Entered at the postoffice at Lincoln, Neb.,
as second class mail matter under the act of
congress of March 3, 1879.

Individual notices will be charged for at the
rate of 10 cents for each insertion. Faculty,
departmental and university bulletins will
gladly be published free, as heretofore.

Editorial Remarks

If there is anything to be detected between the lines of Coach Booth's statement in Saturday's Nebraskan regarding his acceptance or refusal of the chance to again coach Nebraska's football team, it would surely seem that he does not regard the proposal as out of the question, at least. We believe it is up to the athletic board and to the student body, whether or not Booth stays at Nebraska. If Nebraska say she wants Booth, and says it hard, we believe she can get him. Without attempting to pose as Mr. Booth's confidant, which we are not, the Nebraskan is sure that there is at least no reason for giving up hope of getting Booth to stay with us. At all events, and whatever the result, he should at least have a chance to accept a new contract with Nebraska.

The situation is simply this—WE

CANNOT AFFORD TO LOSE BOOTH. In five years Nebraska has emerged from total obscurity in the football world, to a place unique among the great colleges of the country. Booth has been responsible for it. We cannot foresee what may happen without Booth, but the risk is surely too great a one to be hazarded. It is up to the student body. We repeat it—WE CANNOT LOSE BOOTH.

WIN BITTER FIGHT.

(Continued from Page One.)

striking of Iowa's goal, but our attack lacked the necessary power, and Iowa got the ball on downs, and punted out of danger. The ball zig-zagged back and forth across the field, with end runs, and line bucks, nearly always in Iowa's territory, and the half ended with the ball in Iowa's possession on his own eleven yard line. Hunter replaced Barta at left guard the second half, Iowa kicked off, and Bennie returned ten yards. Stung by the fact that Iowa had scored nothing could stop our end runs, and line bucks, and with Bender tearing off fifteen at a clip, and Bennie a close second, the ball soon landed on Iowa's six yard line, when Glen Mason on a buck through center, placed the pigskin safely behind Iowa's goal, and Bennie kicked goal. Cotton kicked off to Iowa's five yard, and Iowa, by good dodging, returned twenty-five yards. Nebraska held, forcing Iowa to punt, and Bennie got the ball on our forty yard line. Again the procession began down toward Iowa's goal, and again Nebraska wasn't stopped, until, after a pretty fifteen yard run through left tackle, the ball was over the last chalk line. Again Bennie kicked goal. The third touchdown was a repetition of the other two. Nebraska was not to be stopped, and end runs and line plunges, one after the other, placed the ball on Iowa's eight yard line. Cotton was called back, and in two downs, with Hunter clearing the way through right guard, Tow carried the ball over for our third touchdown. Goal was missed, and the scoring ended. But in the few minutes of play left Benedict was hurt, and had to be carried from the field. Early in the game the bridge of Bennie's nose was broken, but he continued to play, in spite of the pain. In the scrimmage where Bennie was hurt, the ball was picked up by Stoltenberg, and carried over our goal line, for what seemed another touchdown, but the ball had been downed, and no score was counted. Time was called while this play was being made.

THE LINEUP

Benedict R. E. Stoltenberg
Cotton R. T. White
Mills R. G. Atkinson
Borg C. Moore
Barta-Hunter L. G. Rockwood
Mason L. T. Schwinn
Johnson L. E. Stref
Bender Q. Kent
Craig R. H. B. Lee
Eager L. H. B. McGowan
Glen Mason F. B. Chalmers
Substitute for Iowa, Scallion, Perry, Knapp, Jordan. The total yards Nebraska advanced the ball was some 425, as against 72 yards by Iowa.

The game was the roughest, both from the spectators' point of view, and that of the varsity, and Nebraska

wasn't the offender in a single instance.

Officials, Hoagland, umpire; Outland, referee; Corneli, head linesman.

Several hundred enthusiastic students celebrated Nebraska's victory, Saturday night, in old time form. The line of march formed on the campus and proceeded through the downtown district to the Lindell hotel where Assistant Coach Westover, Fred D. Cornell and Ralph Hoagland made short talks to the students. Hoagland said in part, "It was a hard game and the best team won. I am glad that team was Nebraska."

From the Lindell the crowd went to the Royal where the Iowa team was quartered. Cheers were given for the Hawkeyes and short speeches were made by the Iowans. A large bonfire

on the campus and a speech by Dr. Condra concluded the celebration.

The Michigan Daily has the following to say regarding the cross-country run to be held in Chicago on the morning of Thanksgiving under the auspices of the Western Inter-Collegiate Cross Country association, of which Capt. Herbert States, of the track team, is secretary treasurer:

A. G. Spalding has presented the Western Intercollegiate Cross-Country association with a beautiful loving cup. This cup is to be competed for annually, and the team winning it three times in succession will retain it permanently. Ten teams will compete in the first race to be held in Chicago on the morning of Thanksgiving day. Michigan, Wisconsin, Nebraska, Iowa, Purdue, Indiana, DePauw, Illinois, Lake Forest, Northwestern, and Chicago are now entered. James D. Lightbody, captain of the Chicago team is president of the association, and Jere Delaney of Northwestern is chairman of the race.

There will be a meeting of the Inter-class Athletic committee this morning at 11 a. m. in the Y. M. C. A. rooms. Important business is to be brought up and every member of this committee should make it a point to be present.

Professor Robert E. Moritz (a member of the University of Nebraska faculty last year) head of mathematics, was one of the principal speakers at the Skagit County Teachers' Institute held at Anacortes Tuesday, Wednesday and Thursday. He appeared on the program several times, both in addresses and lectures. Prof. Moritz has acquired a reputation for rare ability as a lecturer on those subjects which he has made his life's study, and accordingly his addresser at Anacortes were well attended. The lectures of Prof. Moritz possess a wealth of illustration and example, which makes even mathematics interesting as well as instructive.—Pacific Wave, University of Washington.
