Saturday evening Phi Delta Phi gave their annual banquet at the Lindell. Covers were laid for thirty-five. An appropriate menu card, gotten up in the form of a trial document, called through Charles T. Knapp, toastmaster was given.

Chairman Westover of the Pan-Hellenic Hop committee has announced that dancing Friday evening will begin at 8:45. Westover is well enough known to do away with any doubt as to what 8:45 means and "Johnnie" says the music will start then if he's the only one present. His action is certainly well advised, for the program consists of 24 numbers and an early start is therefore imperative. So dancing will begin at 8:45, and all should be on hand at that time.

The legal fraternity of Phi Delta Phi gave a pretty dancing party Friday night at Walsh hall. The hall was tastefully decorated in Phi Phi and University colors. Walt's orchestra furnished the music for the twenty numbers on the program. Punch a la Tommie was served during the evening. Beside the Phi Delta Phi members one guest was invited from each of the various fraternities. Out of town men at the dance were Reeder, Bergren and Peterson. The programs carried out the legal idea in a unique manner, being in the form of contracts by which each man bound himself to dance the various numbers to the best of his ability.
