

FRESHMEN WIN OUT

Have a Good Margin of Points Over Rival Classes Saturday.

Last Saturday the interclass meet was held at F. Q. M. Park. The weather was ideal.

Hauser again lowered the state record for the hurdles, making the 120-yard hurdles in 16 4-5 seconds, and the 220-yard hurdles in 27 seconds. He is getting in fine form and will probably lower his records some more before the season is over.

The Freshman class won the meet by taking 65 points. The Sophs were second with 25 points, the Juniors third with 18 points, while the Seniors had to be content with 12.

While the races as a whole were not fast, this can be attributed to the fact that the winners were not pushed very hard.

Next Saturday at F. & M. Park will occur the handicap meet. This meet will settle for certain who will go with the team to Boulder on May 11. Most of the places have been definitely decided. Martin, Weller and probably New ton, will represent Nebraska in the weights.

Hagensick, Benedict and States are sure of their places in the long distance runs, pole vaulting and broad jump, while Hauser will compete in the hurdles.

The sprints are still undecided, but Smith and Neider have the best chance. The following is the result of Saturday's meet:

Bend, Ind., was not played yesterday. A special dispatch to The Nebraskan last night stated that the game had been cancelled. No reasons were given. Today Nebraska plays Notre Dame, and a victory over the team which has heretofore defeated us in every game would amply atone for the poor results thus far achieved by the team. Morse or Adams will be in the box.

The Athletic Board is scheduled to meet at 7:30 this evening.

The Sophomore's baseball team made a trip to Roca Saturday and defeated the local team at that place in a fast game. Hrubesky's work in the box for the second year men was the feature of the game:
Score by innings:
Sophs 1 0 1 4 0 0 3 0 *—9
Roca 2 0 0 0 1 0 0 0 0—3
Batteries—Sophs, Hrubesky and Carson; Roca, Wilson and Hertz.

Farewell Reception

A farewell reception was given by Mr. and Mrs. W. J. Bryan in honor of Yamashita Yashichiro, at Fairview yesterday evening. A large number of faculty, students and other friends and acquaintances of Mr. Yamashita were present. Several vocal selections were furnished by Mr. Frank Farmer of the Wesleyan Quartet, whose home is in Lincoln, and who is here on a visit. The refreshments were served by Misses Grace Bryan, Helen Schwind, Faith Schwind and Mary Young.
Mr. Yamashita left this morning to join the Japanese legation at the St. Louis fair. There he expects to remain until the end of the year, when he will return to Japan after his long absence, and will assist in the publication of a daily paper in Tokio. During his University career he has made many admirers by his talents and perseverance, who will unite in wishing him success in his journey along the paths that he has chosen to travel.

Palladian Girls Entertain

Last Saturday evening was the occasion of much merriment at the home of Miss Nelle Miller, 1557 U street, where the Palladian girls entertained the Palladian boys at supper. At 6:30, sixty-two Palladians found their places in the dining rooms, which were beautifully decorated with scarlet and cream May poles, streamers and Palladian banners. After tempting courses had been served the following program was rendered, Miss Barnhart acting as toastmistress.

Delian Boys Program

The Delian Boys' program last Saturday night was as follows:
Miss Belinda Armalinda Bowersox A. C. Bates
Miss Winsome Lughkly Frank Beers
Dr. Quackenbusch Chas. Pugsley
George Wash Jefferson Polky Monroe Frank Vasey
Chinaman Mr. Stone
Teddy (small boy) Mr. Turner
The main interest centered about the breach of contract, the defendant having scratched the "slate" and written to the plaintiff requesting the pleasure of her company to the Union party.
The jury composed of lawyers, dignified business men, and backwoods farmers, was exceedingly amusing.
The program was a success from beginning to end, and the boys succeeded well in producing bursts of laughter in rapid succession from the lady audience. The girls had nothing but congratulations to offer for the unique way in which they were entertained.

Freshmen Meet.

The Freshmen had a meeting in U. 107 yesterday morning, and the reports of several committees were heard. After the reports some of the members who are specializing in oratory slightly indulged and the house fairly went wild when Mr. Standever placed himself on an equality with Patrick Henry and other liberty orators in stating the privileges and liberties of his class.
The class adopted a yell, which was written by Mr. Johnson, and they succeeded in giving it several times before they adjourned.

A GREAT CONTEST

Debate with Kansas a Hummer. Preparation for Other Contest.

Expressions of satisfaction regarding the debate last Friday night are quite prevalent. It is evident that this contest in general interest outclassed all previous ones. While there have been a few rather unsatisfactory points brought under discussion these have been mostly of a technical character and have caused little concern.

Hon. John L. Webster at the Lindell hotel Saturday stated that it was his opinion that the debate was a complete walkaway for Nebraska. Many prominent citizens of Lincoln concur in the view that the debate was well fought out by both sides and that the Nebraska men showed surprising strength in handling their arguments. The Kansas men took their defeat in good grace and seemed well pleased with their stay in the city. They departed Saturday forenoon for Kansas. There had been talk of getting up a party of ten or twelve members of the Kansas faculty to accompany them to Nebraska and lend their good will and moral support to the assistance of their representatives. But this plan was found to be unfeasible, and the debaters accompanied by Prof. Frazer were obliged to invade the enemy's country without a reserve column to support them in time of need.

Considerable expense was involved in carrying out this debate. Besides having to meet the expenses of our visitors, a number of other items had to be settled. The charts were quite expensive, as skilled workmanship was employed in fixing them up, and the expenses of the judges also had to be met. However, the debate was a success financially as well as otherwise.

The faculty certainly had a good representation at the debate, as they were out in greater force than has ever been noted before. It evidently follows that they were well impressed with the contest, as several of them talk of accompanying the team to St. Louis, when it debates there on May 13. The fare will be \$15.50 and it may be possible that others will find it convenient and advantageous to go. It is certainly well to have Nebraskans in the enemy's country at the time of the debate, and everyone who goes will count. There are several prominent University people on the exposition grounds and they will probably not care to miss the opportunity of meeting their friends from home upon this occasion.

The team will leave on Wednesday, May 11. They will arrive in St. Louis on Thursday morning or late Wednesday night. This will allow them a reasonable interval in which to rest up for Friday evening. The party will not start back until Monday, and will thus have an opportunity to visit the fair after the debate.

The work of choosing the judges for this contest is well advanced, and the selections will soon be announced. It has always been the policy of our Debating association to select our judges in debates from other states. For instance, Chief Justice Deemer was Nebraska's choice in the debate with Kansas.
