Nine men, led by Capt. States, took the cross country run last night. The men ran to the state fair grounds track, and back to the armory. In spite of the fact that the St. Louis run has been called off, great interest is still taken in the Chicago run to be held Thanksgiving morning, at which run Nebraska will be represented by a five man team.

Basket ball practice was held last night at 5 p. m. The men are getting into good shape, and the first match game will be played shortly. Not enough men are turning out, however. Every man who shows up will be given a trial, and the places on the varsity are not yet cinched, by any means.

The Unique rooters' sleeve band has put in an appearance at Nebraska. The University book store has laid in a large supply of natty circlelets of scarlet felt with a neat white "N." At other schools these insignia are worn by the rooters to good effect.

At the game today before one can gain admittance to the rooters' section he should have beside his megaphone a rooters' sleeve band. These can be had for a nominal sum and everybody should have one.

Request has been made, that the Nebraska educational and other exhibits, now at St. Louis, be kept intact and exhibited at Portland next year. Application for space began November 1.
