they could hinder.

All in all the intercourse between the teams, brought on by the matches, was very pleasant. Many are looking forward to a repetition of the meet another year. A trip by Nebraska to Missouri next season is already determined upon.

The big track meet with the Lincoln High School, which was to have been held yesterday afternoon at the F. & M. park, will be held tomorrow afternoon at 3:15. It is expected that much better work will be done in this meet than in the preliminaries last week, if the weather is good. Benedict and States are both back and training regularly.

From all indications the interclass meet next Saturday will be quite exciting. Students who have not been stars in track work in the past should not be afraid to get out as they have a fair show and can get into the final heats if they have any ability at all.

The Athletic Board meets Wednesday morning at Chapel time.

Mr. Lane, the gymnasium assistant, will have an operation performed this morning for appendicitis. He has been troubled with this for some time and every one hopes this will cure him permanently.

A tennis meet between Minnesota and Nebraska will be held on the campus May 19 and 20. This is the result arrived at by E. P. Tyner and Manager Deering of the Minnesota team, during the stay of the latter in Lincoln, as the manager of the Minnesota girls' basketball team. Minnesota will send two men to Lincoln to compete with the local champions and a preliminary contest to select the men who will represent Nebraska has already been scheduled for May 1 and 2. The men who will meet Iowa at Iowa City on the 13th and 14th of next month will also be chosen at that time.

No games have been played by the baseball team during its present trip. The games with Highland Park last Saturday and Grinnell yesterday were both cancelled on account of rain.

Kansas Debate

...FRIDAY NIGHT...

Memorial Hall - 25 Cents
Chancellor Andrews to Preside

FOR THE DEBATE.

Preparations Being Perfected for Contest Friday Night.

Arrangements for the great debate Friday are being rapidly completed. The prospects for a good crowd are indeed encouraging. The Palladian society has applied for a block of fifty seats, and applications have also come from the faculty of the high school and the Academy. The process of choosing the third judge is now going on, and it is expected that a conclusion will soon be arrived at. The work of selecting the judges for the Washington debate has commenced. This debate will be held in St. Louis May 12.

The list of judges submitted by Chancellor Strong of Kansas has arrived, after a considerable delay in transmission. It contains the names of two prominent Lincoln citizens.

A practice debate was held in Memorial hall yesterday evening, and marks the finishing touches that are now being put on. The contest Friday night will be the sixth in order since Nebraska has risen to prominence as a leader in debate in the west. In 1902 three victories were gained by unanimous decisions, and in 1902 two more were added to the list. Inside information conveys to us the impression that the debate Friday night will be spectacular.

The pictures of the Kansas team will be put on the bulletin board today. The originals will probably appear in chapel Friday morning, and make a short address at the end of the musical program. The Kansas men are expected to arrive Thursday afternoon or evening.

Regarding the Freshman Party.

Editor Nebraskan:

The Freshman party will be held at Walsh hall, May 12. This change in date and place is necessary since Walsh Hall is better qualified for the production of our play, "The Obstinate Family," which will be given incident to the party.

The privilege of having a Freshman party has always been conceded to Freshmen. We believe therefore that we have not displeased the upperclassmen in this matter and so extend them a cordial invitation. Yours very truly,
W. E. STANDEVEN.

Sam's Cafe. The only place in the city to get the famous "Little Gem Hot Waffles." Special service for ladies.

Don Cameron's lunch counter for good service.

C. H. Frey for choice cut flowers, 1133 O Street.

Y. W. C. A. Notes.

The Y. W. C. A. was exceedingly fortunate in having for their speaker Sunday Rev. Clyde Cissell, pastor of Hanscom Park M. E. church at Omaha.

Thou, therefore, endure hardness as a good soldier of Jesus Christ. For unto you it is given in the behalf of Christ, not only to believe on Him but also to suffer for His sake.

Gleanings from this address were: Character is not formed in a moment, but as the coral reef is made of many minute particles, piled, one above another, day by day, and becoming at last a haven for ships on the great ocean. So in our lives the well doing of the little, obscure, unimportant tasks (though in God's sight there are no small tasks) day by day, build a character that will be a blessing to us and others.

Dr. Swearingen will address the personal workers' class from 5 to 6 p. m. Tuesday at room U, 106.

Saturday in response to Mrs. Hodgman's kind invitation eleven of the cabinet members met the advisory board at her home. The retiring officers gave their reports and the new ones their policies for the coming year, which were approved by the board. Refreshments were served and all report a pleasant afternoon.

A summary of the year's work will shortly appear in The Nebraskan.

WANTED—A place where a graduate of the Pawnee High school can work this summer to earn money enough to enter the University next fall and work her way through school.

A Graduating Recital.

Tomorrow evening Miss Winifred Howell will render the following graduating recital in Memorial hall:

Tocata and Fugue, D minor, Bach-Brassin.

Please help the poor. Buy your cigars and tobacco of Frank DuTell, 1020 O St.

Leming's, ice cream and candy: 11th and L Sts.

Chapin Bros., Florists, 127 So. 13th.

CORRECTION MADE

Revised List of Requirements for P. B. K. Eligibility.

It having been found that the statement of the new requirements for election to Phi Beta Kappa published in The Nebraskan last Friday is open to misinterpretation, the following statement of the requirements has been furnished us for publication. All students interested in the matter are therefore requested to take notice of the following and to govern themselves accordingly:

The required subjects are arranged in three main groups, with three sub-groups in each group, as follows:

LITERARY AND LINGUISTIC GROUP.

1. English and English Literature (including Anglo-Saxon), 10 hours.
2. Modern Language and Philology (including Gothic), 10 hours.
3. Ancient Language: Latin, Greek, and Sanskrit, 10 hours.

Excluding courses in Greek or Roman History, Art or Literature, in which English texts or translations are made the basis of instruction.

HISTORICAL AND PHILOSOPHICAL GROUP.

4. History, American and European, 10 hours.
5. Philosophy and Psychology, 10 hours.
6. Political Economy and Sociology, 10 hours.

SCIENTIFIC GROUP.

7. Exact Science: Mathematics, 10 hours.
8. Physical Sciences: Physics, Chemistry, Astronomy, excluding courses without laboratory work, 10 hours.
9. Natural Sciences: Botany, Zoology, Geology, excluding courses without laboratory work, 10 hours.

Members of the class of 1905, in order to be eligible for election of Phi Beta Kappa, must have taken:

1. At least ten (10) hours of work in at least one (1) sub-group in each of the three main groups.
2. In addition, at least ten (10) hours of work in at least two (2) of the remaining six (6) sub-groups contained in the list of required subjects.

Members of the class of 1906 and subsequent classes, in order to be eligible to Phi Beta Kappa, must have taken:

1. At least ten (10) hours of work in at least one (1) sub-group in each of the three main groups.
2. In addition, at least ten (10) hours of work in each of at least three (3) of the remaining six (6) sub-groups contained in the list of required subjects.

In accordance with an established rule of the chapter, only those Seniors are eligible who have had at least seventy-five hours of college work in the University of Nebraska. Election is not, as is often supposed, based upon the recommendations of head professors or of the Phi Beta Kappa members of the faculty. Reports of actual grades are received from all the members of the teaching staff, and the standings are based upon these alone. The standing is figured with reference to the number of hours, not the number of courses merely, i. e., a five-hour course is five times as important for the final average as a one-hour course. From the Senior list as determined by final averages, the society is required to take not less than the highest one-sixth of the entire class. In practice, it has regularly been the case that the first sixth of the class have a grade of E, in the present marking system. From this it is evident that only those students are likely to be elected that have received more E's than G's while a few M's or P's are fatal to election, unless offset by an otherwise complete record of E's.

BIG LADIES' MINSTREL

42 Bouncing Black Beauties 42

OLIVER THEATRE, APRIL 28.

ADMISSION : : : : 25, 35 and 50c.
