GOOD GAME TODAY

Highland Park Comes Today for Game With Uni.

This afternoon on the Uni campus the Nebraska team will meet Highland Park College. Although the grounds are somewhat smaller, due to the fence on the south side, still a ground rule will prevent much trouble there. Highland Park has a strong team and a fast game is expected. Morse will be in the box for the home team.

The following are the men who will line up for Nebraska: Bender, Miller, Cooke, Steen, Townsend, Fenlon, Hammill, Williams and Morse.

Last Saturday the Delta Tau Delta fraternity won the championship of the "Frat" baseball league by defeating the Beta Theta Pi nine to the tune of 12 to 5. They took the lead in the first inning by crossing the plate four times, doing the same three times in the fourth and five in the fifth. The Betas made one run in the fourth and four in the fifth.

The features of the game were the pitching of Dort and Denslow, each striking out ten men.

Score by innings:
Betas 0 0 1 4 0 0—5
Delta Taus 4 0 0 3 5 0*—12
Batteries—Betas, Dort and Culbertson; Delta Taus, Denslow and Milliken.

Tomorrow the student members of the Athletic Board will be elected for next year. The candidates are F. A. Barta, Frank Beers, C. T. Borg, E. Hagensjck, L. P. Hewitt, Fletcher Lane, C. Mason, J. R. Molony, J. Van Burg and W. J. Woods. The students will vote in the armory, the polls being open from 10:30 to 12:30 and from 1:30 to 3:30. The bars will hold a final meeting in Memorial hall at 1:30 this afternoon.

The Athletic Board holds a special meeting this morning at 10 o'clock.

The track meet between the Gophers and Cornhuskers next Saturday is expected to be a close one from start to finish. They bring twenty men with them and for Nebraska a like number will compete. This meet promises to be well attended. The literary societies have expressed their intention of attending the meet in a body and it is hoped the fraternities will take a similar step. The seats in the grandstand at F. & M. park will be reserved, and put on sale Wednesday morning at 10 o'clock at the book stores. Last Saturday Minnesota defeated Iowa on her own grounds by 40 to 30. This means that Nebraska will have to hurry to defeat them.

The following is the list of events:
100-yard dash.
220-yard dash.
440-yard dash.
One-half mile run.
One mile run.
Two mile run.
120-yard hurdles.
220-yard hurdles.
Pole vault.
Running high jump.
Running broad jump.
Hammer throw.
Discus throw.
Shot put.
Relay race.

Next Thursday and Friday the tennis tournament between Nebraska and Minnesota will be played off. The visiting players will accompany the Minnesota track team to this place. They leave Minneapolis Wednesday evening, and get here Thursday morning. The first round of singles will be played off Thursday morning, and an admission of 25 cents will be charged. This entitles the spectator to a second ticket, when he comes out, for the match to be played in the afternoon, thus seeing both rounds for the one price. On

AN APPEAL TO THE CO-EDS

TO THE UNIVERSITY GIRLS:

Tomorrow occurs the annual election of student members to the Athletic Board. Already men are about asking the University girls "Will you vote for the men I tell you to if I pay your membership fee?" How many of you answer, "Yes," and think nothing of it? There has been some discussion in The Nebraskan of the manner in which the girls have been marched up and voted in the past. Scarcely a "discussion" for there has been no one to take the other side.

It has been suggested that the Athletic board take the right to vote away from the girls in order to correct the

abuse, but they have put it off until next year.

Can we not correct it ourselves? We consider a man disgraced who is marched to the polls and votes as he is told to vote or is paid to vote. No less are we disgraced if we are marched up to the voting place tomorrow and voted as if we had not only "no interest" as has been charged, but no pride, no self-respect, no sense of honor.

If we really do have an interest in the Athletic Board, let's vote and pay our own fee; if not, let's have the backbone to refuse to be voted.

NELLIE JANE COMPTON.

Friday morning the final round of doubles will be played and 25 cents will be charged to see this. We have a strong team this year and have strong hopes of beating the Gopher representatives. The latter, however, have a very strong team, as has been shown in the preliminaries held at that place. Our team was defeated by the Iowa players, but that is no discredit upon them, because one of their players, Bailey, is considered one of the best players in the United States, and has been playing in big tournaments in the east for the last few summers.

While the other man is not so strong, they both are graduate students, taking but a few hours work in the school and that for a second or third degree. The team feels confident that it could have defeated any undergraduate team they could have put up. The following is the score of the Iowa meet:

Bailey, Iowa, beat Cassidy, Nebraska.—6-3, 6-1.
Monnett, Iowa, beat Scribner, Nebraska.—6-2, 5-7, 7-5.
Bailey, Iowa, beat Scribner, Nebraska.—6-1, 6-1.
Monnett, Iowa, beat Cassidy.—6-2, 6-1.
Monnett and Bailey beat Scribner and Cassidy, 7-2, 6-2, 10-8.

Glee Club Trip Successful.

The Glee club returned Sunday evening from a three days' trip, having appeared at Norfolk and Wisner. At both places they were accorded enthusiastic receptions and the concerts at each place were well attended. Saturday evening the club sang without a leader, Mr. Eames being compelled to return to Lincoln. The careful training which Mr. Eames has given the club was here apparent, for the whole program was carried through without a mistake. At both places Phil Hudson, pianist, and A. C. Bates, reader, made decided hits, both having to respond to two or three encores. Seventeen men made the trip. The club gathers at the home of Mr. Eames Wednesday evening to talk over the prospects for next year, which are now very encouraging.

The "Innocents" will hold their initiation and banquet at the Lindell Thursday evening.

TO RAFFLE OFF CAP

A Means Devised to Defray Expenses of Bon-Fire.

When the curtain went down on the great class fight last Friday evening there was a general expression of regret that there would be no more excitement to draw the students from the library on the run. But the Sophomores found that the play was not over for them. An indignant merchant who had not received payment for some 116 new blue caps, with "07" embroidered on them, presented a bill for \$96 to the Soph ringleaders, and the proprietors of Walsh Hall notified the same class that they would have to skip \$13 worth of meals this week.

The Sophs held a meeting yesterday morning to devise means to raise this \$109. The whole class plus 200 Juniors and Seniors had been very much in evidence at the big fire, but none of them got up very early to donate \$5 towards "expenses." But when a deep gloom had settled down upon the freshmen assembled, a brilliant Soph proposed that the sole Freshman cap rescued entire from the conflagration be raffled off for enough to pay the bills. Visions of bars and huge rock piles disappeared at once, and a committee was at once appointed to manage the affair. Last evening the committee gave the Associated press the following press notice:

"We who live in this, the first half of the twentieth century, certainly should fall down and worship the gods for such a privilege. Already in this first decade do the two most important events of the Christian era—the opening of the Rosebud reservation and the raffle of the Freshman cap, the sole extant specimen of a once mighty and powerful race. The Louisiana lottery of the '80's was as a mole hill to a mountain when compared to this great event. This cap is absolutely guaranteed to be the only one existing in a perfect condition, and to be the only one in the world whose price is \$112.50.

"We absolutely guarantee to deliver the goods. This marvelous cap is at present in Safety Deposit Vault No. 113, at the American Savings Bank. The vault is leased for six months, and the key will be turned over to that man, favored by the gods above all others, who wins the lucky number.

There will be 450 chances and the price will be extremely low, 25 cents each, with the exception of Nos. 3, 4, 7, 11, 13, 44, 333 and 444, whose price will be 50 cents each. Furthermore, the price for the combination 4-11-44 will be \$2.00.

The Nebraska Historical society has offered the committee \$250 for this wonderful curiosity, but we have decided to sacrifice our own pecuniary advantage to our philanthropic desire to give the cap to a student. To obviate the possibility of this or other societies obtaining the cap by buying up all the chances, each bidder is limited to 100 chances.

As a special favor the committee has decided to allow Freshmen to take chances, and thus recover the last of their caps.

Finally, the great raffle will begin promptly at 10:15 this morning, and the drawing will occur next Friday at the same time. With each chance the committee will give a copy of last Friday's first edition of The Nebraskan, a certificate entitling the holder to a life subscription to "Happy Homes," one copy of the defunct Freshman poster, and one bottle of "Bud." All for the small sum of 25 cents, and chances limited to 450 in number. Come early and get into the rush. At the Big Rock.
