Regarding a Communication

Appropos to the communication published in The Nebraskan yesterday regarding the Glee club concert, we find that the name of Dr. Ward was omitted from the list of those who had bought tickets. He purchased a ticket without solicitation, but was prevented from attending because of a business engagement. However, his family was well represented. We take special pains to make this matter clear, as Dr. Ward has always liberally patronized and otherwise assisted University enterprises.

Supper Served at St. Paul's.

Tonight at 5 p. m. in the dining room of St. Paul's church will occur the annual committeemen's dinner, given by the University Y. M. C. A. After an old fashioned and substantial meal is served, plans for the coming year of association work will be discussed. Members of the association, especially members of committees, are invited, and no charge will be made. The dinner will be over by 7 p. m.

Mr. Barret is preparing some maps for publication with the article.

The Union literary society held its new members' program at the state farm last evening.

Mr. Dickenson, who has been absent from school for some time on his forestry expedition through Nebraska, has again returned to resume his school work.

Professor Sheldon is engaged in writing an article for the Omaha Bee in its Nebraska Semi-Centennial number of May 30. The article will cover a period of fifty years since the passing of the Kansas-Nebraska bill, and will be condensed to one page.
