## THE FIRST GAME

### Highland Park to Play Basket Ball Next Week.

#### A Hop in Connection.—Some Football Schedule Dope.

Some twenty-five men were out for basket ball practice last night. The work was the swiftest yet done. Passing and goal throwing were quick and accurate. The men are rapidly getting into good form. Saturday night the first game of the season will be played when we line up against Wesleyan on their floor. The following Friday evening, December 9th, Highland Park will be here for a game on our floor. Nothing is known of the strength of the Iowans, but they usually do things well athletically there, and a good game can be looked for. After the game a dance will be given in the armory. As yet the price of admission has not been decided upon, but it will be low enough to allow all who wish, to attend.

A number of radical changes will probably be made in the football schedule for next year. The Haskell Indian game will doubtless be dropped entirely, and, if Colorado is played at all, the game will be in Lincoln. Manager Davis states that a Nebraska football team will probably never attempt to play under such circumstances as faced the Cornhuskers at Boulder this fall, but that a game may be arranged with the westerners on the local field.

Several of the smaller colleges of the west are clamoring for a game with Nebraska. The latest of these is Washburn college at Topeka, Kan. Washburn has recently been showing surprising strength in athletics, particularly in football, and defeated Kansas last year in a close game. This year the Jayhawkers defeated them only by a single touchdown, and they held Haskell to 14 points.

It is possible that they may be brought to Lincoln for an early season game, such as the Grinnell contest, which will probably not be a part of next year's schedule. While Washburn is not as well known in Lincoln as Nebraska is at Topeka, the experience of the games in Colorado has proved that early season trips are financially risky.

In this connection, the following from the Washburn Review, may be of interest:

"All efforts should be made this year to schedule a game with Nebraska university for next season. This season has turned out very successful and the prospects for next year are equally as good. The comparison of the work of the two teams in the contests with the Haskell Indians show Nebraska and Washburn to have about the same strength.

"Nebraska is considering the matter of dropping the game with the Indians and The Daily Nebraskan in a recent editorial taking the matter up at length advises the athletic authorities to drop the Indian contest and take up a match with some other college. Washburn's schedule should be so made out as to take the game formerly played with Haskell if the Cornhuskers decide to drop the red-faced team.

"A match game between the university at Lincoln and the college at Topeka would be the strongest drawing card of the season and there are several reasons why it should be played. Both teams would profit financially and the relations between Washburn and Nebraska would become much closer. Nebraska now has no game with a college team in Kansas. Her only game is with the Indians and is not played under college rules. K. U. has never been able to do anything more than make a face at Nebraska

## Annual County Fair

### Armory, December 10

Given under Auspices of the Y. W. C. A.

and probably never will. It is Washburn's part to represent the state in a college game with the neighboring state to the north. The college team from the capital city of Kansas should meet their university friends from the capital city of Nebraska. No game played in either state would be watched with more interest."

The Washburn people are said to play a clean, sportsmanlike game, and, unless the financial side of the matter should prove the contest inadvisable, a game will probably be arranged. Knox college will probably meet us again. The Galesburg men are gentlemen as well as sportsmen, and are well liked by Lincoln people, although they have been easily defeated the past two years.

None of the larger games have been scheduled yet, though correspondence is being carried on with several "Big Nine" schools. It will probably be some time before the entire schedule can be announced.

### MANY EXHIBITS.

#### County Fair Managers Overwhelmed With Work.

The annual county fair of the Y. W. C. A. will be held in the Armory on Saturday evening, December 10. Many attractive shows have obtained licenses to exhibit on the "grounds" and the committee in charge is swamped with other applications. A genuine fat man will be there, as well as a grand "Old Plantation." A baby show is also being arranged.

All objectionable features will be excluded and nothing worse than striking machines and nigger-baby throwing contests have been granted the use of the grounds. Flower, candy and red lemonade booths will be much in evidence, and to please the Freshmen, a well known juvenile entertainment, entitled "Punch and Judy," will be presented. More experienced persons may amuse themselves in a pretty little diversion consisting of walnut shells and ordinary peas, which is said to be most original in conception.

Each of the sororities, and several of the fraternities will conduct exhibits, and present indications point to a repetition of last year's success.

### Y. W. C. A. Notes.

The monthly cabinet meeting will be held with Miss Goldena Denny and Miss Morgan on Friday evening from 6 to 8.

Rev. S. Z. Batten, of the First Baptist church, will speak to the young women of the university on Sunday, December 4, at 3 p. m., U 106. You are invited. Bring your friends.

A new coat of paint is being applied to the floor of the Historical society rooms.

## DECIDING CONTEST

### Sophomores and Juniors Will Meet Tomorrow.

#### The Result Will Settle The Class Championship.

Tomorrow afternoon at 2 o'clock the football teams of the Sophomore and Junior classes will meet on the athletic field to settle the question of the championship of the academic department of the university. The Sophomores defeated the Freshmen Wednesday by a score of 6-5, and the Juniors snowed the Seniors under 15-0. The two teams are expected to be almost evenly matched, therefore, and much interest will greet the result of tomorrow's score. The teams will line up about like this:

Juniors.	Sophomores.
McLaughlin .....le	Cramer
Wellensick .....lt	Bradley
Jenkins .....lg	Early
Frazier .....lc	Clark
Dales .....rg	Clark
Legro .....rt	Murphy
Cole .....re	Shindell
Raber .....rb	Lott
Cook .....lh	Little
Charlton .....rh	Drain
Smith .....fb	Mitchell

An admission fee of 15 cents will be charged.

### TROPHY ARRIVES.

#### Spalding Cross Country Cup is on Display.

The trophy won by Nebraska in Chicago Thanksgiving morning has been received and will be placed on exhibition in Dr. Clapp's office. It is a handsome loving cup, presented by A. G. Spaulding & Son, given as a cross-country trophy, to be owned permanently by the university winning it three times. Nebraska heads the list of winners, and now only two more successes are necessary to have it all our own.

Notices to those having the right to vote for next season's football captain have not yet been sent around. There has been some dispute about one man's vote, which has delayed matters. These notices will probably be distributed this week, and the result announced next week. The men eligible for captaincy have not been decided upon, nor have those winning the football "N." These questions will not be fully decided until the next meeting of the athletic board.

### WILL SELL CAPS.

#### The Juniors to Establish a New Haberdashery.

President Sidwell, of the Junior class, has appointed the following cap committee: W. H. Smith, chairman; Ed Adams, W. M. Ellis, Mildred Slater, Ina Gittings. The caps will be purchased at wholesale by the committee, and then sold to the members of the class at retail prices. The money cleared will apply on the '07 cap note.

The class of '07 is again to attempt the wearing of class caps. The headgear will arrive soon, and the Sophomores are expected to indulge in a big celebration as soon as they come.

### MUSIC TODAY.

#### Good Program at Chapel.—"Messiah" Notice.

The program on Friday morning will consist of a Flower Song Cycle by Arthur Foote. It will be sung by Mrs. R. A. Holyoke, Mrs. Joseph Grainger, Mrs. A. S. Raymond and Mrs. E. Lewis Baker.

Mrs. Raymond earnestly requests that all students who have previously sung "The Messiah," even though they are not at present members of the chorus, should occasionally come to a rehearsal and assist in its rendition at convocation on the 21st of this month. It is hoped that this may become a permanent and honored custom in our university, and one which will endear itself to the hearts of our students. Rehearsals are held in Memorial hall on Mondays, Thursdays and Fridays at 5 o'clock.

Mr. Blackman of the State Historical society, has just returned from St. Louis, where he has been for some time attending the exposition.

Miss Beula Grenwald was confined to her room yesterday on account of sickness.

Roller skating at the Auditorium is still all the go, and on the new hardwood floor, with a pair of Richardson's ball-bearing skates you can have a very enjoyable afternoon or evening. Everything high class and the very best.

Dinners and suppers \$2.50 per week. The Home Cafe, 214 S. 12th.
